**Self-Esteem Without Selfishness** Michel Esparza,2017-03-31 By Fr Michel Esparza We ve all been exhorted to cultivate self esteem and nurture a positive self image That sounds appealing But we also know that God calls us to humility And many well intentioned Christians have it in the back of their minds that being humble means living their lives in a haze of discouragement anxiety and preoccupation with their own sinfulness After all the only alternative our culture seems to offer is a vacuous I m OK you re OK relativism the false peace that this world gives We know that can t be right So how can we attain the peace God wants for us if we re mired in self contempt How can we spread Christian joy if we don t have any ourselves In Self Esteem Without Selfishness Fr

Michel Esparza leads the way out of this conundrum A lively sense of a Father who looks on us with delight and unconditional love together with a fearless acceptance of our own wretchedness is the key Fr Esparza teaches us how to cultivate that humble self esteem which neither strays from the truth about the person nor fosters discouragement at our failures Bringing together the best of classic spiritual wisdom and the insights of contemporary psychology he distinguishes between self esteem in the shallow pop psychology sense and the rightly ordered self love that is anything but self centered
