The Space of Culture Stewart King, Jeff Browitt, 2004 The essays range from colonial domination and international struggles over territorial claims to a meditation on the politics of location to the issue of spatial representation of mature age women and gay men within a dialectic of visibility invisibility in Spanish theatre and cinema Jacket **Bibliographic Index**, 2007 **The Rise of Catalan Identity** Pompeu Casanovas, Montserrat Corretger, Vicent Salvador, 2019-05-16 This volume helps us to understand that the current political disorders in Catalonia have deep cultural roots It focuses on the rise of Catalan cultural national and linguistic identity in the 20th century What is happening in Catalonia What lies behind its political conflicts Catalan identity has been evolving for centuries starting in early medieval ages 11th and 12th centuries It is not a modern phenomenon The emergence of imperial Spain in the 16 c and the French Ancien Régime in the 17 c correlates with a decline of Catalan culture which was politically absorbed by the Spanish state after the conquest of Barcelona in 1714 However Catalan language and culture flourished again under the stimulus of the European Romantic Nationalism movement known as the Renaixença in Catalonia During the first Dictatorship Primo de Rivera 1923 1930 the Spanish Civil War 1936 1939 and the long Francoist era 1939 1975 Catalan language and culture were repressed yet refurbished and reconstructed at the same time This rise of a plural complex and non homogeneous Catalan identity constitutes the subject matter of this volume National conflicts that emerged later in the Spanish democratic state leaned heavily on the life engagement and vital commitment experienced by the entrenched intellectual movements of the twentieth century in Catalonia Valencian Country and the Balearic Islands This book reveals the cultural and literary grassroots of these conflicts **MLA International Bibliography of Books and Articles on the Modern Languages and Literatures**, 2006 **Romanische Bibliographie**, 1985 **Arts & Humanities Citation Index**, 1997 *Directory of American Scholars*, 1969 **The Writers Directory**, 2013 **Commonwealth Universities Yearbook**, 2003 *Writers Directory M-Z* Miranda Herbert Ferrara, 2004-06 This comprehensive resource features up to date bibliographical biographical and contact information for approximately 20 000 living authors worldwide who have at least one English publication Entries typically include name pseudonyms addresses citizenship birth date specialization career information and a bibliography Contact information includes e mail addresses where available *The Writers Directory 2008* Michelle Kazensky, 2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography *Directory of American Scholars: Foreign languages, linguistics and philology*, 1999 *Directory of American Scholars* Rita C.
