Nonbinary Gender Identities Charlie McNabb,2017-12-08 Nonbinary gender identities are those that fall outside the traditional binary of man and woman These include genderfluid androgynous genderqueer and a multitude of other identity terms some of which overlap Although there have always been people who identify outside the gender binary only recently have they gained popular media attention Despite some visibility however nonbinary gender identities are poorly understood by the general public It is critically important for gender minorities to find themselves in the media that they consume Just as important is the need for those outside the minority community to understand and appreciate them Nonbinary gender identities are represented in books and other media but these resources prove difficult to locate as classification vocabulary doesn't evolve as quickly as community language Reference sources identified include archives and special collections theses and dissertations key journals and related organizations and associations This timely resource the first reference on nonbinary gender identities offers an accessible entry into researching this topic Written by a nonbinary scholar and librarian this guide includes valuable appendixes that will aid every researcher and writer a glossary of the rich vocabulary emerging from nonbinary communities a guide to pronoun usage a primer on sex sexuality and gender and Library of Congress Classification information

The Hienama Storm Constantine,2008-10-01 When Jassenah har Sulh arrives in the Wraeththu town of Jesith to train magically with the famous hienama Ysobi he's unprepared for the effect this har will have on him Ysobi opens Jassenah's mind to the potential that hara can reach for and in doing so also opens his heart Just as it seems Jassenah has achieved his heart's desire a new student arrives in the form of Gesaril a damaged young creature with mysteries lurking in his past The magic of both the unseen world and that of harish emotions conspire to destroy Jassenah's idyllic life until he feels he's forced to stoop to equally cruel methods to salvage his happiness But at what cost The Hienama is a rich and deeply erotic tale of the Wraeththu set in the magical land of Alba Sulh This is not a story of great leaders who affect the destiny of all but simply that of hara who live on the land and in the wake of human passing are trying to establish communities They strive to cast off human limitations but sometimes this task proves difficult especially when it involves matters of the heart when all the dark anxieties and jealousy of their previous human condition can rise to torment them This story is the first in a series of Wraeththu novellas by Storm Constantine involving the hermaphrodite race who comes to replace humanity first explored in her seminal trilogies The Wraeththu Chronicles and The Wraeththu Histories
