

A full-page photograph of the Space Shuttle Columbia being transported by the Crawler-Transporter at night. The shuttle is white with black and grey markings, including "USA" on the side of the orbiter. It is mounted on a large orange Mobile Launcher Platform. The Crawler-Transporter, a massive vehicle with multiple sets of continuous tracks, is moving the shuttle across a dark, reflective surface, likely a barge or a wet launch complex. The background is dark blue, and the scene is illuminated by bright lights, creating a dramatic effect. The title "SPACE SHUTTLE STORY" is printed in large, bold, white capital letters in the upper right corner.
