**The Hidden Christ** James L. Ferrell, 2009 SUB TITLE Beneath the Surface of the Old Testament **Christ, B.C.** Bill Myers, 1990 Examines the specific references to Jesus Christ found in the Old Testament and includes devotional readings

**The Hidden Christ** Richard Kieninger, 1989-01-01 Christ B. C. Bill Myers, Nancy J. Collins, 2019-04-15 The Hidden Christ Alan Robinson, 2000 *Christ B. C.* Bill Myers, Nancy J. Collins, 2019-04-15 Christ B C is a 14 lesson study Each lesson contains a commentary and a week s daily study questions except for the final lesson which contains the final commentary only Jesus Christ is eternal He is present throughout the Old Testament from Genesis through Malachi just as certainly as He is present throughout the New Testament Often as people read through the Old Testament they are not aware of the symbolism that points to Jesus Christ Christ B C does not explore every pre incarnate reference or allusion to Christ Instead each lesson takes a look at some aspect of Jesus Christ in the Old Testament examines how it relates to Him in the New Testament and explores how it applies to us today It is an exploration that will make Him more personal in your day to day living and lead you deeper into His great love for you

**Jesus Incognito** Martien E. Brinkman, 2013 In this book Martien Brinkman explores the Jesus incognito as found in Western film literature and the visual arts since 1960 His interest here is focused primarily on indirect references to the Jesus figure To his surprise he found an abundance of allusions to Jesus in key figures in modern art This confirmed his view that film literature and the visual arts make a substantial contribution even in secular Western culture to continuing reflection on Jesus significance Brinkman finds important characteristics of a hidden Christ in films by Gabriel Axel Ingmar Bergman Krzysztof Kieslowski and Lars von Trier novels by Peter De Vries J M Coetzee and Arnon Grunberg poems by Les Murray and Czeslaw Milosz and paintings by Andy Warhol Harald Duwe and Frans Franciscus He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus The hidden Christ is therefore a contemporized Jesus figure This book will be of interest for everyone who shares Brinkman s quest for this Jesus incognito

*The Hidden Christ* Laurence Housman, 1937 The Hidden Christ Beverly Carradine, 2008 A Critical Reading of the Development of Raimon Panikkar's Thought on the Trinity Camilia Gangasingh MacPherson, 1996 This book traces the Trinitarian thought of Raimon Panikkar in his attempt to bridge the gap between Christianity and the world religions The viewpoints of the early and later Panikkar show continuity and shifts in his Trinitarian theology The early Panikkar provides a Trinitarian theology and reaches the heart of the world religions especially the Advaita Vedanta experience in Hinduism and the Nirvana experience of Buddhism The later Panikkar still using many of the probing concepts of his earlier thought departs significantly from traditional Christian theology His thoughts still continue the attempt at bridge building between Christianity on the one hand and the world religions and even the secular world on the other Although several dimensions of Panikkar s Trinitarian theology are open to severe criticism nevertheless it serves as an effective tool for furthering

awareness of and dialogue between the world religions      The Hidden Christ - Volume 2 Hayes Press,2017-03-19 Volume two of this series reviews the types and shadows evident in the Old Testament sacrifices and offerings CHAPTER ONE THE BURNT OFFERINGCHAPTER TWO THE MEAL OFFERINGCHAPTER THREE THE PEACE OFFERINGCHAPTER FOUR THE SIN OFFERINGCHAPTER FIVE THE GUILT OFFERINGCHAPTER SIX THE DRINK OFFERING 1CHAPTER SEVEN THE DRINK OFFERING 2CHAPTER EIGHT THE PASSOVERCHAPTER NINE THE RED HEIFERCHAPTER TEN THE MEANING TO CHRISTIANS TODAYCHAPTER ELEVEN THE SWEET SAVOUR OF CHRISTCHAPTER TWELVE NO SWEETNESS CHAPTER THIRTEEN OFFERINGS IN THE MILLENNIAL KINGDOM      **The Ministry, Vol. 03, No. 06** Various

Authors,2017-09-03 In this issue of The Ministry Brother Lee gives a word of encouragement and exhortation to the elders and co workers in Taipei concerning the practice of the new way reminding them to be steadfast immovable always abounding in the work of the Lord knowing that your labor is not in vain in the Lord 1 Cor 15 58 As he reviews and previews the Lord s move in the new way he points out that the practice to realize our glorious future is a matter of building up the home meetings and the truth teaching meetings actively visiting the new urban communities and building up a strong testimony on all the campuses Moreover in order to pick up the burden and to spread the work aggressively there is the need to match God s move with our material supply For all this we must be like those in Judges 5 who made great resolutions in heart and great searchings of heart vv 15 16 We must achieve something for the Lord never burying the grace that the Lord has given us or the gains that our training has brought us The next three messages in this issue are a continuation of the Crystallization study of the Epistle to the Hebrews and were given in the winter training of 1998 Message Sixteen stresses the fact that Christ is the reality of the new testament the reality of all that God is and of all that God has given to us therefore Christ is the new testament Message Seventeen shows us how the law of the divine life is the spontaneous power of the divine life it is the natural characteristic and the innate automatic function of the divine life Message Eighteen presents the crucial experience of Christ shown at the incense altar within the tabernacle it is by the prayer at the incense altar that we participate in Christ s interceding life as the center of the divine administration Last of all we include the many reports of the Lord s move throughout the earth given by a number of brothers at the Spring 1999 International Training of Elders and Responsible Ones in Ventura California      **Sophia** Christopher Pramuk,2009-10-01 While numerous studies have celebrated

Thomas Merton s witness as an interfaith pioneer poet and peacemaker there have been few systematic treatments of his Christology as such and no sustained exploration to date of his relationship to the Russian Sophia tradition This book looks to Thomas Merton as a classic theologian of the Christian tradition from East to West and offers an interpretation of his mature Christology with special attention to his remarkable prose poem of 1962 Hagia Sophia Bringing Merton s mystical prophetic Vision fully into dialogue with contemporary Christology Russian sophiology and Zen as well as figures such as John Henry Newman and Abraham Joshua Heschel the author carefully but boldly builds the case that Sophia the same theological eros

that animated Merton's religious imagination in a period of tremendous fragmentation and violence might infuse new vitality into our own. A study of uncommon depth and scope inspired throughout by Merton's extraordinary catholicity. Christopher Pramuk PhD is assistant professor of theology at Xavier University in Cincinnati, Ohio. He is the author of two books and numerous essays and the recipient of the Catholic Theological Society of America's 2009 Catherine Mowry LaCugna Award.

This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time it provides a limited review of the Summer Training held June 28-July 3, 2004 in Anaheim, California, on the crystallization study of Colossians. **Belongs to God** Christoph Friedrich Blumhardt, 2015. A pastor's frank advice for Christians who want to bring the gospel to their neighbors. Gold Medal Winner 2016 Illumination Book Award in ministry mission. Independent Publishers. How can Christians represent the love of Christ to their neighbors, let alone people in foreign countries in an age when Christianity has earned a bad name from centuries of intolerance and cultural imperialism? Is it enough to love and serve them? Can you win their trust without becoming one of them? Can you be a missional Christian without a church? This provocative book, based on a recently uncovered collection of 100-year-old letters from a famous pastor to his nephew, a missionary in China, will upend pretty much everyone's assumptions about what it means to give witness to Christ. Blumhardt challenges us to find something of God in every person, to befriend people and lead them to faith without expecting them to become like us, and to discover where Christ is already at work in the world. This is truly good news. No one on the planet is outside the love of God. At a time when Christian mission has too often been reduced to social work or proselytism, this book invites us to reclaim the heart of Jesus' great commission, quietly but confidently incarnating the love of Christ and trusting him to do the rest. **An**

**Introduction to Third World Theologies** John Parratt, 2004-06-10. The greatest change which has come about in Christian theology over the last generation has been the explosion of contextual theologies in different parts of the world. This book provides an overview of the main trends and contributions to Christian thought of Third World theologies. It sets out the common context of these theologies in their experience of colonialism and western missions and suggests that they have forged new ways of doing theology which are quite distinct from the theological traditions of the western world. With key contributions from experts in their fields on Latin America, India, East Asia, West and East Africa, Southern Africa, and the Caribbean, this book situates Christian thought in the cultural and socio-political contexts of their respective regions and demonstrates how Third World theologies are providing different perspectives on what it means to be a Christian in today's global world. **The Hidden Side of Christian Festivals** Charles Webster Leadbeater, 1920. *Colossians and Philemon*

Marianne Meye Thompson, 2005-11-02. Colossians and Philemon have traditionally been overshadowed by other New

Testament texts thought to express Pauline theology more clearly In this notable commentary however Marianne Meye Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith In Colossians she finds an overarching narrative of the Bible s grand creation redemption story and an important emphasis on the relationship between creation and Christology while her exploration of Philemon casts brighter light on the significance of Paul s familial metaphors for the church and the meaning of new humanity in Christ Throughout her work on these two epistles Thompson continually connects her insights to theological concerns making this volume an excellent addition to the Two Horizons series

**The Way of the Lord's Recovery** Witness Lee, 2024-08-05 The way of recovery is to recover Christ as our life and everything to recover the vitality and functioning of every member of the Body of Christ and to recover the ground of the oneness of the church For this there are several important things that we must carry out in our service including preaching the gospel endeavoring to lead people to salvation and the knowledge of Christ and leading the brothers and sisters to function in a living way coordinate in service and maintain the testimony of the Lord on the ground of oneness All this service must be for the church The ultimate goal of our service is to build up the church because the church is what God wants to obtain in the universe
