brought music to the people of the villages of New Mexico in a time when little else was available to lift the hearts of la gente. In this book materials collected between 1936 and 1941 are assembled in five separate units. Units 1, 2, and 3 are comprised of a series of Hispano folk songs with transcribed melodies and English translations of lyrics. We are fortunate to have this taste of Hispano music of New Mexico from the early twentieth century now available to all. It is integral and vital to the repertoire of musical lore that greatly enhances New Mexico's heritage.
