United States. National Bureau of Standards, 1955 **Summary of a Forum on Spectrum Management Policy Reform**
National Research Council, Computer Science and Telecommunications Board, Committee on Wireless Technology Prospects
and Policy Options, 2004-05-17 In 2003 the Department of Commerce's Spectrum Policy Initiative was established with the
objective of promoting a more efficient and beneficial use of the spectrum As part of that Initiative a series of public forums
about spectrum management policy was held The Computer Science and Telecommunications Board was asked to organize
one of these forums a public forum to gather the views of a variety of government and private sector stakeholders about the
impact of spectrum policy on their activities This report presents a summary of those views Among those included are those
representing national defense homeland security aviation science public safety amateur radio cellular voice and data and
terrestrial broadcast uses of the spectrum Although prepared by the NRC the report does not present NRC findings or
recommendations A broader study of spectrum policy including findings and recommendations will be issued in early 2005
