Spanish for Medical Personnel and Spanish for Law Enforcement and Spanish Phrasebook for Medical and Social Services Professionals, Sixth Edition and Spanish for Teaching, Fifth Edition Jarvis, 2002-07-01

The Social Work Dictionary Robert L. Barker, 2003

Encyclopedia of Community Policing and Problem Solving Kenneth J. Peak, 2013-05-28 Community policing as a philosophy supports the systematic use of partnerships and problem solving techniques to proactively address the immediate conditions that give rise to public safety issues including crime social disorder and fear of crime as opposed to responding to crime after it occurs. Community policing expands the traditional police mandate. It broadens the focus of fighting crime to include solving community problems and forming partnerships with people in the community so average citizens can contribute to the policing process. Originating during police reform efforts of the 1970s the philosophy of community policing is currently widespread and embraced by many citizens police administrators scholars and local and federal politicians. What sorts of collaborative partnerships have evolved between policing agencies and the individuals and communities they serve? How do police departments engage in systematic examination of identified problems to develop effective responses? How have police departments aligned their organizational structures to best support community partnerships and proactive problem solving? Just how effective have efforts at community policing been? These questions and more are explored within the pages of this new reference work. Features: A collection of 150 to 175 entries are organized in A to Z fashion in one volume available in both electronic and print formats. Signed entries authored by significant figures in the field each conclude with Cross References and Suggestions for Further Readings to guide students to in depth resources. Brief What Works case studies within appropriate entries profile community policing programs and strategies as tried in various cities and communities. Although organized in A to Z fashion a thematic Reader's Guide in the front matter groups related entries by broad topic areas e.g. Foundations Methods Legislation Changing Agency Culture Planning Training Assessment etc. Also included in the front matter a Chronology provides students with historical perspective of the development of community policing. The entire work concludes with a Resources appendix listing classic books journals and associations followed by a comprehensive Index.

Social Work and Social Welfare Katherine S. Van Wormer, Rosemary J. Link, 2018 Infused with relevant personal narratives and photographs *Social Work and Social Welfare* provides a global human rights perspective on social welfare policies that are at the forefront of controversy in today's world e.g. immigration policies environmental sustainability health

care housing food insecurity and income wealth inequality Social Work and Social Welfare Katherine van Wormer, Rosemary J. Link, 2018-03-28 Unique in its use of a human rights framework Social Work and Social Welfare goes beyond American borders to examine U S government policies including child welfare social services health care and criminal justice within a global context Guided by the belief that forces from the global market and predominant political ideologies affect all social workers in their practice the book addresses a wide range of relevant topics including the refugee journey the impact of new technologies war trauma environmental justice and restorative justice As a general textbook the content is organized to follow outlines for basic introductory and more advanced courses examining social welfare programs policies and issues *The Oxford Dictionary of Abbreviations* ,1992 *Practical Spanish for the Working Lawman* Gary L. Ermoian, 2011-05-25 Law Enforcement Officers evaluation comments relating to Gary L Ermoian and Practical Spanish for the Working Lawman Gary is one of the better instructors His material is well organized and he has an excellent presentation I progressed from no understanding of Spanish to being able to understand enough to answer simple questions It was directed at the language a police officer needs I learned a great deal more than I thought I would about Spanish and can now communicate effectively with Hispanics in the field situations I frequently encounter non English speaking Hispanics and I will find this course helpful I have seen a general increase in Spanish speaking people in Concord It taught me language I can use at work Gives a strong start very up to date and practical Gary has an excellent teaching mannerism perfect for cops I feel that I learned a lot I'm inspired to try to learn more Spanish Good phrases that are appropriate in law enforcement I now feel that I can communicate on a basic level in Spanish It is very helpful today to speak some Spanish in law enforcement I had two semesters of Spanish and I got more out of this than both semesters Content and vocabulary very appropriate for a police officer's needs More and more I find the need for understanding and speaking Spanish Practical Spanish for the Working Lawman Very practical use of the language and should assist in doing the job better My comprehension of Spanish has augmented considerably since the completion of this course It was designed for the specifics of our occupation This instructor was very good he was understanding considerate and easy to learn from Provides a necessary background in Spanish for the use on the street It provides assistance with a language that officers run into more and more The book and tape are organized very well and flow together very well I learned practical phrases for everyday use on the street It will help me to communicate more efficiently with people who speak Spanish Practical Spanish for the Working Lawman very well presented Organized and covered the necessary basics to start us speaking Spanish Well organized and easy to understand I feel I have a good basic understanding now so that I can work further on it Spanish myself **Language Program Vitality in the United States** Emily Heidrich Uebel, Felix A. Kronenberg, Scott Sterling, 2023-11-09 The perception of a permanent enrollment crisis in US postsecondary foreign language education has shaped our profession's image for an entire generation of educators Over the past 30 years this crisis rarely invited self

examination or inspired creativity Instead it was routinely attributed to external factors shrinking budgets unsympathetic administrators disengaged students This volume is refreshingly optimistic After providing a nuanced picture of the complex enrollment situation and focusing on perceptions of language education among undergraduate students the volume features an inspiring panorama of successful models that revitalized language programs at a wide range of institutions The diversity of approaches to post secondary language education in the United States featured in this volume highlights that there are no simple one size fits all solutions To be transformational initiatives need to be intimately calibrated to the evolving needs and desires of our institutions most important stakeholder the student Per Urlaub Massachusetts Institute of Technology MA USA
