Spanish Comedy And Contexts In The 1620s

Alexander Samson, Jonathan Thacker

Spanish Comedy And Contexts In The 1620s:

A Companion to Lope de Vega Alexander Samson, Jonathan Thacker, 2008 An assessment of the life work and reputation of Spain's leading Golden Age dramatist *A Companion to Lope de Vega* brings together work by leading international scholars on the life and writing of Lope de Vega Carpio the *fénix de los ingenios* a monstruo de la naturaleza as he was described by his rival Miguel de Cervantes Spain's foremost Golden Age playwright was in addition a major artist in prose and poetry genres also covered by the Companion The contributions evaluate current critical debates and issues in Lope de Vega studies as well as providing new readings of key texts The volume attempts to do justice to the variety profusion and originality of Lope's output and to outline the contours of his reputation as an artist in literary history as well as firmly contextualising his life and work The variety of critical perspectives reflects the liveliness of debate surrounding this enduringly popular figure whose drama has recently enjoyed a renaissance in theatres around the globe ALEXANDER SAMSON lectures in Golden Age literature at University College London and JONATHAN THACKER is a Fellow in Spanish at Merton College Oxford Contributors Frederick De Armas Elaine Canning Geraldine Coates Victor Dixon Geraint Evans Tyler Fisher Edward H Friedman Alejandro García Reidy Esther Gómez David Johnston Arantza Mayo David McGrath Barbara Mujica Ali Rizavi Jos María Ruano de la Haza Alexander Samson Jonathan Thacker Isabel Torres Xavier Tubau Duncan Wheeler

Role-play and the World as Stage in the Comedia Jonathan Thacker, Professor of Golden Age Spanish Literature Jonathan Thacker, 2002-01-01 The *theatrum mundi* metaphor was well known in the Golden Age and was often employed notably by Calderón in his religious theatre However little account has been given of the everyday exploitation of the idea of the world as stage in the mainstream drama of the Golden Age This study examines how and why playwrights of the period time and again created characters who dramatize themselves who reinvent themselves by performing new roles and inventing new plots within the larger frame of the play The prevalence of metatheatrical techniques among Golden Age dramatists including Lope de Vega Tirso de Molina Calderón de la Barca and Guillén de Castro reveals a fascination with role playing and its implications Thacker argues that in comedy these playwrights saw role playing as a means by which they could comment on and criticize the society in which they lived and he reveals a drama far less supportive of the social status quo in Golden Age Spain than has been traditionally thought to be the case [Spanish Comedies and Historical Contexts in the 1620s](#) William R. Blue, 1966

Echoes and Inscriptions Barbara Simerka, Christopher B. Weimer, 2000 Essays compare early modern Spanish writers to their contemporaries in other countries and to modern Spanish and Latin American literature [The Discourse of Courtly Love in Seventeenth-century Spanish Theater](#) Robert Elliott Bayliss, 2008 By engaging in dialogue the voices of both male and female writers who participated both in the broader courtly love tradition and in the theatrical production of early modern Spain this book demonstrates that all representations of desire are gender inflected

A New Anthology of Early Modern Spanish Theater Barbara Louise Mujica, 2015-01-01 An anthology of plays from the

Spanish Golden Age contains the full text of 15 plays an introduction to each play with information about the author the work performance issues and current criticism and glossaries with definitions of difficult words and concepts **The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture** Rodrigo Cacho Casal,Caroline Egan,2022-05-01 The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture introduces the intellectual and artistic breadth of early modern Spain from a range of disciplinary and critical perspectives Spanning the sixteenth and seventeenth centuries a period traditionally known as the Golden Age the volume examines topics including political and scientific culture literary and artistic innovations and religious and social identities and institutions in transformation The 36 chapters of the volume include both expert overviews of key topics and figures from the period as well as new approaches to understudied questions and materials This invaluable resource will be of interest to advanced students and scholars in Hispanic studies as well as Renaissance and early modern studies more generally **Treating the Public** Rachael Ball,2017-04-10 In Treating the Public Rachael Ball presents a comparative history of commercial theater public opinion and charitable organizations in eight cities across the Spanish and Anglo Atlantic worlds during the sixteenth and seventeenth centuries This innovative study uncovers the rapid expansion of public drama into urban daily life in the Spanish Atlantic revealing the means by which men and women provided and sought theatrical entertainment while practicing Catholic piety and working to aid the poor Ball focuses her analysis on the theaters of Madrid Seville Mexico City and Puebla de los Angeles which she compares to English speaking theaters throughout the Atlantic world in cities and towns including London Bristol Dublin and Williamsburg Virginia Ball shows how the corrales de comedias or inn yard theaters became staples of city life throughout Spain and the Spanish Atlantic This development stemmed she argues from a tremendous output of dramatic works and from the theaters charitable activities that included donating a percentage of admission fees to hospitals and orphanages As a result groups like theatrical companies religious lay brotherhoods city leaders and hospitals forged collaborative relationships which at once allowed the corrales to flourish and protected theaters as charitable institutions Ball highlights the uniqueness of this system by contrasting it with public drama in England where financial dependence on courtly and noble patronage slowed the spread of regular theatrical performances to provincial cities and colonial centers Using an array of archival and print sources Ball links the largely disconnected national histories of Spanish English and colonial American theaters Treating the Public uncovers the depth of the comedia tradition that flourished in early modern Spain as well as the geographic scope of the Spanish theater as a political social and cultural institution **A Companion to Golden Age Theatre** Jonathan Thacker,2007 Spain s artistic Golden Age produced Cervantes s great novel Don Quijote the sublime poetry of Quevedo and Gongora and nurtured the prodigious talent of Velazquez and yet it was the theatre that captured the imagination of its people Men and women of all social classes flocked to the new playhouses to see and hear the latest offerings of their favourite dramatists and to be seen and heard As well as dealing with the lives and

major works of the most significant playwrights of the period Lope de Vega Tirso de Molina Miguel de Cervantes Calderón de la Barca the Companion focusses on other aspects of the growth and maturing of Golden Age theatre reflecting the interests and priorities of modern scholarship These include the sixteenth century origins of the comedia nueva the lesser known dramatists including women playwrights life in the theatre the Corpus Christi street theatre and minor genres performance studies and the critical reception of the drama The Companion also contains a guide to comedia versification a full bibliography and advice on further reading JONATHAN THACKER is a Fellow of Merton College Oxford

La discreta enamorada / The Cleverest Girl in Madrid Donald R. Larson, Susan Paun de García, 2022-01-13 This book is a Spanish English edition of Lope de Vega's *La discreta enamorada* The core of the book consists of two texts a critical edition of Lope's play in Spanish and Donald R Larson's English translation/adaptation of that work Common to the two texts are explanatory notes focusing on historical cultural and literary references The Spanish text is further clarified by elucidations of difficult words or passages The texts are preceded by a substantial introduction discussing conventions of comedy the comedia de capa y espada and its variation known as the comedia urbana the political social and economic contexts of early 17th century Madrid and are followed by a critical apparatus that lists important variants that may be found in previous editions of Lope's play

Knowing Subjects Barbara Simerka, 2013-04-15 In *Knowing Subjects* Barbara Simerka uses an emergent field of literary study cognitive cultural studies to delineate new ways of looking at early modern Spanish literature and to analyze cognition and social identity in Spain at the time Simerka analyzes works by Cervantes and Gracían as well as picaresque novels and comedias Employing an interdisciplinary approach she brings together several strands of cognitive theory and details the synergies among neurological anthropological and psychological discoveries that provide new insights into human cognition Her analysis draws on Theory of Mind the cognitive activity that enables humans to predict what others will do feel think and believe Theory of Mind looks at how primates including humans conceptualize the thoughts and rationales behind other people's actions and use those insights to negotiate social relationships This capacity is a necessary precursor to a wide variety of human interactions both positive and negative from projecting and empathizing to lying and cheating Simerka applies this theory to texts involving courtship or social advancement activities in which deception is most prevalent and productive In the process she uncovers new insights into the comedia especially the courtship drama and several other genres of literature including the honor narrative the picaresque novel and the courtesy manual She studies the construction of gendered identity and patriarchal norms of cognition contrasting the perspectives of canonical male writers with those of recently recovered female authors such as María de Zayas and Ana Caro She examines the construction of social class intellect and honesty and in a chapter on *Don Quixote* cultural norms for leisure reading at the time She shows how early modern Spanish literary forms reveal the relationship between an urbanizing culture unstable subject positions and hierarchies and social anxieties about cognition and cultural transformation

The Plays of Juan Ruiz de Alarcón Jules

Whicker, 2003 Arising from neo stoic interpretations of prudence Alarcon s identification of the successful manipulation of illusion as a moral art serves as a defence of the comedia and offers an alternative to the supposed moral irresponsibility of Lope de Vega Jacket The Drama of the Portrait: Theater and Visual Culture in Early Modern Spain , Examines theater and portraiture as interrelated social practices in seventeenth century Spain Features visual images and cross disciplinary readings of selected plays that employ the motif of the painted portrait to key dramatic and symbolic effect *Conscience on Stage* Hilaire Kallendorf, 2007-01-01 It is no accident that some variation of the question What should I do appears in over three quarters of the comedic plays of the Spanish Golden Age Casuistical dialogue was a concern even an obsession of Spanish playwrights during the seventeenth century many of whom were educated by Jesuit casuists *Conscience on Stage* is a study of casuistry or case morality as the foundation for a poetics of seventeenth century Spanish em comedias Hilaire Kallendorf examines the Jesuit upbringing and casuistical education of major playwrights of the Spanish Golden Age many of whom were also priests and introduces the vocabulary of casuistry as expressed in both confessors manuals and in stage plays Engaging issues of class gender and age to explore scenes of advice giving and receiving she demonstrates how the culture specific construct of conscience in early modern Spain can be recovered by means of a Foucauldian genealogy which enlists the skills of philology at the service of a larger vision of the history of ideas This study outlines and reiterates the relationship of theatre to casuistry the Jesuit contributions to Spanish literary theory and practice and the importance of casuistry for the study of early modern subjectivity *Reception of Northrop Frye* , 2021-09-23 The Reception of Northrup Frye takes a thorough accounting of the presence of Frye in existing works and argues against Frye s diminishing status as an important critical voice **Tirso de Molina: Jealous of Himself** , 2012-06-01 Tirso de Molina s *Jealous of Himself* c 1622 23 is an ingenious comedy of disguise and deception set in the streets plazas and fashionable apartments of early 17th century Madrid A Companion to Calderón de la Barca Roy Norton, Jonathan Thacker, 2021 The first comprehensive study of Calder n in English Pedro Calder n de la Barca 1600 1681 is one of the most important dramatists many would say the single most important dramatist of the Spanish Golden Age Spain s dominant and most prestigious playwright for much of the seventeenth century his work is still regularly staged and translated influential in more recent times on writers as diverse as Schiller Shelley and Lorca The author of around 120 plays not counting his numerous Corpus Christi autos in a variety of styles Calder n is most famous for his stirring dramas characterized by rhetorically powerful poetry dramatic structures carefully calibrated to produce poignant echoes and the fizzing intellectual energy they apply to the age s ontological eschatological and political preoccupations His plays succeed in combining these perennial concerns with compelling plots subtle enough to defy definitive interpretation As this volume seeks to show however Calder n s comedies deserve equal recognition Too long stereotyped as a dour cerebral conservative this playwright s comic works are as amusing as they are clever This Companion is the first comprehensive study of Calder n in English It provides a rigorous but readable

introduction to the man his work and its legacy Its chapters written by leading international comedia specialists provide an overview of his life explain his intellectual social moral and literary contexts and examine his stagecraft his corpus and his reception both within and without the Hispanic world up to the twenty first century Specific chapters are devoted to La vida es sue o his most famous work which appears on many a university syllabus and to his infamous wife murder plays **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index The Best Books for Academic Libraries ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers *W.S. Gilbert and the Context of Comedy* Richard Moore,2019-06-03 To what extent is a great comic writer the product of his time How far is he or she influenced by factors of personal psychology upbringing and environment To what is the writing actually part of a long continuum in which there is continuity within change and change within continuity The Progress of Fun considers principally the last of these areas focussing on the case of W S Gilbert and challenging the frequently held view that he is pre eminently a typical Victorian This it does by tracing his roots back to Ancient Greek comedy and to the various comedic developments that have dominated Western Europe thereafter Also included is a careful examination of the constraints and limitations that in various forms have long affected comedy writing and an evaluation of Gilbert s particular skills and legacy within the on going process The whole is a suitable prelude to a second volume Pipes and Tabors which will consider Genre in W S Gilbert again relating it to comedic precedents and the universally timeless within the particular

If you ally habit such a referred **Spanish Comedy And Contexts In The 1620s** books that will manage to pay for you worth, get the completely best seller from us currently from several preferred authors. If you desire to funny books, lots of novels, tale, jokes, and more fictions collections are furthermore launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all books collections Spanish Comedy And Contexts In The 1620s that we will categorically offer. It is not all but the costs. Its very nearly what you obsession currently. This Spanish Comedy And Contexts In The 1620s, as one of the most practicing sellers here will agreed be among the best options to review.
