The Heart Of Leadership:

The Heart of Leadership Mark Miller,2013-10-07 Are you the type of leader people want to follow You can be but first you ve got to understand what sets great leaders apart from all the rest Certainly leaders need people skills execution skills a deep knowledge of industry trends the ability to articulate a vision and more they must be competent but that s just the tip of the iceberg What s below the waterline What s deep inside the best leaders that makes them different Mark Miller contends it is their leadership character In his latest enlightening and entertaining business fable he describes the five unique character traits exhibited by exceptional leaders and how to cultivate them The Heart of Leadership begins with young and ambitious Blake Brown being passed over for a desperately wanted promotion despite an outstanding individual performance Confused and frustrated he turns to his former mentor Debbie Brewster Rather than attempting to solve Blake s problem for him she sends him on a quest to meet with five of his late father s colleagues each of whom holds a piece of the puzzle he s trying to solve As Blake puts the pieces together he discovers that in the final analysis a lack of skills isn t what holds most leaders back skills are too easy to learn Without demonstrated leadership character however a skill set will never be enough Most often when leaders fail to reach their full potential it is an issue of the heart This is Blake s ultimate revelation This book shows us that leadership needn t be the purview of the few it is within reach for millions around the world The Heart of Leadership is a road map for every person who desires to make a difference in the lives of others and become a leader people want to follow

The Heart of Leadership Giovanni Battista Vacchi,Danilo Zatta,2024-03-13 Squarely aimed at leaders and aspiring leaders The Heart of Leadership written by two

renowned management experts presents practical examples and engaging insights to answer the key question of how to be a successful leader This book reveals the key characteristics of a great leader and shows you how to develop the skills needed to motivate your team and overcome challenges Leadership means successfully taking your place at the head of an enterprise and is both a shared journey and an adventure over the course of a career Using an engaging and accessible style throughout the book maps out how to achieve tangible results It presents portrayals of some of history s greatest leaders from Gandhi to Steve Jobs from Angela Merkel to Lisa Su in order to inspire and help develop your own top leadership skills This book is essential reading for CEOs CFOs HR managers entrepreneurs trainers and those who are seeking a leadership position in an organization and want to understand how to succeed within it *The H.E.A.R.T. of Leadership* Dr. Carla D.

Brown,2020-11-11 The H E A R T of Leadership Understanding Key Characteristics Which Strengthen Organizational Capacity examines characteristics of leadership that helps to motivate employees efforts toward organizational goals It further highlights the impact that Humility Empathy Agility Responsibility and Transparency H E A R T has on the leader follower relationship affecting organizational productivity While successful leaders are capable of motivating others toward common goals extraordinary leaders can create social order change organizational culture and complete the mission of an organization For this to occur leaders must consider the organization s most viable resources its workers Additionally leaders should ensure that workers share the same espoused values as the leaders This book explicates the critical nature of leadership characteristics on the overall effectiveness of organizations led by those with the H E A R T to lead I particularly appreciated Carla s insights in two areas the sociological perspective and the leadership calling A key thought from the Sociological perspective is From a sociological perspective leaders are viewed by what they represent As Carla addresses leadership calling she notes Those who are called into leadership are given capabilities that must be sustained to fulfill their God given purpose and While many challenges exist for leaders when considering whether to make organizational changes today s Christian leaders can transform their organizations when using Scripture as a guide This was insightful throughout Congratulations Dr Brown Dr Diane Wiater Regent University *The Heart of Leadership* Robert E. Staub,1996 In this provocative book Robert Dusty Staub reveals that those who purport to lead fail because they don t understand who it is they re trying to lead Within these pages readers learn about the four chambers that make up the heart of every true leader competency intimacy integrity and passion Must reading Larry Spilman Director of Accounts AT T **Capturing the Heart of Leadership** Gilbert W. Fairholm,1997-03-25 This book seeks to promote a new spiritual approach to organizational leadership that goes beyond visionary management to a new focus on the spiritual for both leader and led Reflecting on the current crisis of meaning in America this book takes up the search for significance in peoples worklives in the products they produce and in the services they offer Recognizing that the new corporation has become the dominant community for many commanding most of our waking hours by providing a focus for life a measure of personal success and a network of personal

relationships Fairholm calls on business leaders to focus their attention on the processes of community among their stakeholders wholeness integrity stewardship and morality Spiritual leadership is seen here as a dynamic interactive process Successful leadership in the new American workplace therefore is dependent on a recognition that leadership is a relationship not a skill or a personal attribute Leaders are leaders only as far as they develop relationships with their followers relationships that help all concerned to achieve their spiritual as well as economic and social fulfillment

Reaching the Heart of Leadership Avis Glaze, 2017-08-15 Featuring concrete ideas and action steps this book accentuates the need for innovative and thoughtful educational leadership based in self examination trust and equity Ethics, the Heart of Leadership Joanne B. Ciulla, 2014-09-09 Top academic scholars ponder the question of ethics as it pertains to all aspects of leadership in business government and nonprofit organizations If leaders were defined by their influence on history Hitler would be on par with Gandhi Lincoln and Mother Theresa Yet most of us believe that our superiors have a responsibility to exercise power with a purpose far greater than any political agenda and a motive more noble than personal gain This thought provoking collection of essays explores the ethical challenges that leaders face in their relationships with followers the choices they make and the ways in which they influence others Joanne Ciulla and her contributors examine the traits and characteristics of top tier leaders She questions the assumption that moral fortitude is an inherent part of being in charge analyzes the roles that charisma morality and delegation play in the leadership paradigm and considers whether individuals who want to lead with integrity but are sometimes forced to get their hands dirty for their constituents can be called moral leaders Readers will gain an appreciation for how ethics is not an add on to the practice of leadership but rather an integral part of it an element that informs the very idea of what it means to lead and to lead well **Courage: The Heart of Leadership** Annabel Beerel, 2025-03-04 Courage lies at the heart of leadership Leaders need courage to make wise decisions not self interested ones They need to be able to set aside their egos to feel vulnerable to face challenges yet remain principled and hold the course This book presents many suggestions on how to make a real difference in organizations and explains how one can develop the courage to be an effective leader step by step The book is designed to give leaders the self awareness and the tools to overcome the obstacles that prevent us from leading effectively Leadership requires working through the systemic barriers that serve as forcefields pulling and pushing us in various directions Drawing on interviews with over 20 organizational leaders in a variety of industries the book helps leaders to address key areas that are rarely discussed the personal baggage attached to authority self esteem and self differentiation ego management and the terror of the group It highlights with examples how fear impairs our ability to make good decisions and how our tendency to reactivity and the quick fix vitiates our attempts at being courageous The hallmark of courage is the ability to have courageous conversations that invite transformation The book is ideal reading for organizational leaders who are seeking ways to break through some of the personal and systemic barriers to leading with purpose in a way that makes a real difference *Getting*

to the Heart of Leadership Megan Crawford, 2009-01-13 This book makes an important contribution to the literature on educational leadership and should help to shift the emphasis from rational and accountability related models to an explicit recognition of the importance of emotions to effective leadership Educational Management Administration and Leadership This book contains a wealth of case studies and vignettes to help leaders be more aware of the ways in which emotion impacts on their practice and to develop a productive and sustainable set of emotional responses experiences and leadership tools Headteacher Update This is a highly readable and engaging introduction to both the importance and power of emotions in the life and work of headteachers While leaders emotions have been badly neglected in the literature the rich body of evidence the author shares with readers indicates how central such emotions are to sustaining improvement efforts in schools Professor Ken Leithwood Ontario Institute for Studies in Education OISE University of Toronto Canada The affective side of leadership is often forgotten as school heads and leaders strive for excellence and accountability This extremely important book brings to the forefront the emotional attachments of leadership the interpersonal relationships and self awareness that are at the core of leadership action and decision making The case stories and reviews of multiple perspectives and theories provide the reader with a rich and essential resource Ellen B Goldring Professor of Education Policy and Leadership Vanderbilt University The book is framed to illuminate how headteachers experience and talk about emotion and meaning in their daily interactions and sets out to understand how emotion impacts on their leadership author s introduction Understanding the close relationship between leadership and emotion is essential for school leaders in creating modifying and sustaining the emotional coherence of the whole school Megan Crawford aims to help school leaders understand why emotion is such a powerful component of leadership The author examines how school leaders experience emotion and meaning in their daily interactions and presents a reflective journey concentrating on the personal side of school leadership The author shows how school climate depends on the personal emotional quality of the leader and his her interface with other social relationships in the school covering areas such as difficult people and situations shame loss and drawing on primary and secondary case studies school leaders reflections and the influence of their life history school context and emotional epiphanies This book is for practising educational leaders and managers tutors and students on Masters courses EdD courses and on programmes such as the National Professional Qualification for Headship its equivalent for Children s centres and other national programmes in educational leadership and management
