Madame Sarah Grand 1854 1943 born Frances Bellenden Clarke was a feminist writer active from 1873 to 1922 in the United Kingdom of Great Britain and Ireland Her work dealt with the New Woman in fiction and in fact she wrote treatises on the subject of the failure of marriage and her novels may be considered strongly anti marriage polemics For some women the New Woman movement provided support for women who wanted to work and learn for themselves and who started to question the idea of marriage and the inequality of women For other women especially Sarah Grand the New Woman movement allowed women to speak out not only about the inequality of women but about middle class women s responsibilities to the nation In *The Heavenly Twins* 1893 Grand demonstrates the dangers of the moral double standard which overlooked men s promiscuity while punishing women for the same acts More importantly however Grand argues in *The Heavenly Twins* that in order for the British nation to grow stronger middle class women had the responsibility of choosing mates with whom they might produce strong well educated children **Special relationships** Janet Beer, Bridget Bennett, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license This book addresses the special relationship from the perspective of post Second World War British governments It argues that Britain s foreign policy challenges the dominant idea that its power has been waning and that it sees itself as the junior partner to the hegemonic US The book also shows how at moments of international crisis successive British governments have attempted to re play the same foreign policy role within the special relationship It discusses the power of a profoundly antagonistic relationship between Mark Twain and Walter Scott The book demonstrates Stowe s mis reading and mis representation of the Highland Clearances It explains how *Our Nig* the work of a Northern free black also provides a working class portrait of New England farm life removed from the frontier that dominates accounts of American agrarian life Telegraphy which transformed transatlantic relations in the middle of the century was used by spiritualists as a metaphor for the ways in which communications from the other world could be understood The story of the Bolton Whitman Fellowship is discussed Beside Sarah Orne Jewett s desk was a small copy of the well known Raeburn portrait of Sir Walter Scott Henry James and George Eliot shared a transatlantic literary network which embodied an easy flow of mutual interest and appreciation between their two milieux In her autobiography Gertrude Stein assigns to her lifelong companion the repeated

comment that she has met three geniuses in her life Stein Picasso and Alfred North Whitehead **The Mystery of the Sea**
 Bram Stoker,1903 **The Bookman** ,1893 *Behind the Times* Mary Jean Corbett,2020-11-15 Virginia Woolf throughout
 her career as a novelist and critic deliberately framed herself as a modern writer invested in literary tradition but not bound
 to its conventions engaged with politics but not a propagandist a woman of letters but not a lady novelist As a result Woolf
 ignored or disparaged most of the women writers of her parents generation leading feminist critics to position her primarily
 as a forward thinking modernist who rejected a stultifying Victorian past In *Behind the Times* Mary Jean Corbett finds that
 Woolf did not dismiss this history as much as she boldly rewrote it Exploring the connections between Woolf s immediate and
 extended family and the broader contexts of late Victorian literary and political culture Corbett emphasizes the ongoing
 significance of the previous generation s concerns and controversies to Woolf s considerable achievements *Behind the Times*
 rereads and revises Woolf s creative works politics and criticism in relation to women writers including the New Woman
 novelist Sarah Grand the novelist and playwright Lucy Clifford the novelist and anti suffragist Mary Augusta Ward It explores
 Woolf s attitudes to late Victorian women s philanthropy the social purity movement and women s suffrage Closely tracking
 the ways in which Woolf both followed and departed from these predecessors Corbett complicates Woolf s identity as a
 modernist her navigation of the literary marketplace her ambivalence about literary professionalism and the mixing of art
 and politics and the emergence of feminism as a persistent concern of her work Biennial Report of the Secretary of State
