A Grownup'S Guide to Living a Young-At-Heart Life

David Heller,Sally Melzer,2015-01-23 A Grownups Guide to Living a Young at Heart Life is a whimsical and yet inspirational little book that aims to remind people of all ages of what it means to live in a free spirited young at heart manner The instruction in this lovely book is provided by children ages four to thirteen who sound off on how to have a youthful disposition and enjoy life all the more Among the subjects the children address are the following why children are the best experts on the subjects how adults go astray and lose their way vivid examples of young at heart behavior and graphic examples of loathsome behaviors that are decidedly not young at heart The youngsters even reveal a Top Ten List of Young at Heart Behaviors offer adults remedial steps on improving themselves and loosening up how the genders differ on this issue and then wax philosophical on why and how so many adults forget the lessons of childhood The results in this collection are funny and heartwarming and will move the reader to reflect on how they themselves might benefit from adopting some of the childrens attitudes We can all learn a bit from children and this charming book provides a classic example as the youngsters share their wisdom on what it means to be young at heartwhether one is five or one hundred and five Tales for the Soul, Mind and Heart. Life is a Story - story.one Fer Rivero,2023-08-28 Rive never asked for life to be this way As the next in line to become the Great Shaman he will have to survive challenging trials within the Whispering Tree Pressure expectations personal doubts and life lessons await him as he embarks on this journey On top of that four unexpected challengers won t make it easy for him A search for purpose begins while he struggles to align his emotions understand his path and uncover his true destiny **Death Dance** J. Michael Koppen,2022-11-04 The crusted pool of blood below the passenger door was her first indication of the carnage The sirens were screaming as uniforms of various colors performed on a stage of horror Three bodies lay on the sidewalk two were attended by EMTs with frantic pace The smeared blood on the plastic covering the third body relayed its finality A disturbance to her left demanded Lainees attention Four police officers struggled to hold a wildman As if in a scene from a nightmare he broke free running straight for her It was all in slow motion He grabbed her as he ran by nearly knocking her to the ground The strap of her Coach purse caught his hand He seized the opportunity spinning around behind her He grabbed her by the throat her body directly between the officers and his Lainees had little

time Alone with this animal was not an option She stomped with all her weight on his right foot then slammed her head backward feeling it connect with his cheek She allowed herself to fall straight to the ground The noise was deafening as the guns exploded The man sighed and sagged to the earth behind her She noticed a slight twitching of his legs as his body accepted death Death Dance is a voyage into the supernatural When a deranged meth addict empties his gun into a car waiting at a red light the death of a young woman and ultimately the gunman s demise launches them on a journey neither could have imagined Death Dance penetrates an existence a breath away for all of us It challenges all we suppose about influences in human life This unlikely duo is offered a choice of final judgment or accepting a calling from the king of glory Their choice finds them on a battlefield hunted by an enemy far stronger than imagined The seeming impossibility of completing their task tests faith trust and belief Each obvious weakness intensifies doubt skepticism and suspicion challenging every assurance of what lies within
