Contemporary Mexican Women Writers Gabriella de Beer,2010-06-28 Mexican women writers moved to the forefront of their country s literature in the twentieth century Among those who began publishing in the 1970s and 1980s are Maria Luisa Puga Silvia Molina Brianda Domecq Carmen Boullosa and Angeles Mastretta Sharing a range of affinities while maintaining distinctive voices and outlooks these are the women whom Gabriella de Beer has chosen to profile in Contemporary Mexican Women Writers De Beer takes a three part approach to each writer She opens with an essay that explores the writer s apprenticeship and discusses her major works Next she interviews each writer to learn about her background writing and view of herself and others Finally de Beer offers selections from the writer s work that have not been previously published in English translation Each section concludes with a complete bibliographic listing of the writer s works and their English translations These essays interviews and selections vividly recreate the experience of being with the writer and sharing her work hearing her tell about and evaluate herself and reading the words she has written The book will be rewarding reading for everyone who enjoys fine writing

Spanish American Women's Use of the Word Stacey Schlau,2022-10-18 Women s participation both formal and informal in the creation of what we now call Spanish America is reflected in its literary legacy Stacey Schlau examines what women from a wide spectrum of classes and races have to say about the societies in which they lived and their place in them Schlau has written the first book to study a historical selection of Spanish American women s writings with an emphasis on social and political themes Through their words she offers an alternative vision of the development of narrative genres critical fictional and testimonial from colonial times to the present The authors considered here represent the chronological yet nonlinear development of women s narrative They include Teresa Romero Zapata accused before the Inquisition of being a false visionary In s Su rez nun and writer of spiritual autobiography Gertrudis G mez de Avellaneda author of an indigenist historical romance Magda Portal whose biography of Flora Trist n furthered her own political agenda Dora Alonso who wrote revolutionary children s books Domitila Barrios de Chungara political leader and organizer Elvira Orph e whose novel unpacks the psychology of the torturer and several others who address social and political struggles that continue to the present day Although the writers treated here may seem to have little in common all sought to maneuver through institutions and systems and insert themselves into public life by using the written word often through the appropriation and modification of mainstream genres In examining how these authors stretched the boundaries

of genre to create a multiplicity of hybrid forms Schlaug reveals points of convergence in the narrative tradition of challenging established political and social structures Outlining the shape of this literary tradition she introduces us to a host of neglected voices as well as examining better known ones who demonstrate that for women simply writing can be a political act *The Undergraduate's Companion to Women Poets of the World and Their Web Sites* Katharine A. Dean, 2004-03-30 Devoted exclusively to women poets this volume in the Undergraduate Companion Series presents students with an abundance of important resources necessary for 21st century literary research The most authoritative informative and useful Web sites and print resources have carefully been selected and compiled in a bibliographic guide to the introductory works of 221 women poets who write in English or have works available in English translation Representing more than 25 nationalities worldwide the women included in this volume have each contributed significantly to the genre of poetry For each author you will find concise lists of the best Web sites and printed sources including biographies criticisms dictionaries handbooks indexes concordances journals and bibliographies [Bibliography in Literature, Folklore, Language and Linguistics](#) David William Foster, James R. Kelly, 2003-02-11 While the academic world devoted to literary study has been absorbed with new and distinct forms of literary criticism bibliography has received scant attention much less than in former times when it was understood as more than just an aid to research Enormous changes have taken place in enumerative bibliography over the past thirty years especially with the widespread use of computers but these changes have gone unrecognized as bibliography has gone unappreciated This work is a collection of essays concentrating exclusively on bibliography and its uses in the academic world especially in literature folklore language and linguistics The book begins with a discussion of what bibliography is what it does and how to create the optimum bibliography Other subjects include bibliography and postcolonialism critical theory and bibliography in cross disciplinary environments issues and problems with tools for feminist and women's studies scholars in literature strategies for the incorporation of pluridisciplinary work bibliographical databases and databased bibliographies and ideas for the future of the MLA International Bibliography
