

# Spanishamerican War 1898

**Richard Handfield Titherington**

## **Spanish American War 1898:**

*The War with Spain in 1898* David F. Trask, 1981 Remember the Maine The war cry spread throughout the United States after the American battleship was blown up in Havana harbor on February 15 1898 Americans already sympathetic with Cuba's struggle for independence from Spain demanded action Brief and decisive not too costly the Spanish American War made the United States a world power David F Trask's War with Spain in 1898 is a cogent political and military history of that splendid little war It describes the failure of diplomacy the state of preparedness of both sides the battles including those of Theodore Roosevelt and his Rough Riders the enlargement of conflict to rout the Spanish from Puerto Rico and the Philippines and the misconceptions surrounding the war

**The Spanish-American War, 1898**, 1998 The paper focuses on the following questions concerning the Spanish American War SP WAR What were the causes of the SP War What strategic principles were applied in the SP War What influence did the strategic thinkers of the day have on the SP War What was the state of readiness of the combatants What was the effect of disparate technologies that were used in the SP War What was the nature of the ground campaign What effect did naval forces have on the strategic aspects of the war To what extent did the American ground and naval forces cooperate operationally and why was it necessary for them to do so How were IV joint operations% coordinated What was the command structure Was there anything in the command structure that resembled our modern concept of joint command Was there any unity of command principle applied What were the strategic implications of the outcome of the war What effect did the SP War have on attempts to improve future readiness of American forces

**European Perceptions of the Spanish-American War of 1898** Sylvia L. Hilton, Steve Ickringill, 1999 Bern Berlin Bruxelles Frankfurt M New York Wien This book consists of ten essays focussing on reactions in different parts of Europe to the Spanish American War of 1898 Largely the concentration is on the work of journalists publicists politicians and other self-conscious framers of public opinion An attempt is also made to discover how such people gained their information on the War and then tried to place it in their existing perceptions of the United States Contents Nico A Bootsma Reactions to the Spanish American War in the Netherlands and in the Dutch East Indies Sylvia L Hilton The United States through Spanish Republican Eyes in the Colonial Crisis of 1895 1898 Markus M Hugo Uncle Sam I Cannot Stand for Spain I have No Sympathy An Analysis of Discourse about the Spanish American War in Imperial Germany 1898 1899 Steve J S Ickringill Silence and Celebration Ulster William McKinley and the Spanish American War Ludmila N Popkova Russian Press Coverage of American Intervention in the Spanish Cuban War Serge Ricard The French Press and Brother Jonathan Editorializing the Spanish American Conflict Augustin R Rodriguez Portugal and the Spanish Colonial Crisis of 1898 Daniela Rossini The American Peril Italian Catholics and the Spanish American War 1898 Nicole Slupetzky Austria and the Spanish American War Joseph Smith British War Correspondents and the Spanish American War April July 1898

A History of the Spanish-American War of 1898 Richard Handfield Titherington, 1900

**The Spanish American War (1898-1901)**

**(SparkNotes History Guide)** SparkNotes,2014-08-12 The Spanish American War 1898 1901 SparkNotes History Guide Making the reading experience fun SparkNotes History Guides help students strengthen their grasp of history by focusing on individual eras or episodes in U S or world history Breaking history up into digestible lessons the History Guides make it easier for students to see how events figures movements and trends interrelate SparkNotes History Guides are perfect for high school and college history classes for students studying for History AP Test or SAT Subject Tests and simply as general reference tools Each note contains a general overview of historical context a concise summary of events lists of key people and terms in depth summary and analysis with timelines study questions and suggested essay topics and a 50 question review quiz

**Images of the Spanish-American War, April-August 1898** Stan Cohen,1997 The most comprehensive photo history of the Spanish American War to date The biographies of generals admirals and the common soldiers are recorded Monuments and other places of interest are examined Over 700 photographs

*A History of the Spanish-American War of 1898* Richard H. Titherington,2015-06-27 Excerpt from A History of the Spanish American War of 1898 Much has been published on the brief but interesting and very important war of 1898 between the United States and Spain but practically everything that has appeared belongs to one of two classes On the one hand there are the narratives of sailors soldiers and correspondents who took part in it and who describe what they saw These books are not history though many of them are excellent material for history On the other hand there are records of a more general character most of which are hasty compilations of little value The contemporary accounts of the war were very inaccurate and imperfect it was not until some time later that there was a sufficient body of trustworthy evidence to make it possible to write anything like a real history For the present volume it is claimed that it is based upon a study of all the available first hand evidence About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Spanish-American War 1898** ,19?? A collection of photographs and sketches of events and engagements of the Spanish American war In some cases the artist or photographer is acknowledged

**New York in the Spanish-American War 1898** New York (State). Adjutant General's Office,1902 *Spanish-American War, 1898* ,1930

Events and Influences of the Spanish-American War, 1898-1902 Illinois. Spanish-American War Memorial Commission,1948

**A Complete History of the Spanish-American War of 1898 (Classic Reprint)** Wilbur R. Copeland,2015-07-09 Excerpt from A Complete History of the Spanish American War of 1898 It has been said that no countrys public policy is actuated by unselfishness or the dictates of humanity To a certain extent 1 this is true since mutual

jealousy and dis trust among nations render such a course difficult and well nigh impossible But the United States which struck the blow for liberty in 1776 and for unity in 1861 next smote in the sacred name of humanity The cries of the dead and dying on her doorsteps fell no longer on deaf ears Disavowing all intention of adding the island of Cuba to our domain we made war upon the wickedest nation that claims to be civilized and we waged it in behalf of a weak but gallant people who needed our help Not since the world began has a more righteous war been prosecuted bravely to a Jtriumphant conclusion It is important that all the features of this struggle should be understood About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Inside the Spanish-American War** James M. McCaffrey, 2009-04-22 This is the story of the Spanish American War told not from the perspective of generals policy makers or politicians but from that of the soldiers sailors and marines in the field and the reporters who covered their efforts Concentration on the daily lives of these people provides insight into the often overlooked facets of a soldier s life detailing their training and interaction with weaponry their food clothing and medical supplies and their personal interactions and daily struggles While the Spanish American War set the stage for America s emergence as a global power this is its history on an individual scale as seen through the eyes of those upon whom the war had the most immediate impact **A Complete History of the Spanish-American War of 1898** Wilbur R. Copeland, 1899 *The Spanish-American War, 1898* Ron Field, 1998 Part of a series this book provides a concise history of the controversial war in which the United States won a colonial empire in the Caribbean and the Philippines It covers events uniforms arms equipage and flags of both the US and Spanish armies **New York in the Spanish-American War 1898** New York (State). Adjutant General's Office, 1900 [A Complete History of the Spanish-American War Of 1898](#) Wilbur R. Copeland, 2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **A History of the Spanish-American War of 1898** Richard Handfield Titherington, 1971 *The Spanish-Cuban-American War and the Birth of American Imperialism Vol. 1* Philip S. Foner, 1972 This major work by Philip Foner the well known historian has as its chief object the re definition of the conflict known in the U S historiography as the Spanish American war This very name in his view reflects the bias of two generations of historians who relegated Cuba to the

passive position of a prize in a struggle between Spain and the United States It is his contention that the Cuban nation by virtue of its prolonged and successful rebellion of 1895-1898 treated in Vol 1 was a central protagonist of the conflict its role ending when it was subjected to neocolonial status by the United States In pursuing this new outlook Professor Foner studied the sources available in the United States the rich materials in the Archivo Nacional and the Library of the City Historian in Havana and enlisted help and documentary evidence furnished by the leading historians and historical institutes of Cuba These sources have enabled him to deal at length with the occupation and subjugation of Cuba by the United States and reconstruct the story in richer detail and in a more realistic interpretation than has ever been done before Volume II begins with the war in Cuba after U S intervention in 1898 and covers the imposition of U S domination of Cuba through the Platt Amendment which marked the beginning of American neocolonialism Back cover      *The War of 1898, and U.S. Interventions, 1898-1934* Benjamin R. Beede, 1994 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been largely won by the Cuban revolutionaries before US intervention hence the new title Spanish Cuban American War The use of Philippine Insurrection is replaced by Philippine War since the Philippine forces had taken much of the islands from Spain before US ground forces arrived And guerillas or revolutionaries have replaced bandits the term used by the US to discredit oppositional forces Annotation copyright by Book News Inc Portland OR
