Weiner,Allen K. Hess,1987 Includes bibliographis and index **A Criminologist's Life** Cheryl Lero Jonson,Travis C. Pratt,2022-09-13 A Criminologist s Life Essays in Honor of the Criminological Legacy of Francis T Cullen honors the vast scholarly contributions of Francis T Frank Cullen as well as the immeasurable influence that he has had on the field for over 40 years With over 500 publications to his name and more than 67 000 citations to his work Frank Cullen has left an indelible mark on the fields of criminology and criminal justice Although best known for his work on rehabilitation and criminological theory Frank also has profusely published in and shaped the areas of white collar crime the use of meta analytic techniques to organize knowledge the sexual victimization of college women and public opinion on crime and punishment However

Frank's legacy on the field is not limited to his scholarly contributions. He has served as a mentor to countless students, colleagues, and others in the field, helping support and guide the next generation of scholars. Thus, the current volume is organized to recognize both his scholarly work and mentoring, as well as to provide an opportunity for Frank to reflect on his career in his own words. The result is a collection of essays from Frank's former students, colleagues, and friends, written to pay homage to the more than 40 years of work he has done to advance criminological knowledge and shape the field. **The Wiley Handbook of What Works in Violence Risk Management** J. Stephen Wormith, Leam A. Craig, Todd E.

Hogue, 2020-02-10 A comprehensive guide to the theory, research, and practice of violence risk management. The Wiley Handbook of What Works in Violence Risk Management: Theory, Research, and Practice offers a comprehensive guide to the theory, research, and practice of violence risk management. With contributions from a panel of noted international experts, the book explores the most recent advances to the theoretical understanding, assessment, and management of violent behavior. Designed to be an accessible resource, the highly readable chapters address common issues associated with violent behavior, such as alcohol misuse, and the less common issues, for example, offenders with intellectual disabilities. Written for both those new to the field and professionals with years of experience, the book offers a wide-ranging review of who commits acts of violence, their prevalence in society, and the most recent explanations for their behavior. The contributors explore various assessment approaches and highlight specialized risk assessment instruments. The Handbook provides the latest evidence on effective treatment and risk management and includes a number of well-established and effective treatment interventions for violent offenders. This important book contains an authoritative and comprehensive guide to the topic. Includes contributions from an international panel of experts. Offers information on violence risk formulation. Reveals the most recent techniques in violence risk assessment. Explains what works in violence intervention. Reviews specialty clinical assessments. Written for clinicians and other professionals in the field of violence prevention and assessment. The Wiley Handbook of What Works in Violence Risk Management is unique in its approach because it offers a comprehensive review of the topic rather than like other books on the market that take a narrower view. **Braddom's Physical Medicine and Rehabilitation E-Book**

David X. Cifu, 2020-08-01 Thoroughly updated to reflect the latest advances and technologies, Braddom's Physical Medicine and Rehabilitation, 6th Edition, remains the market leader in the field of PM/R.
