The Legacy of Israel Edwyn Robert Bevan, 1927 The Legacy of Israel deals with the contribution that has come to the sum of human thought from Judaism and from the Jewish view of the world. It is not in any sense either a history of the Jewish people or an exposition of Judaism and it is concerned with these topics only in so far as discussion of them may be necessary for the clear setting forth of the proper theme of the volume. It is a companion to *The Legacy of Greece* and *The Legacy of Rome*. Excerpted from Preface, page v by E. R. B. C. S. *Books of 1926(-1928). Cumulated from the Book Bulletin of the Chicago Public Library* CHICAGO. Chicago Public Library, 1929

Postmodern Love in the Contemporary Jewish Imagination Efraim Sicher, 2022-03-17 Offering a radical critique of contemporary Israeli and diaspora fiction by major writers of the generation after Amos Oz and Philip Roth, this book asks searching questions about identity formation in Jewish spaces in the twenty-first century and posits global transnational identities instead of the bipolar Israel diaspora model. The chapters put into conversation major authors such as Jonathan Safran Foer, Nicole Krauss, Michael Chabon, and Nathan Englander with their Israeli counterparts Zeruya Shalev, Eshkol Nevo, and Etgar Keret, and shows that they share common themes and concerns. Read through a postmodern lens, their preoccupation with failed marriage and failed ideals brings to the fore the crises of home, nation, historical destiny, and collective memory in contemporary secular Jewish culture. At times provocative, at others iconoclastic, this innovative study must be read by anyone concerned with Jewish culture and identity today, whether scholars, students, or the general reader. Bruno Schulz and Galician Jewish Modernity Karen Underhill, 2024-06-25 In the 1930s, through the prose of Bruno Schulz (1892-1942), the Polish language became the linguistic raw material for a profound exploration of the modern Jewish experience. Rather than turning away from the language like many of his Galician Jewish colleagues who would choose to write in Yiddish, Schulz used the Polish language to explore his own and his generation's relationship to East European Jewish exegetical tradition and to deepen his reflection on *golus* or exile as a condition not only of the individual and of the Jewish community but of language itself and of matter. Drawing on new archival discoveries, this study explores Schulz's diasporic Jewish modernism as an example of the

have up to now been mostly studied independently of one another as separate fields of research this volume brings some of these distinct voices who nevertheless share a connection to Greco Roman antiquity into conversation with one another Taking its cue from the crisis of humanism following the Holocaust the chapters take as their themes the destruction of home displacement and different forms of wandering and homecomings drawing connections to acts of translation and transmission of the classics to form a picture of cultural and textual states of alterity The volume shows that Jewish Israeli and Palestinian responses to the classics are entangled and even complementary despite their different trajectories The chapters included here focus particularly on critical moments in Jewish and Palestinian existence when the reception of classical humanism is closely linked to issues of survival On offer here is a historically grounded investigation into the ways Jews Israelis and Palestinians have used classical antiquity and classical philology to validate their identity in a rapidly changing society
