Spanish-Language Newspapers in New Mexico, 1834-1958 A. Gabriel Meléndez, 2005-01-01 For more than a century Mexican American journalists used their presses to voice socio historical concerns and to represent themselves as a determinant group of communities in Nuevo M xico a particularly resilient corner of the Chicano homeland This book draws on exhaustive archival research to review the history of newspapers in these communities from the arrival of the first press in the region to publication of the last edition of Santa Fe s El Nuevo Mexicano Gabriel Mel ndez details the education and formation of a generation of Spanish language journalists who were instrumental in creating a culture of print in nativo communities He then offers in depth cultural and literary analyses of the texts produced by los periodiqueros establishing them thematically as precursors of the Chicano literary and political movements of the 1960s and 70s Moving beyond a simple effort to reinscribe Nuevomexicanos into history Mel ndez views these newspapers as cultural productions and the work of the editors as an organized movement against cultural erasure amid the massive influx of easterners to the Southwest Readers will find a wealth of information in this book But more important they will come away with the sense that the survival of Nuevomexicanos as a culturally and politically viable group is owed to the labor of this brilliant generation of newspapermen who also were statesmen scholars and creative writers Forgotten Futures, Colonized Pasts Cara Anne Kinnally, 2019-05-17 Forgotten Futures Colonized Pasts traces the existence of a now largely forgotten history of inter American alliance making transnational community formation and intercultural collaboration between Mexican and Anglo American elites This communion between elites was often based upon Mexican elites own acceptance and reestablishment of problematic socioeconomic cultural and ethno racial hierarchies that placed them above other groups the poor working class indigenous or Afro Mexicans for example within their own larger community of Greater Mexico Using close readings of literary texts such as novels diaries letters newspapers political essays and travel narratives produced by nineteenth century writers from Greater Mexico Forgotten Futures Colonized Pasts brings to light the forgotten imaginings of how elite Mexicans and Mexican Americans defined themselves and their relationship with Spain Mexico the United States and Anglo America in the nineteenth century These lost discourses long ago written out of official national narratives and discarded as unrealized or impossible avenues for identity and nation formation reveal the rifts fractures violence and internal colonizations that are a foundational but little recognized part of the history and culture of Greater Mexico Published by Bucknell University Press Distributed worldwide by Rutgers University Press **Writing/Righting History: Twenty-Five Years of Recovering the US Hispanic Literary Heritage** Antonia Castañeda, Clara Lomas, 2019-04-30 The tenth volume in the Recovering the US Hispanic Literary Heritage Series this collection of essays reflects on the twenty fifth anniversary of the project s efforts to locate identify preserve and disseminate the literary contributions of US Latinos from the Spanish Colonial Period to contemporary times Essays by scholars recalling the beginnings of the project cover a wide range of topics
