**Spaceship Down!** Beverley Spencer, 1993 Treat never asked to be dragged across the universe from one survey station to another She hates hyperspace travel and despises being forced to get along with other space brats Until one day when she crash lands with another space brat and they need to survive if they don't kill each other first **The Whirlwind's Ride**

Tom Anderson, 2013-02 In the distant future a man must decide if he wants to marry a crime lord's daughter and become an enforcer in galactic organized crime or should he allow a royal woman to install him in a pleasure palace so he can lead the life of a caged galactic prince while he services humanity's most powerful and most beautiful women or should he just go back to his old life of hard partying excessive drinking and occasionally fighting dangerous animals in places where modern weapons cannot be used Bob Nesslun the man who can successfully fight anyone or anything as long as it is trying to kill him feels he is being pulled in every direction He is humiliated by a female vampire who wants revenge after he made her promise to never harm him He is pursued by a crime lord's daughter who wants him as a husband because he is unbeatable in areas where modern weapons cannot be used He is seduced by an incredibly beautiful royal woman who wants to keep him in a palace that is really a very nice cage Add to the mix that he must deal with the supreme mercenaries of the galaxy that hate humans and the only species of gloriid monster that is so dangerous that ghouls hunters are forbidden to hunt them and you have THE WHIRLWIND'S RIDE

God? C. DeSalvo, 2004 This 270 page paperback book honestly and dispassionately reviews life's most important question Unlike every other book known to the author this book considers ALL MAJOR EVIDENCE AND ARGUMENTS FOR AND AGAINST GOD It reviews evidence from history literature philosophy religious documents cosmology cellular and molecular biology embryology genetics morphology structure of organisms phylogeny evolution physics archeology and other subjects And it does that in clear simple English without preaching It examines clues to design by God discovered by science in the creation and operation of the universe the earth all life and natural death It considers tough subjects including miracles Original Sin the Trinity God's origin and God's characteristics plus many other related and vital issues Finally it summarizes for the lay person those aspects of quantum mechanics general and special relativity and other sciences that are of particular importance regarding the question of God Have you been too lazy or think you're too uneducated to thoroughly research and study the truth about God Do you want to avoid ranting raving and sermons Do you want just the honest facts laid out clearly and simply Or do you already lean towards God but your belief doesn't have a solid scientific foundation Perhaps you haven't the knowledge to defend your beliefs against strong arguments that atheists throw in your face This book probably explains enough for you to make a decision to get a good start in your own investigation to build a strong foundation under your weak beliefs or to provide you with intellectual ammunition to defend your beliefs In case the above comments haven't made it crystal clear this book's answer to that pesky question Does God exist is a powerfully documented Yes *The Second Ark* Theodore R. Wade Jr., 2009-08-11 A thrilling tale of a futuristic

space odyssey with a stellar plot set in an intriguing time The story begins when a young astrophysicist finds an anomaly in the solar system that could signal the beginning of the end of the world Dr Dia Vu is stricken with a brain aneurysm while in the process of trying to warn mankind of the impending disaster and is put into a cryogenic state to protect her until she can be treated and served Her preservation allows her to be a part of the quest for a new Earth three centuries after her discovery Now Dr Vu is assigned to head a team of astrophysicist on the largest spaceship ever constructed in the history of mankind With an android and a team of the best humanity has to offer Dia Vu scouts the galaxy for a place to call home
