lasting literary careers The book emphasizes the therapeutic value of narrative disclosure and its ability to yield a deeper understanding of the impact of childhood trauma and adversity on women writers and how their creative response shaped modern culture As such it contextualizes trauma as lived experience for each writer along with current research on early loss and mourning childhood abuse and family systems theory in order to appreciate more fully how writing as ritual may help transform mental and emotional debility The Obituary as Collective Memory Bridget Fowler,2007-11-13 The first serious academic study of obituaries this book focuses on how societies remember Bridget Fowler makes great use of the theories of Pierre Bordieu arguing that obituaries are one important component in society s collective memory This book the first of its kind will find a place on every serious sociology scholar s bookshelves New Feminist Essays on Virginia Woolf Jane Marcus,1981-06-18 **Domestic Biography** Christopher Tolley,1997 Christopher Tolley has written a fascinating account of the influence of evangelicalism upon eminent Victorians from the members of the Clapham sect down to the more secular Bloomsbury group Recording family life and deaths was an important ritual in Victorian households and out of this habit grew a new literary genre the domestic biography celebrating individual achievement family piety and domestic virtue Using a wide range of hitherto unpublished material from family archives Dr Tolley analyses the biographical traditions exemplified by the public and private utterances of different generations of four leading Victorian families Macaulay Stephen Wilberforce and Thornton This book is a perceptive commentary on the role of the domestic biography as a testament to the cultural legacy of the Victorian intelligentsia and the creation of family values *Creative Negativity* Carol Hanbery MacKay,2001 Focusing on the early Modern and Victorian periods the author finds covert revolutionaries in four familiar practitioners of a strategy she calls creative negativity poet photographer Julia Margaret Cameron 1815 1879 novelist essayist Anne Thackeray Ritchie 1837 1919 activist spiritual leader Annie Besant 1847 1933 and actress writer Elizabeth Robins 1862 1952 Biography ,1999 An interdisciplinary quarterly **The Continuum Encyclopedia of British Philosophy: R-Z** A.
