West Virginia Baseball William E.

Akin,2006-07-20 West Virginia sprang into existence as a state in the midst of the Civil War and base ball as it was called then was close on the heels of statehood A game in 1866 hosted by the Hunkidori Base Ball Club in Wheeling is considered the first match game of Base Ball Some historians contend the game spread via the movement of soldiers who were from urban areas The real roots of baseball are not the romantic image of rural boys in sandlots or lazy father son afternoons It was born and came of age as an urban sport a social pursuit of well heeled young men that in the early days often involved banquets and shows following each game The author traces the history of minor league and independent league baseball in West Virginia Baseball below the minor leagues has a rich and comparatively unexplored history and West Virginia has made substantial contributions to this legacy Chapters examine the chronological history of baseball and the larger economic and cultural changes that have influenced it Eras include baseball as a social game through 1873 the emergence of professional baseball through 1895 its second boom through 1905 the deadball era through 1920 the Martinsburg dynasty 1914 to 1934 as a miners sport 1920 to 1941 the Middle Atlantic League 1925 1942 the Mountain State League 1937 1942 the postwar years 1945 1955 the nadir 1955 1985 and A Minor Miracle 1985 2000 a chapter that heralds a comeback in the popularity of

Burk,2001-03-01 America s national pastime has been marked from its inception by bitter struggles between owners and players over profit power and prestige In this book the first installment of a highly readable comprehensive labor history of baseball Robert Burk d **The Culture and Ethnicity of Nineteenth Century Baseball** Jerrold I. Casway,2017-05-29 Evolving in an urban landscape professional baseball attracted a dedicated fan base among the inhabitants of major cities including ethnic and racial minorities for whom the game was a vehicle for assimilation But to what extent were these groups welcomed within the world of baseball and what effect did their integration or as in the case of African Americans their ultimate inability to integrate have on the culture of a pastime that had recently become a national obsession How did their mutual striving for acceptance affect relations between these minorities In deep and long lasting ways as it turns out This book provides a carefully considered portrait of baseball as both a sporting profession one with quick changing rules and roles and as an institution that reinforced popular ideas about cultural identity masculinity and American exceptionalism
