must leave behind the man she's fallen in love with and return to the person who betrayed her. Another layer of the war in Spain is revealed as Sophie is drawn into the international espionage schemes that could turn the tide of the war and help protect the soldiers from the International Brigade; she must find a way to get a critical piece of information to Walt in time. In *A Whisper of Freedom*, battles heat up not only those being waged by the soldiers on both sides fighting for Spain but in the hearts and minds of the men and women who must sacrifice more than their dreams in order to save the lives of their loved ones. In this meticulously researched novel, brave and idealistic Sophie, Philip, Jose, and Deion realize their only hope for freedom is escaping Spain's borders. By continuing the story of this band of volunteers during the Spanish Civil War, *A Whisper of Freedom* proves that courage and commitment don't always result in outward victory. But there are whispers of hope and freedom that resonate through even the darkest night.
