Atkins,2024-02-12 Why is it so hard to find God Or should I say Why is it so hard for God to find you There are Those who say I Read the Bible often But Can t Understand it So I Quickly Lose Interest in it Then I find myself Seeking a Church and a Man of God to help me get closer to God This after a while did not do it for me So I left the Church feelings even more depressed than before Is it really that hard to make a Connection with our God I been told by others that he said that he love all and wishing that none should perish Well why is it so hard to find him if he love us Is our God speaking out of both sides of his mouth I mean he did say it is impossible for him to lie He also said what comes out of my mouth can t return void it that is the case then you need took at your self and at your attempts to see what you are doing wrong less Review You first Started Reading the Bible How much time did you spend reading the Bible once a week every other month are just doing hollow days did I give up my friends who were still involved in daily activities that goes against the Laws and Commandments of God Did you give up going to places that God would disapproval like bars nightclubs where you find half naked woman s sliding down a pole How about going out gambling looking at trying to get rich and then becoming hooked spending money you don t have money that could have been spent on other things your kids bills Now can you see why it was so hard to understand the Bible Could it be that you are not given your all Less now put you on the right track God says seek him first and all things will be added all you need to do is to knock Asked and Seek in the door will be opened Next you say that you went as far as attending a church and a minister to bring you closer to God Let me say this all ministers are not call by God In other words it is just as bad to hear the words of God from one who is not call to lead you even further from the truth It s like the blind leading the blind and they both fall into a ditch One sure way to know that you have made a Connections with God Is when you seek him daily Reading his words for yourself and keeping all of his Laws and Commandments by you doing this you show Him that you are truly sincere about knowing him This is when God releases His Spirit of understanding to your mind but in small portions and the more you read his words the more knowledge is revealed **The Hidden Creator** Hilton

Hotema,2018-12-05 The world wants to know who what and where is the Creator Ages of searching by great men have failed to find Him If there is a Creator it should be possible to locate Him If there is none then there is no answer to the question What Power Creates and Regulates the World and everything in it All questions have answers This one has an answer and Professor Hilton Hotema was determined not to stop digging till he found it Where did he find it Right in the Bible but stated in terms so simple that no one had noticed it **The Bible's Amazing Hidden 2%**

William L. Wagner,2021-04-12 My background is that I am a licensed civil engineer a pastor a professor of theology a university president and a missionary As a young theology student reading the Bible I found many verses of Scripture that I could not fully understand In going to commentaries and speaking with professors I did not receive the answers that I was looking for This book is an attempt to look at many of the problem areas of the Scriptures and to find the reasons why they appear in the Bible I found that only about 2 percent of the Bible begins to open the door to the real meanings of heaven hell eternity angels demons etc This 2

percent is important for us to correctly realize that God does not expect us to understand more than what He has given in His Word Our Heavenly Father has revealed to us what we need to know while here on earth The Bible begins with creation and ends with the final judgment Above us is heaven and below us is hell This book gives a diagram which shows us the area of interest in his revealed Word What exists outside of this area of revelation is unknown to us because God decided not to reveal all to us Much of my ministry has been working with university students in many countries They often look at these problem scriptures and need good answers but seldom get them such as the whole concept of creation Realizing that the Bible is not a book of science but a book that shows us how to live I feel that there is a good explanation that students can and will accept I am convinced that it will never be possible for us to fully understand all of God s Word but in looking at these problem verses and understanding why they have been given we come to the conclusion that much of the Bible will never be truly understood while we live here on earth However many of these verses open the door to even a greater understanding and that is for us to know how truly great our God is

Moses In Ancient Egypt & The Hidden Story Of The Bible Richard Darlow,2010-02-09 A non fictional account explaining why the author believes Moses was a prince of Thebes called Ramose Born c 1500 BC Prince Ramose was heir to Pharaoh Thutmose III being his Great Army Commander both roles ascribed to Moses by Hebrew tradition Moreover Ramose Moses both led victorious military campaigns against Ethiopia Cush then married the king s daughter becoming Egypt s Viceroy there A short time later Prince Ramose was mysteriously struck out of Egyptian records while the Bible hints Moses was cast into exile Exploring some of the more esoteric aspects of the prophet s life this book finds threads firmly connecting him to Egypt s 18th Dynasty 3500 years ago The book uncovers the Hermetic star knowledge Astrology which Moses gleaned from the White Brotherhood a secretive Egyptian mystery school who met in the halls of Karnak This knowledge was cryptically infused into the early Biblical scriptures revealing the Israelite ancestors were once devoted Astrologers

The Hidden Book in the Bible Richard Elliott Friedman,1998-09-22 Renowned biblical sleuth and scholar Richard Elliott Friedman author of Who Wrote the Bible reveals for the first time his most startling and revolutionary discovery embedded within the Bible is a continuous narrative that had been sliced apart by ancient editors who interlaced it with other stories laws and poetry It is a singular work of genius the core of the Bible Across three millennia this great work of prose comes back to us pieced together as it was originally meant to be read in a fresh and powerful translation In recent years Harold Bloom s The Book of J and Friedman s own Who Wrote the Bible have made the short work called J known to the public But in The Hidden Book in the Bible Friedman presents his landmark discovery that J is not a work It is the beginning section of a work a long exquisitely connected prose composition full of artistry and power Using a creative blend of scholarship and detective work Friedman has joined together this story from the dawn of written history and what emerges is astonishing Far from a

primitive first attempt at writing it is an exciting and complex saga a passionate work of love deception war and redemption Readers will experience the story that has not been read as a single continuous narrative for almost three millennia Friedman begins by leading the readers through the exciting story of his discovery of this hidden work He marshals the evidence showing how a unique use of language and themes from the two cases of the famous coat of many colors to all nine references to Sheol the place of the dead and from incidents of sibling rivalry to sexual violation recur in a connected way in certain parts of the Bible but nowhere else Friedman dramatically illustrates how these clues establish a singular author's voice guiding more of the Bible than was ever previously suspected Friedman presents the work itself in a bold translation that is remarkable faithful to the original It begins with a well known tale of the deity's creation of a paradise that goes wrong and then conveys a sweep of history telling the story of a family through twelve generations a story of deception and recompense of powerful loves and sibling rivalries of wars and spies The family becomes a nation the nation finds a ruling family and they find their way to peace The author of this saga crafts a compelling and densely woven tale of family struggles bitter betrayal and finally the birth of a great kingdom under Solomon the son of David This work says Friedman is a treasure It became the core of the Bible and the beginning of prose literature Readers now have the opportunity to see the first great prose writer's full achievement an epic work of the struggle between God and human and between good and bad The Hidden Book in the Bible will forever change the way we regard the Bible Exciting provocative ambitious yet reverent says Donald Spoto Friedman's latest book is as usual grounded in impeccable scholarship *Hidden Bible Truths in Plain View* Windell Gillis, 2019-01-22 Jesus Christ and the apostles along with Polycarp Ignatius and Hermes carried the true Word of God deep into the first church age Yet Satan attempted to infiltrate the true path of the Word with help from unbelievers who were more than willing to do his dirty work Because of this the structural religious imprints left by ancient pagan civilization began to take a toll on the religious denominational world in such a subtle manner that it has gone unnoticed In *Hidden Bible Truths in Plain View* author Windell Gillis explains how since the Bible is the only real and perfect truth Christian history can only be real and true if it agrees completely with the Bible This history does Messengers to the seven church ages who are revealed here were able to turn the people back to God in each age if only for a season With Philo having perverted the definition of the Logos which changed the way people worshipped with respect to the Godhead and with so much confusion in the religious world as proven by the forty thousand different denominational groups today something must happen And it did The revelation of Malachi 4 and Revelation 10:7 concerning the mystery of God is unveiled in *Hidden Bible Truths in Plain View* to the shock of Christians worldwide **The Hidden Peace** Joel Muddamalle, 2024-03-05 ECPA Bestseller The peace we long for begins with coming to the end of ourselves There are inescapable aspects of life we are all marked by We have less control than we want more anxiety than we're comfortable with and just enough insecurity to continually remind us of our shortcomings To experience these things is to be human We aren't superheroes and invincibility isn't an option But

humility is Whether we ve incorrectly defined it or underestimated its relevance to our daily life humility is the missing piece for the security strength and confidence we all want It s time to stop trying so hard to avoid our limitations or overcompensate for them God has better for us and it begins with bowing low in humility With relatable stories practical wisdom and biblical theology broken down into digestible takeaways *The Hidden Peace* by Dr Joel Muddamalle will help you Overcome the fear of being found out or looking like a fraud by realizing God s intent for shortcomings and weaknesses Walk through hurtful situations in the most God honoring way by gaining a true understanding of biblical humility Answer the question why do bad things happen to good people by learning a perspective shift that will change how you process suffering Know confidently that you re living with purpose and being used by God through seven ways to practically live like Him today Be led by the biblical definition of self awareness so you can experience the unexpected ways it brings safety and security to your life Stop believing the lie that theology is out of touch or too difficult to comprehend as Joel shows you how to dig into scripture and study it yourself Weakness is not your enemy Planted in the soil of humility weakness becomes a means to gaining more strength and more peace
