The Great Hunger Johan Bojer, 2022-03-22 Norwegian fjords ships storms and a large shark that wants to take off your arm thank goodness our main character Peer manages to stab it with a knife Peer is a young lad who deserted by his parents is tossed about like second hand clothing from one foster home to the next Surprisingly he demonstrates a tremendous amount of resilience in overcoming his social and economic standing just like his creator and the author of this novel Johan Bojer This story examines how an individual s yearning for knowledge in science and religion causes problems as many intellectuals in the early twentieth century thought them mutually exclusive This leads Peer into many situations beyond his control The hunger in the book s title has little to do with being starved of food and much to do with being starved of education and knowledge Read this classic rags to riches story with an unexpected twist at the end Johan Bojer born Johan Kristoffer Hansen was a popular Norwegian novelist and dramatist He grew up as a foster child in a poor family living in Rissa near Trondheim Norway He learned of the realities of poverty early in his life Bojer principally wrote about the lives of the poor farmers and fishermen both in his native Norway and among the Norwegian immigrants in the United States He was nominated for the Nobel Prize in Literature five times and is best remembered for his novel *The Emigrants* a major novel dealing with the motivations and trials of Norwegians emigrated on the plains of North Dakota

Big Hunger Andrew Fisher, 2018-04-13 How to focus anti hunger efforts not on charity but on the root causes of food insecurity improving public health and reducing income inequality Food banks and food pantries have proliferated in response to an economic emergency The loss of manufacturing jobs combined with the recession of the early 1980s and Reagan administration cutbacks in federal programs led to an explosion in the growth of food charity This was meant to be a stopgap measure but the jobs never came back and the emergency food system became an industry In *Big Hunger* Andrew Fisher takes a critical look at the business of hunger and offers a new vision for the anti hunger movement From one perspective anti hunger leaders have been extraordinarily effective Food charity is embedded in American civil society and federal food programs have remained intact while other anti poverty programs have been eliminated or slashed But anti hunger advocates are missing an essential element of the problem economic inequality driven by low wages Reliant on corporate donations of food and money anti hunger organizations have failed to hold business accountable for offshoring jobs cutting benefits exploiting workers and rural communities and resisting wage increases They have become part of a hunger industrial complex that seems as self perpetuating as the more famous military industrial complex Fisher lays out a vision that encompasses a broader definition of hunger characterized by a focus on public health economic justice and economic democracy He points to the work of

numerous grassroots organizations that are leading the way in these fields as models for the rest of the anti hunger sector It is only through approaches like these that we can hope to end hunger not just manage it The Great Famine in Tralee and North Kerry Bryan MacMahon,2017-06-12 Bryan MacMahon focuses on human stories rather than statistics as he depicts the unprecedented events upheavals and challenges of the famine years through the eyes of those who were there and reveals information which has lain hidden and untapped for 170 years This book gives an account of incidents in Tralee and North Kerry It gives a detailed overview and a moving insight into the suffering endured by thousands in the area The contemporary accounts allow the reader to relive the shocking events and to understand the stark dilemmas faced by those who were not themselves directly affected by hunger or disease Here too are the names and inquest details of some of the dead and poignant descriptions of life in the workhouses of Tralee and Listowel Included are stories of scandals and possible sexual abuse in the workhouse but also many examples of selfless humanitarian work The Spark Glenn A. Gaesser,Karla Dougherty,2001-01-01 The spark a revolutionary new plan to get fit and lose weight 10 minutes at a time **The Great Famine and Its Causes** Vaughan Nash,1900 **The Great Hunger** Malachy Doyle,1998 This book is a simple yet satisfying read featuring lively text and humorous black line artwork Aimed at 7 11 year olds the story provides a dramatic account of the Irish famine Spark Paddy Rangappa,2017-05-17 From a marketing expert with nearly three decades of worldwide brand development experience working with some of today s most recognizable and successful brands including Dove McDonald s and Vicks comes a comprehensive and accessible guide to brand building in today s global marketplace Spark demystifies the process of building a brand in today s increasingly competitive crowded marketplace Written by marketing expert Paddy Rangappa who has worked with some of the most successful global brands including Dove McDonald s and Vicks this book provides a practical framework to help readers navigate the various stages of brand building including How to cultivate insight to address a specific business challenge How to construct a full business plan around that challenge How to leverage a plan for revenue growth Filled with case studies of how successful global brands were established from the ground up and featuring brand strategies and tips for developing successful brand campaigns with ad agencies Spark is a helpful and practical guide for any professional committed to growing and nurturing a powerful brand The Death Census of Black '47: Eyewitness Accounts of Ireland's Great Famine Liam Kennedy,Donald M. MacRaild,Lewis Darwen,Brian Gurrin,2023-01-10 The Great Irish Famine claimed the lives of one million people mainly from the lower classes More than a million others fled the stricken land between 1845 and 1851 In recent decades its history has become the focus of considerable scholarly and popular attention but much remains to be retrieved and reconstructed particularly at the level of the rural poor This book fills that gap It is based on a large volume of reports on social conditions in the Irish localities emanating from within those localities that has never been used systematically by historians It bears the compelling title of the Death Census Most historians are simply unaware of its existence The outstanding feature of the Death Census is that it

was authored by local clergymen who lived among the people they served and were intimately involved with their lives This book brings the Death Census together in composite form for the first time and provides a detailed examination of its contents The result is new understanding of the Great Famine as it was experienced on the ground **Spark of Light** Valerie Henitiuk ,Supriya Kar,2016-12-12 Spark of Light is a diverse collection of short stories by women writers from the Indian province of Odisha Originally written in Odia and dating from the late nineteenth century to the present these stories offer a multiplicity of voices some sentimental and melodramatic others rebellious and bold and capture the predicament of characters who often live on the margins of society From a spectrum of viewpoints writing styles and motifs the stories included here provide examples of the great richness of Odishan literary culture In the often shadowy and grim world depicted in this collection themes of class poverty violence and family are developed Together they form a critique of social mores and illuminate the difficult lives of the subaltern in Odisha society The work of these authors contributes to an ongoing dialogue concerning the challenges hardships joys and successes experienced by women around the world In these provocative explorations of the short story form we discover the voices of these rarely heard women **Sparks Amidst the Ashes** Byron L. Sherwin,1997-04-24 For hundreds of years Poland served as the epicenter of Jewish life As a result of the Holocaust though Poland has become a Jewish Atlantis Yet the majority of Jews in the world today have their genealogical roots in the historical lands of Poland In this book Sherwin demonstrates how the unprecedented works of intellect and spirit produced during the Jewish Golden Age in Poland can provide contemporary Jews with the spiritual and intellectual resources required to ensure Jewish continuity in the present and future Sherwin introduces us to the vast range of mystical speculation evocative stories talmudic dialectics theological ideas and social realities that were muted by the destruction of Polish Jewry during the Holocaust Sherwin critiques the tendency among contemporary Jews to disregard the precious legacy bequeathed by Polish Jewry and presents a plan for re creating Jewish life after the Holocaust that draws from the wisdom of the spiritual magnates and from the communal experience that characterized Jewish life in Poland Sherwin concludes with a controversial proposal for the future of Polish Jewish relations **The Mental Spark Plug** Fred De Witt Van Amburgh,1923 **Dancing at the Crossroads** Helena Wulff,2008-10 Dancing at the crossroads used to be an opportunity for young people to meet and enjoy themselves on mild summer evenings in the Irish countryside until this practice was banned by the Public Dance Halls Act of 1935 Now a key metaphor in Irish cultural and political life dancing at the crossroads also crystallizes the argument of this book Irish dance from Riverdance the commercial show to competitive dancing and dance theatre conveys that Ireland is in a crossroads situation Irish dance with a firm base in a distinctly Irish tradition is becoming a permanent part of European modernity While this book highlights the captivating tensions and ties surrounding debates on Irish dance it also aims to extend broader understandings of place mobility and rooted cosmopolitanism **CONVERSATIONS (talks)** St. Nikolai of Serbia (Velimirovic),2019-12-19 Wealth without work Pleasure
