Feminisms Marie-Pier Boucher, Claire Webb, Annick Bureau, Nahum, 2024-01-25 Employing a global approach to feminist theory this book examines how scientific popular scholarly and artistic imaginations of space have since the 1950s reflected and embedded Earthly hopes anxieties and futures Rather than simply a platform for imagining the future it cultivates radical and alternative modes of inquiry around space through seeing space as a material reality that reflexively encodes humans self perceptions of their planet and beyond Bringing together essayistic reflections artworks and interviews with space scientists engineers and astronauts past and present in one volume Space Feminisms inspects the transformation of terrestrially held notions of gender race class and ableism as they migrate to the extraterrestrial whilst drawing new

connections between feminist thought and extraterrestrial power structures Space Feminisms makes a radical enquiry into how earthly power structures are already expanding into our skies facilitating a collaborative and interdisciplinary platform for scholars artists and designers to imagine radical constructions of human futures beyond Earth At the intersection of scientific cultural social and artistic speculations the book gathers leading scholars scientists artists and designers to develop innovative tactics and disruptive participations to create generative alternative and radical futures of and in space

Child of Fire, Child of Ice JB Trepagnier, 2018-04 Cendis and Avala A planet of fire and planet of ice The humans that settled there after fleeing earth noticed changes as time went on After war broke out between the planets they seemed to be cursed by their gods Cendis lost fire and Avala lost ice A truce was called and both planets cut off contact Secret factions have discovered a paradise planet The night they intend to bring it to the king a celestial event occurs The king on both planets and all of his advisors abruptly die and all of their wives no matter what their age suddenly fall pregnant The thirty two children are special They have fire and ice as well as mental gifts The faction hides them and trains them in secret The alliance between Cendis and Avala rests in the hands of the Cendian prince and the Avalian princess But when the Avalian princess sneaks into Cendis disguised as a slave things go wrong Things that threaten the lives of both groups of sixteen and could destroy both planets
