**Charles Wilkes**

## **Space Mania:**

**Choreomania** Kéline Gotman, 2018 When political protest is read as epidemic madness religious ecstasy as nervous disease and angular dance moves as dark and uncouth the disorder being described is choreomania At once a catchall term to denote spontaneous gestures and the unruly movements of crowds choreomania emerged in the nineteenth century at a time of heightened class conflict nationalist policy and colonial rule In this book author Kéline Gotman examines these choreographies of unrest rethinking the modern formation of the choreomania concept as it moved across scientific and social scientific disciplines Reading archives describing dramatic misformations of bodies and body politics she shows how prejudices against expressivity unravel in turn revealing widespread anxieties about demonstrative agitation This history of the fitful body complements stories of nineteenth century discipline and regimentation As she notes constraints on movement imply constraints on political power and agency In each chapter Gotman confronts the many ways choreomania works as an extension of discourses shaping colonialist orientalism which alternately depict riotous bodies as dangerously infected others and as curious bacchanalian remains Through her research Gotman also shows how beneath the radar of this colonial discourse men and women gathered together to repossess on their terms the gestures of social revolt

## **Screen Interiors**

Pat Kirkham, Sarah A. Lichtman, 2021-03-11 Covering everything from Hollywood films to Soviet cinema London's queer spaces to spaceships horror architecture and action scenes Screen Interiors presents an array of innovative perspectives on film design Essays address questions related to interiors and objects in film and television from the early 1900s up until the present day Authors explore how interior film design can facilitate action and amplify tensions how rooms are employed as structural devices and how designed spaces can contribute to the construction of identities Case studies look at disjunctions between interior and exterior design and the inter relationship of production design and narrative With a lens on class sexuality and identity across a range of films including *Twilight of a Woman's Soul* 1913 *The Servant* 1963 *Caravaggio* 1986 and *Passengers* 2016 and illustrated with film stills throughout Screen Interiors showcases an array of methodological approaches for the study of film and design history

**Cretomania** Alexandre Farnoux, 2017-07-05 Since its rediscovery in the early 20th century through spectacular finds such as those by Sir Arthur Evans at Knossos Minoan Crete has captured the imagination not only of archaeologists but also of a wider public This is shown among other things by its appearance and uses in a variety of modern cultural practices from the innovative dances of Sergei Diaghilev and Ted Shawn to public and vernacular architecture psychoanalysis literature sculpture fashion designs and even neo pagan movements to mention a few examples Cretomania is the first volume entirely devoted to such modern responses to and uses of the Minoan past Although not an exhaustive and systematic study of the reception of Minoan Crete it offers a wide range of intriguing examples and represents an original contribution to a thus far underexplored aspect of Minoan studies the remarkable effects of Minoan Crete beyond the narrow boundaries of recondite archaeological research The volume is organised in three main sections the

first deals with the conscious unconscious and coincidental allusions to Minoan Crete in modern architecture and also discusses archaeological reconstructions the second presents examples from the visual and performing arts as well as other cultural practices illustrating how Minoan Crete has been enlisted to explore and challenge questions of Orientalism religion sexuality and gender relations the third focuses on literature and shows how the distant Minoan past has been used to interrogate critically more recent Greek history

*Mindfulness-Based Cognitive Therapy for Bipolar Disorder* Thilo Deckersbach, Britta Hölzel, Lori Eisner, Sara W. Lazar, Andrew A. Nierenberg, 2014-07-10 Grounded in current knowledge about bipolar disorder and its treatment this book presents an empirically supported therapy program with step by step guidelines for implementation Mindfulness based cognitive therapy MBCT for bipolar disorder is specifically designed for clients who have experienced many mood episodes and who struggle with chronic pervasive depressive and residual manic symptoms The authors provide everything needed to conduct the 12 weekly group sessions which are supplemented by regular individual sessions Reproducible tools include 29 client handouts and an Instructor Checklist Purchasers get access to a companion website featuring downloadable audio recordings of the guided mindfulness practices meditations and mindful movement plus the reproducible materials ready to download and print in a convenient 8 1/2 x 11 size A separate website for use by clients features the audio recordings only

*Blue Book* Bermuda Islands, 1918

**Blue Book** British Guiana, 1914

**Manic Minds** Lisa M. Hermsen, 2011-11-22 From its first depictions in ancient medical literature to contemporary depictions in brain imaging mania has been largely associated with its Greek roots to rage Prior to the nineteenth century mania was used interchangeably with madness Although its meanings shifted over time the word remained layered with the type of madness first century writers described rage fury frenzy Even now the mental illness we know as bipolar disorder describes conditions of extreme irritability inflated grandiosity and excessive impulsivity Spanning several centuries *Manic Minds* traces the multiple ways in which the word mania has been used by popular medical and academic writers It reveals why the rhetorical history of the word is key to appreciating descriptions and meanings of the manic episode Lisa M Hermsen examines the way medical professionals analyzed the manic condition during the nineteenth and twentieth centuries and offers the first in depth analysis of contemporary manic autobiographies bipolar figures who have written from within the illness itself

*Blue Book for the Island of Jamaica* Jamaica, 1921

*Art in a Multipolar World* Mi You, 2025-01-22 This monograph takes a look at how the increasing multipolarity of our world affects art It is a diagnosis of the socio political contexts that surround art and questions what the upheavals in geopolitics economic and social policy mean for the field of art today The text is divided into four sections First the phenomenon is conceptualized and theorized This is followed by an in depth examination of the interrelationships using documenta fifteen as a case study an exhibition that can be seen as a crystallization point for current political shifts This is followed by an in depth reading of Chinese art policy which oscillates between particularist and universalist claims in order to arrive at the concluding section which opens

up a horizon of thought and experimentation that helps us to come to terms with the era of multipolarity **Blue Book**

Jamaica,1922 *A Pastor's Guide to Interpersonal Communication* Blake J. Neff,2014-01-14 Improving your powers of communication can encourage powerful communication with your parishioners A Pastor s Guide to Interpersonal Communication The Other Six Days provides students preparing for the pastoral ministry with specialized training in communications that focuses on the kind of one on one conversations they can expect to have with their parishioners This comprehensive book examines a variety of essential topics including perception self disclosure verbal and nonverbal messages listening stages of relational development power assertiveness and dominance conflict management forgiveness persuasion dual relationships pastoral family communication and how to develop a communications model Each chapter includes Pastoral Conversations real life dialogues presented for analysis Key Concepts for quick student review Meanings Mania self tests on vocabulary and Unleashing the Power of Interpersonal Communication student exercises that reinforce the practical aspects of key principles While many pastors have a great love for the people they minister to they have difficulty demonstrating that love because they lack the skills to develop and maintain relationships This book explores how communication works and how to make it work for you applying the best available interpersonal communications techniques to your relationships with the real people of the church your parishioners A Pastor s Guide to Interpersonal Communication The Other Six Days examines how self disclosure works and when it s appropriate for a pastor stumbling blocks and building blocks for effective listening the differences between power assertiveness and dominance and when to use each conflict management styles and negotiation strategies several myths about forgiveness dual relationships and how to avoid them pitfalls to avoid in pastoral family communication and much more A Pastor s Guide to Interpersonal Communication The Other Six Days is an essential resource for Bible college students and for students at the pre ministerial and seminary levels It s also a valuable professional tool for clergy practitioners who need help with their communication skills Hongkong

Blue Book for the Year ... Hong Kong,1913 United States Exploring Expedition Charles Wilkes,1846 *United States Exploring Expedition* ,1846 United States Exploring Expedition During the Years 1838, 1839, 1840, 1841, 1842 Under the Command of Charles Wilkes Horatio Hale,1846 The End of the Innocence Lawrence R. Samuel,2010-08-13 From April 1964 to October 1965 some 52 million people from around the world flocked to the New York World s Fair an experience that lives on in the memory of many individuals and in America s collective consciousness Taking a perceptive look back at the last of the great world s fairs Samuel offers a vivid portrait of this seminal event and of the cultural climate that surrounded it He also counters critics assessments of the fair as the ugly duckling of global expositions Opening five months after President Kennedy s assassination the fair allowed millions to celebrate international fellowship while the conflict in Vietnam came to a boil This event was perhaps the last time so many from so far could gather to praise harmony while ignoring cruel realities on such a gargantuan scale This world s fair glorified the postwar American dream of limitless optimism even as a

counterculture of sex drugs and rock n roll came into being It could rightly be called the last gasp of that dream The End of the Innocence Samuel s work charts the fair from inception in 1959 to demolition in 1966 and provides a broad overview of the social and cultural dynamics that led to the birth of the event It also traces thematic aspects of the fair with its focus on science technology and the world of the future Accessible entertaining and informative the book is richly illustrated with contemporary photographs

*The Art of Frenzy* Jane Kromm,2003-01-01 The Art of Frenzy presents a masterful analysis of public madness from the Renaissance to the Industrial Age Frenzy the most flagrant and political form of madness is the madness of warrior heroes kings scolds and the possessed Its representation incorporates a range of traditional characters and figures from Hercules and Orlando to Medea and Britannia Understood as abusive power and belligerence out of control and described in terms drawn equally from definitions of tyranny and liberty frenzy has always been articulated with a significant degree of political meaning Integrating art history with cultural studies political history and the history of medicine Jane Kromm draws on a wide range of mediums and contexts from asylum sculpture to political broadsheets medical texts the imagery of revolution caricature and medical illustrations to clarify the importance of this interpretative pattern

**The Advertising Book, 1916** Paul Terry Cherington,1916      **The First Advertising Book** Paul Terry Cherington,1916

**The Screens of Virtual Production** Sian Mitchell,Colin Perry,Sean Redmond,Lienors Torre,2025-04-24 This book is the first dedicated edited collection that explores the virtualisation of screen making processes from pre production to post production while attuning to the aesthetic ideological and performative contexts upended by these integrated technologies This book explores what is real in virtual production as a provocative one implicitly drawing on the philosophies of the moving image and the recent work on new forms of post human perceptual realism This edited collection is divided into the following four themed sections Section One It s Always Been Real Contemporising Virtual Production addresses the histories of film realism in relationship to visual technologies providing both a theoretical and philosophical anchor point for the collection and a necessary genealogy Section Two The Body Becomes You Performing Virtual Production examines the transformation that occurs in immersive virtual worlds while also exploring how the body is itself virtualised Section Three Skin Deep Gazing with Virtual Production addresses the way race ethnicity gender and environment are supposedly equalised and yet are still found to reproduce the colonised looking regimes of western mainstream screen culture Section Four Whose Work Labouring with Virtual Production draws together writing that examines the way production processes have been transformed affecting not only work patterns but also the way aesthetics form and function operate This book encompasses many production themes and will appeal to media students and professionals interested in the production of film
