Franco, *The Cambridge History of Latin American Literature* Roberto Gonzalez Echevarría, Enrique Pupo-Walker, 1996-09-13 Volume 1 of a comprehensive three volume history of Latin American literature including Brazilian the only work of its kind [Encyclopedia of Latin American Literature](#) Verity Smith, 1997-03-26 This work is a guide to writers works and topics in Central and South America and the Caribbean It contains over 400 entries written by 160 contributors which are organized into four major types topic individual writer individual work and survey **Handbook of Latin American Literature (Routledge Revivals)** David Foster, 2015-06-11 First published in 1987 this second edition in 1992 the Handbook of Latin American Literature offers readers the opportunity to explore this literary history in the English Language and constitutes an ideological approach to Latin American Literature It provides both concise information concerning particular authors works and literary traditions of Latin America as well as comprehensive material about the various national literatures of the area This book will therefore be

of interest to Hispanic scholars as well as more general readers and non Hispanists Encyclopedia of Contemporary Latin American and Caribbean Cultures Daniel Balderston, Mike Gonzalez, Ana M. Lopez, 2000-12-07 This vast three volume Encyclopedia offers more than 4000 entries on all aspects of the dynamic and exciting contemporary cultures of Latin America and the Caribbean Its coverage is unparalleled with more than 40 regions discussed and a time span of 1920 to the present day Culture is broadly defined to include food sport religion television transport alongside architecture dance film literature music and sculpture The international team of contributors include many who are based in Latin America and the Caribbean making this the most essential authoritative and authentic Encyclopedia for anyone studying Latin American and Caribbean studies Key features include over 4000 entries ranging from extensive overview entries which provide context for general issues to shorter factual or biographical pieces articles followed by bibliographic references which offer a starting point for further research extensive cross referencing and thematic and regional contents lists direct users to relevant articles and help map a route through the entries a comprehensive index provides further guidance *Theoretical Debates in Spanish American Literature* David William Foster, Daniel Altamiranda, 1997 This volume traces the modern critical and performance history of this play one of Shakespeare s most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory **The Humanities and the Dynamics of Inclusion Since World War II** David A. Hollinger, 2006-04-14 Publisher description *The Cambridge History of Latin America* Leslie Bethell, 1984 Volume III looks at the period of history in Latin America from independence to c 1870

Concise Encyclopedia of Latin American Literature Verity Smith, 2014-01-14 The Concise Encyclopedia includes all entries on topics and countries cited by many reviewers as being among the best entries in the book entries on the 50 leading writers in Latin America from colonial times to the present and detailed articles on some 50 important works in this literature those who read and studied in the English speaking world **Latin American Fiction** Phillip Swanson, 2008-04-15 This book introduces readers to the evolution of modern fiction in Spanish speaking Latin America Presents Latin American fiction in its cultural and political contexts Introduces debates about how to read this literature Combines an overview of the evolution of modern Latin American fiction with detailed studies of key texts Discusses authors such as Mario Vargas Llosa Gabriel Garc a M rquez Jorge Luis Borges and Isabel Allende Covers nation building narratives modernismo the New Novel the Boom the Post Boom Magical Realism Hispanic fiction in the USA and more *Latin American Literature in Transition 1930-1980: Volume 4* Amanda Holmes, Par Kumaraswami, 2022-12-08 Latin American Literature in Transition 1930 1980 explores the literary landscape of the mid twentieth century and the texts that were produced during that period It takes four core areas of thematic and conceptual focus solidarity aesthetics and innovation war revolution and dictatorship metropolis and ruins and employs them to explore the complexity heterogeneity and hybridity of form genre subject matter and discipline that characterised literature from the period In doing so it uncovers the points of transition connection

contradiction and tension that shaped the work of many canonical and non canonical authors It illuminates the conversations between genres literary movements disciplines and modes of representation that underpin writing form this period Lastly by focusing on canon and beyond the volume visibilizes the aesthetics poetics politics and social projects of writing incorporating established writers but also writers whose work is yet to be examined in all its complexity

Revolutionary Subjects Jamie H. Trnka, 2015-03-10 *Revolutionary Subjects* explores the literary and cultural significance of Cold War solidarities and offers insight into a substantial and under analyzed body of German literature concerned with Latin American thought and action It shows how literary interest in Latin America was vital for understanding oppositional agency and engaged literature in East and West Germany where authors developed aesthetic solidarities that anticipated conceptual reorganizations of the world connoted by the transnational or the global Through a combination of close readings contextual analysis and careful theoretical work *Revolutionary Subjects* traces the historicity and contingency of aesthetic practices as well as the geocultural grounds against which they unfolded in case studies of Volker Braun F C Delius Hans Magnus Enzensberger and Heiner Müller The book's cultural and comparative approach offers an antidote to imprecise engagements with the transnational historicizing critical impulses that accompany the production of disciplinary boundaries It paves the way for more reflexive debate on the content and method of German Studies as part of a broader landscape of world literature comparative literature and Latin American Studies

A Companion to Spanish-American Literature Stephen M. Hart, 1999 There are also separate sections on the modernistas and postmodernismo avant garde poetry in the twentieth century and the Boom novel A final chapter is dedicated to an analysis of some recent developments within the Spanish American literary canon such as the post Boom novel with a separate section on women writers testimonio Latino literature the gay lesbian novel and Afro Hispanic literature
