Frederick R. Benson

Spanish Civil War In Literature:

The Spanish Civil War in Literature Janet Pérez, Wendell M. Aycock, 1990 Few events have stirred the emotions and caught the imaginations of intellectuals as did the Spanish Civil War of 1936-39. *The Spanish Civil War in Literature* examines the diverse literatures that the war inspired: a literature relating directly to the war; a literature of exile arising from the forty-year dictatorship of Francisco Franco; and a polemical literature embracing pro-Franco and Loyalist sympathies. In this book, specialists from a variety of fields explore these literatures within comparative and interdisciplinary frameworks. They reflect upon film, poetry, novels, painting, discourse, biography, and propaganda. The essays are grouped according to the original languages of the works they discuss: French, Russian, English, and Spanish. **Writers in Arms** Frederick R. Benson, 1967

The Spanish Civil War in Literature, Film, and Art Peter Monteath, 1994-09-30 This bibliography is the first attempt to establish a comprehensive list of secondary material relating to the Spanish Civil War in literature, film, and art. It includes books, articles, and chapters in a wide range of languages including Spanish, English, Russian, French, German, and Italian. Monteath begins the work with an introductory essay surveying the breadth of the scholarship on the cultural manifestations of the war, which he places in its broader cultural and historical context. The bibliography is organized alphabetically within sections devoted to literature, film, and art, and a general subject index completes the work. Anyone interested in the fiction of Hemingway, the film of Ivens, the art of Picasso, and many of the key figures in Western culture of the 1930s will find this work of value. **Spanish Women Writers and Spain's Civil War** Maryellen Bieder, Roberta Johnson, 2019-12-12 The Spanish Civil War, 1936-1939, pitted conservative forces including the army, the Church, the Falange fascist party, landowners, and industrial capitalists against the Republic installed in 1931 and supported by intellectuals, the petite bourgeoisie, many campesinos, farm laborers, and the urban proletariat. Provoking heated passions on both sides, the Civil War soon became an international phenomenon that inspired a number of literary works reflecting the impact of the war on foreign and national writers. While the literature of the period has been the subject of scholarship, women's literary production has not been studied as a body of work in the same way that literature by men has been, and its unique features have not been examined. Addressing this lacuna in literary studies, this volume provides fresh perspectives on well-known women writers as well as less-studied ones whose works take the Spanish Civil War as a theme. The authors represented in this collection reflect a wide range of political positions. Writers such as Maria Zambrano, Merc Rodoreda, and Josefina Aldecoa were clearly aligned with the Republic, whereas others including Mercedes Salisachs and Liberata Masoliver sympathized with the Nationalists. Most, however, are situated in a more ambiguous political space, although the ethics and character portraits that emerge in their works might suggest Republican sympathies. Taken together, the essays are an important contribution to scholarship on literature inspired by this pivotal point in Spanish history. *Spanish Women Writers and Spain's Civil War* Maryellen Bieder, Roberta Johnson, 2016-12-01 The Spanish Civil War, 1936-1939, pitted conservative forces including the army, the
