Damico, 2016-08-02 Have you ever wondered if there is more to life than we can see Are there really other dimensions within our world If so who or what resides there Do angels and demons truly exist If so where are they and how do they function in our world What does the Bible say about angels and demons Is there a biblical mystery that has been overlooked Lost and Found My Journey to a Saved Soul will answer these questions and more through uncovering one of the mysteries that has been hidden since the fall of mankind This mystery is broken down through God given biblical revelation regarding the unseen world This mystery became a living reality when Michelle Damico and her husband Chris Damico entered into the unseen realm on a forty day journey They had experienced firsthand what it was like to function within another dimension also known as the spirit world It was through unknowingly opening a door into forms of witchcraft that entered them into the spirit realm being led to a shaman and tricked into a ritual that they believed was a marital ceremony This led to her mother being spiritually attacked therefore triggering a subarachnoid hemorrhage and her mother's near death experience Michelle's husband's possession and cry to be institutionalized and her children being attacked by spirits that desired to possess their soul Their home was overpowered with evil and deep darkness and there was nobody they could turn to but Jesus All glory and honor to our Lord and Savior Jesus Christ for delivering us out of the darkness and into his marvelous light Giving thanks to the Father who has qualified us to share in the inheritance of the saints God's people in the Light For He has rescued us and has drawn us to Himself from the dominion of darkness and has transferred us to the kingdom of His beloved Son in whom we have redemption because of His sacrifice resulting in the forgiveness of our sins and the cancellation of sins penalty He is the exact living image the essential manifestation of the unseen God the visible representation of the invisible
