Taddeo,1998 Dan Taddeo has compiled a powerful collection of life transforming messages from throughout the ages They
are timeless and challenging They give encouragement and hope They provide perspective and solutions The selections that
appear in this book are far from exhaustive they have appealed to me for years as praiseworthy thoughts that are
instrumental in the development of the American character **A Treasury of Jewish Inspirational Stories** Lawrence
Jeffrey Epstein,1993 When we speak of God reaching out to humans it is called revelation and the human response to
revelation is inspiration A Treasury of Jewish Inspirational Stories is meant to move the head and the heart to appreciate as
author Lawrence J Epstein writes the effects that divine influence and guidance have had on Jewish individuals communities
and history The stories he has gathered manifest the many forms of this human response As in his previous best selling
volume A Treasury of Jewish Anecdotes Epstein shows us his remarkable skill of gathering tales and his talent for retelling
them in a voice that speaks clearly to a contemporary audience These are not stories of purported miracles Nor are they
always verifiable Some of the stories are folktales others are exaggerations Some are biographical others are snapshots from
history But all have a singular theme and goal renewed faith in divine guidance or in the human capacity to do good deeds
Epstein explains in his introduction that an inspirational story can affect its listener in many ways it can clarify religious
ideas lead to spiritual experiences reinforce theological notions provide peace of mind give birth to motivation for spiritual
action and serve as a model for living To find such stories for A Treasury of Jewish Inspirational Stories Epstein searched
every corner of Jewish experience from the Bible to modern times He combed the classical literature hasidic lore and the
lives of well known Jewish personalities such as Hillel Rashi and Maimonides as well as lesser known figures and ordinary
individuals looking for tales that provide us with a shock of insight into eternal mysteries These stories Epstein goes on to say
help us become connected to a divine process we can only dimly comprehend but one to which we react with awe and
reverence A Treasury of Jewish Inspirational Stories is a fine sourcebook for what the author describes as a special kind of
literature Epstein has provided us with retellings of such stories as the Exodus from Egypt Mount Sinai the receiving of the
Ten Commandments the story of Esther Judah Maccabee Herzl and the rebirth of Israel the fighters of the Warsaw Ghetto
over 125 stories that move the intellect and the emotions Epstein remarks that the original idea for writing a book of

inspirational stories came after listening to a survivor of the Holocaust It is his hope that A Treasury of Jewish Inspirational Stories will allow readers to search for the inspirational stories in their own lives **Uttarākhaṇḍa prakṛti thī prabhu --**
