Looking for Transwonderland Noo Saro-Wiwa,2012-09-01 A remarkable chronicle of a journey back to this West African nation after years of exile The New York Times Book Review Noo Saro Wiwa was brought up in England but every summer she was dragged back to visit her father in Nigeria a country she viewed as an annoying parallel universe where she had to relinquish all her creature comforts and sense of individuality After her father activist Ken Saro Wiwa was killed there she didn t return for several years Then she decided to come to terms with the country her father given his life for Traveling from the exuberant chaos of Lagos to the calm beauty of the eastern mountains from the eccentricity of a Nigerian dog show to the decrepit kitsch of the Transwonderland Amusement Park she explores Nigerian Christianity delves into the country s history of slavery examines the corrupting effect of oil and ponders the huge success of Nollywood She finds the country as exasperating as ever and frequently despairs at the corruption and inefficiency she encounters But she also discovers that it is far more beautiful and varied than she had ever imagined with its captivating thick tropical rain forest and ancient palaces

and monuments and most engagingly and entertainingly its unforgettable people The author allows her love hate relationship with Nigeria to flavor this thoughtful travel journal lending it irony wit and frankness Kirkus Reviews **Time Out Rome** Editors of Time Out,2011-08-03 Written by local experts Time Out Rome provides extensive coverage of the major sights and then goes much further Featuring everything from born again trattorie to the burgeoning aperitif trend it offers visitors the chance to experience the Eternal City as the Romans do History in Rome is not confined to museums basilicas and galleries it tumbles out everywhere And though the city is reassuringly compact this does not stop the cultural onslaught from being utterly bewildering and exhausting While some travelers may have to face the fact that they probably won't see everything it is also important not to shut oneself up inside all day looking at collections and sites or you will miss all that the outdoor scene has to offer Time Out Rome helps travelers navigate through the cobblestone streets so that they can eat drink and shop like the natives Suggested side trips out of town are also explored **The British Government and the Spanish**

Civil War, 1936-1939 Jill Edwards,1979-06-17 *Flight* ,1909 **Official Records** ,1967 Documents on British Foreign Policy, 1919-1939 Great Britain. Foreign Office,1946 Her Majesty's government in the United Kingdom have decided to publish the most important documents in the Foreign Office archives relating to British foreign policy between 1919 and 1939 in three series the 1st ser covering from 1919-1930 the 2d from 1930-39 the 3d from Mar 1938 to the outbreak of the War **U.S. Air Services** ,1919 **The Spanish Civil Wars** Mark Lawrence,2017-02-09 CHOICE Outstanding Academic Title 2017 This book provides a comparative history of the domestic and international nature of Spain's First Carlist War 1833-40 and the Spanish Civil War 1936-39 as well as the impact of both conflicts The book demonstrates how and why Spain's struggle for liberty was won in the 1830s only for it to be lost one hundred years later It shows how both civil wars were world wars in miniature fought in part by foreign volunteers under the gaze and in the political consciousness of the outside world Prefaced by a short introduction The Spanish Civil Wars is arranged into two domestic and international sections each with three thematic chapters comparing each civil war in detail The main analytical perspectives are political social and new military history in nature but they also explore aspects of gender culture nationalism and separatism economy religion and especially the war in its international context The book integrates international archival research with the latest scholarship on both subjects and also includes a glossary a bibliography and several images It is a key resource tailored to the needs of students and scholars of modern Spain which offers an intriguing and original new perspective on the Spanish Civil War

Indian Skyways; the Aviation Journal of Asia ,1954 **The Rotarian** ,2008-09 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine Culture in Camouflage Patrick Deer,2009-03-26 Culture in Camouflage aims to remap the history of British war culture by insisting on the centrality and importance of the literature of

the Second World War The book offers the first comprehensive account of the emergence of modern war culture arguing that its exceptional forms and temporalities force us to reappraise British cultural modernity The book explores how writers like Ford Madox Ford Siegfried Sassoon Wilfred Owen T E Lawrence Winston Churchill Elizabeth Bowen Virginia Woolf James Hanley Rex Warner Alexander Baron Keith Douglas Henry Green and Graham Greene contested the dominant narratives of war projected by an enormously powerful and persuasive mass media and culture industry Patrick Deer reads war literature as one element in an expanded cultural field which also includes popular culture and mass communications the productions of war planners and military historians projections of new technologies of violence the fantasies and theories of strategists and the material culture of total war Modern war cultures Deer contends are defined by their drive to normalize conflict and war making by their struggle to colonize the entire wartime cultural field and by their claim to monopolize representations and interpretation of the conflict But the mobilization of cultural formations during wartime reveals at times glaringly the constitutive contradictions at the heart of modern ideas of culture The Great War failed to produce a popular war culture on the home front producing instead an extraordinary literature of protest yet the strategists struggled to regain their oversight over both the enemy across no man s land and the minds and bodies of their own mass conscript armies The interwar years saw a massive effort to make strategic fantasies a reality if the technology of imperial air power or mobile armoured warfare did not yet exist culture could be mobilized to shore up the ramshackle war machine During World War Two a fully fledged British war culture emerged triumphant in time of national crisis offering the vision of a fully mobilized island fortress a loyal empire and a modernized war machine ready to wage a futuristic war of space and movement This was the struggle that British World War Two writers confronted with extraordinary courage and creativity **Travel Smart** ,2004-04
