Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia

Rachel Sandford

Sir John Merrick English Merchant-diplomat In Seventeenth Century Russia:

Sir John Merrick, English Merchant-diplomat in Seventeenth-century Russia Geraldine M. Phipps, 1983 **Sir John Merrick, English Merchant-diplomat in Seventeenth-century Russia** Geraldine M. Phipps, 1983 **Britannia & Muscovy** Brian Allen, Irina Zagardnaya, 2006-01-01 Accompanying an exhibition of English silver in the Moscow Kremlin Museums where sixteenth and seventeenth century silver is housed The silver items a large water pot with snake shaped flagon shaped like a leopard and more exemplify the developing ties between England and Russia *Russia and the Dutch Republic, 1566-1725* Kees Boterbloem, 2021-06-29 Russia and the Dutch Republic 1566 1725 A Forgotten Friendship outlines how the Netherlands had an outsized impact on the early development of Russia into a Great Power in the course of the seventeenth century Although this influence is usually associated with Peter the Great's reign the author argues that much of it predates Peter's accession to the tsarist throne Kees Boterbloem explores the origins and development of the narrow ties the United Provinces Dutch Republic and the Russian Empire maintained in the early modern age weighing their political military economic and cultural significance for world history *Art and Diplomacy: Seventeenth-Century English Decorated Royal Letters to Russia and the Far East* Maija Jansson, 2015-09-01 In this study of Art and Diplomacy we see the relationship between renaissance design in decorated borders and the messages conveyed in the texts of royal letters from the English kings to Russia and rulers in the Far East These are cases of art serving the Crown with much of the early limning done by Edward Norgate the English miniaturist Printed here for the first time from Russian archives this collection provides a continuum for the study of the limning of royal letters throughout the 17th century The letters that the decoration enhances reveal the details of privileges and commercial advantages sought by the English and the cultural interests of the Russians in their requests for English doctors apothecaries jewellers and mineralogists **Russische und Ukrainische Geschichte Vom 16.-18. Jahrhundert** Robert O. Crummey, Holm Sundhaussen, Ricarda Vulpius, 2001 Der Sammelband mit 30 Beiträgen zur Frühen Neuzeit der ostslavischen Geschichte bündelt internationale Forschungsergebnisse die zum Teil unter Einbeziehung neuer Archivquellen zeigen dass die wichtigsten Phänomene der Moderne alle ihre Wurzeln in den hier behandelten Jahrhunderten haben Dabei finden verfassungspolitische Themen ebenso ihre Berücksichtigung wie konfessionelle ideengeschichtliche wirtschaftliche bildungs oder aussenpolitische Fragen Neue kulturgeschichtliche Ansätze finden ihren Niederschlag zum einen in geschlechterspezifischen Beiträgen zum anderen in Aufsätzen zur Erinnerungskultur z B die national ukrainische Geschichte des 17 Jahrhunderts im Spiegel der Publizistik Ende des 19 Jahrhunderts Besonderes Augenmerk gilt der Auseinandersetzung mit dem fachlichen Vermächtnis des im Jahre 2000 verstorbenen Professor Hans Joachim Torkes *English Trade and Adventure to Russia in the Early Modern Era* Maria Salomon Arel, 2019-04-25 In English Trade and Adventure to Russia in the Early Modern Era Maria Salomon Arel revisits Anglo Russian trade in first half of the seventeenth century Drawing on largely neglected Russian and English sources she reconstructs the history of the

Muscovy Company in a period of expanding opportunities for foreigners in Russia and of tightening links between regional markets across the globe In her strongly revisionist telling the Company successfully rebuilt in the aftermath of the devastating Time of Troubles securing its uniquely privileged position in the Russian market at the hands of a newly installed tsar and Romanov dynasty keen to revive the country's decimated economy through the stimulus of foreign trade Meanwhile on the London end of a trade clearly deemed relevant to commercial and shipping interests increasingly dependent on Russian naval stores and invested in the Russian re-export trades to and from the Mediterranean and Asia the Company restructured its organization and finances with crucial royal support in furtherance of the public good and early Stuart dynastic honor As Arel documents by the 1630s 40s English trade to Russia was flourishing as seen in the growing number of Muscovy Company men active all along the Moscow Archangel route their substantial commercial infrastructure extensive supply networks among a broad swath of Russian merchants and traders and prominent role in the exploitation of monopoly trades established to fill the tsar's coffers with specie The picture drawn by Arel overturns a traditional narrative on the Russia trade that has relegated the English to the shadows demonstrating the tenacity and continued development of their enterprise at the intersection of English commercial expansion Russian economic growth and advancing globalization processes Taking the narrative even further the book opens up new perspectives and research directions by pointing to an incipient link between the Russian and transatlantic markets while shifting the lens on the Anglo Dutch relationship in the Russia trade away from the time worn dichotomy of cutthroat competition to a more nuanced understanding of mutual cooperation and business association between merchants on the ground even in the face of commercial and territorial competition between nations

Russian Overseas Commerce with Great Britain During the Reign of Catherine II Herbert H. Kaplan, 1995 Finally Kaplan persuasively argues that Britain's military supremacy crucially depended on its receiving an uninterrupted supply of Russian manufactured and natural resources

Russia's Foreign Trade and Economic Expansion in the Seventeenth Century J. T. Kotilaine, 2005-01-01 This work is the first comprehensive assessment of Russia's foreign trade flows and economic growth in the seventeenth century By demonstrating the growing openness of the economy it reveals a key element in Russia's rise to great power status

Writing Russia in the Age of Shakespeare Daryl W. Palmer, 2017-03-02 This study commences with a simple question how did Russia matter to England in the age of William Shakespeare In order to answer the question the author studies stories of Lapland survival diplomatic envoys merchant transactions and plays for the public theaters of London At the heart of every chapter Shakespeare and his contemporaries are seen questioning the status of writing in English what it can and cannot accomplish under the influence of humanism capitalism and early modern science The phrase Writing Russia stands for the way these English writers attempted to advance themselves by conjuring up versions of Russian life Each man wrote out of a joint stock arrangement and each man's relative success and failure tells us much about the way Russia mattered to England

Russia in the Early Modern World

Donald Ostrowski,2022-01-25 A fundamental problem in studying early modern Russian history is determining Russia's historical development in relationship to the rest of the world The focus throughout this book is on the continuity of Russian policies during the early modern period 1450-1800 and that those policies coincided with those of other successful contemporary Eurasian polities The continuities occurred in the midst of constant change but neither one nor the other continuities or changes alone can account for Russia's success Instead Russian rulers from Ivan III to Catherine II with their hub advisors managed to sustain a balance between the two During the early modern period these Russian rulers invited into the country foreign experts to facilitate the transfer of technology and know how mostly from Europe but also from Asia In this respect they were willing to look abroad for solutions to domestic problems Russia looked westward for military weaponry and techniques at the same time it was expanding eastward into the Eurasian heartland The ruling elite and by extension the entire ruling class worked in cooperation with the ruler to implement policies The Church played an active role in supporting the government and in seeking to eliminate opposition to the government [The Corporation as a Protagonist in Global History, c. 1550-1750](#) ,2018-12-10 William A Pettigrew and David Veevers put forward a new interpretation of the role Europe's overseas corporations played in early modern global history recasting them from vehicles of national expansion to significant forces of global integration Across the Mediterranean Atlantic Indian Ocean and Pacific corporations provided a truly global framework for facilitating the circulation movement and exchange between and amongst European and non-European communities bringing them directly into dialogue often for the first time Usually understood as imperial or colonial commercial enterprises The Corporation as a Protagonist in Global History reveals the unique global sociology of overseas corporations to provide a new global history in which non-Europeans emerged as key stakeholders in European overseas enterprises in the early modern world Contributors include Michael D Bennett Aske Laursen Brock Liam D Haydon Lisa Hellman Leonard Hodges Emily Mann Simon Mills Chris Nierstrasz Edgar Pereira Edmond Smith Haig Smith and Anna Winterbottom [Stuarts and Romanovs](#) Paul Dukes,2019-07-29 Contents Illustrations Preface Abbreviations Maps Introduction The Sixteenth Century Legacy New Beginnings 1603-1625 From Decline to Disruption 1625-1649 Crisis Interregnum and Restoration 1649-1663 The Struggle for Revival 1663-1676 Towards Termination 1676-1688 Endgame 1688-1698 Conclusion Seventeenth Century Legacy Bibliography Index **Russia's First Civil War** Chester S. L. Dunning,2010-11-01 He shows that serfs did not actively participate in the civil war and that the abolition of serfdom was never a rebel goal Instead most rebels were petty gentry professional soldiers townsmen and Cossacks who were united in fierce opposition to tsars they believed to be illegitimate usurpers **The Sun Rising** Anna Whitelock,2025-10-28 A gripping and thought-provoking account of the reign of King James I who united Britain and made England the global power we know today The British monarchy of today descends directly from one leader King James I whose huge and much overlooked influence launched England as a major international trade power established the King James Bible and united the

royal families of Scotland and England under one house and one monarch Along with his wife Anna of Denmark and his children Henry Elizabeth and Charles James sought to broker agreements between the warring Catholic and Protestant princes in Europe and establish an era of peace Instead James set the groundwork for his children to grow up and champion a militant Protestantism that plunged the entire continent into religious war At his ascension England was economically behind but James's global ambitions began to shift the tide As ships departed London for America Russia Persia India and Japan the fledgling East India Company began to intertwine ever closer with the crown And James himself was dogged by scandal running a court famously reputed for vice and venality But his court was also rich in art drama and literature Shakespeare's King Lear and Macbeth said to have been inspired by James himself were both first performed at the Jacobean court Set across England and the Continent over the course of twenty years beginning with the death of Elizabeth I in 1603 and the ascension of James I and ending in 1625 with Charles I becoming king The Sun Rising presents a rich and compelling portrait of the royal family and a story of dynastic power politics which ultimately and viciously split Europe *Modernizing Muscovy* Jarmo Kotilaine, Marshall Poe, 2004-08-02 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

Orthodox Russia in Crisis Isaiah Gruber, 2012-05-15 A pivotal period in Russian history the Time of Troubles in the early seventeenth century has taken on new resonance in the country's post Soviet search for new national narratives The historical role of the Orthodox Church has emerged as a key theme in contemporary remembrances of this time but what precisely was that role The first comprehensive study of the Church during the Troubles Orthodox Russia in Crisis reconstructs this tumultuous time offering new interpretations of familiar episodes while delving deep into the archives to uncover a much fuller picture of the era Analyzing these sources Isaiah Gruber argues that the business activity of monasteries played a significant role in the origins and course of the Troubles and that frequent changes in power forced Church ideologues to innovate politically for example inventing new justifications for power to be granted to the people and to royal women These new ideas Gruber contends ultimately helped bring about a new age in Russian spiritual life and a crystallization of the national mentality *The Elusive Empire* Matthew P. Romaniello, 2012-01-30 In 1552 Muscovite Russia conquered the city of Kazan on the Volga River It was the first Orthodox Christian victory against Islam since the fall of Constantinople a turning point that over the next four years would complete Moscow's control over the river This conquest provided a direct trade route with the Middle East and would transform Muscovy into a global power As Matthew Romaniello shows however learning to manage the conquered lands and peoples would take decades Russia did not succeed in empire building because of its strength leadership or even the weakness of its neighbors Romaniello contends it succeeded by managing its failures Faced with the difficulty of assimilating culturally and religiously alien peoples across thousands of miles the Russian state was forced to compromise in ways that for a time permitted local elites of diverse backgrounds to share in governance and to preserve a measure of autonomy Conscious manipulation of political and religious language

proved more vital than sheer military might For early modern Russia empire was still elusive an aspiration to political economic and military control challenged by continuing resistance mismanagement and tenuous influence over vast expanses of territory *From Mutual Observation to Propaganda War* Malte Griesse,2014-03-15 The Arab spring protest movements in the EU Russia Turkey or elsewhere are often labeled as twitter revolutions A crucial role is attributed to the new media coverage of events abroad and ensuing mutual reactions With the dissemination of print revolts in early modern times faced the challenge of a similar media revolution This influenced the very face of the events that could become full fledged propaganda wars once the insurgents had won access to the printing press But it also had an impact on revolt narratives Governments severely persecuted dissident views in such delicate issues as revolts Observers abroad had no such divided loyalties and were freer to reflect upon the events Therefore the book focuses mainly on representations of revolts across borders **A British Embassy to St. Petersburg** Michael Jay Bitter,1999

Reviewing **Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia has opened up a world of possibilities. Downloading Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sir John Merrick English Merchantdiplomat In Seventeenth Century Russia Books
