The Heritage Of Hastur A Darkover Novel:

The Heritage of Hastur Marion Zimmer Bradley, 1977 The heritage of Hastur longest and most intricate of the Darkover books is a brilliant epic of the pivotal event in the strange love hate relationship between the Terran worlds and the semi alien offspring of forgotten peoples This is the novel of the Hastur tradition and of the showdown between those who would bargain away their world for the glories of star borne science and those who would preserve the special matrix power that was at once the prize and the burden of ruddy sunned Darkover

HERITAGE OF HASTUR is a brilliant epic of the pivotal events in the love hate relationship between the Terran worlds and the semi alien offspring of the forgotten colonists who peopled Darkover This is the complex and compelling tale of the early life of Regis Hastur Darkover's greatest monarch But HERITAGE also spins the terrifying and heartbreaking story of those who sought to control the deadly Sharra Matrix and tells how Lew Alton met and lost his greatest love Marjorie Scott This is the unforgettable showdown between these Darkovan lords who would bargain away their world for the glories of Terran science and those who would preserve the special matrix powers that are at once the prize and burden of Darkover Sharra's Exile The most dangerous magical implement on all of Darkover was the infamous legendary Sharra Matrix Embodying the image of a chained woman wreathed in flames it was the last remaining weapon of the Ages of Chaos an era of uncontrolled laran warfare which had almost destroyed all life on Darkover The Sharra Matrix had been exiled offworld to one of the far flung planets of the Terran Empire in the protective custody of one who had suffered gravely from its use Comyn Lord Lew Alton But when Lew was called back to Darkover to contend for his rights he had no choice but to bring this dangerous matrix back with him and once the Sharra Matrix was back her flaming image spread far and wide setting motion events which would change the lands the seven Domains and the entire future forever
