Edwards,1885      **She Animates** Lora Mjolsness,Michele Leigh,2021-02-02 She Animates examines the work of twelve female animation directors in the Soviet Union and Russia who have long been overlooked by film scholars and historians Our approach examines these directors within history culture and industrial practice in animation In addition to making a case for including these women and their work in the annals of film and animation history this volume also makes an argument for why their work should be considered part of the tradition of women s cinema We offer textual analysis that focuses on the changing attitudes towards both the woman question and feminism by examining the films in light of the emergence and evolution of a Soviet female subjectivity that still informs women s cinema in Russia today      *The Tales of Uncle Remus / Сказки дядюшки Рымуса. *The Naked And The Undead* Cynthia Freeland,2018-03-05 Horror is often dismissed as mass art or lowbrow entertainment that produces only short term thrills Horror films can be bloody gory and disturbing so some people argue that they have bad moral effects inciting viewers to imitate cinematic violence or desensitizing them to atrocities In *The Naked and the Undead* Evil and the Appeal of Horror Cynthia A Freeland seeks to counter both aesthetic disdain and moral condemnation by focusing on a select body of important and revealing films demonstrating how the genre is capable of deep philosophical reflection about the existence and nature of evil both human and cosmic In exploring these films the author argues against a purely psychoanalytic approach and opts for both feminist and philosophical understandings She looks at what it is in these movies that serves to elicit specific reactions in viewers and why such responses as fear and disgust are ultimately pleasurable The author is particularly interested in showing how gender figures into screen presentations of evil The book is divided into three sections Mad Scientists and Monstrous Mothers which looks into the implications of male rationalistic scientific technology gone awry The Vampire s Seduction which explores the attraction of evil and the human ability or inability to distinguish active from passive subject from object and virtue from vice and Sublime Spectacles of Disaster which examines the human fascination with horror spectacle This section concludes with a chapter on graphic horror films like *The Texas Chainsaw Massacre* Written for both students and film enthusiasts the book examines a wide array of films including *The Silence of the Lambs* *Repulsion* *Frankenstein* *The Fly* *Dead Ringers* *Alien* *Bram Stoker s Dracula* *Interview with the Vampire* *Frenzy* *The Shining* *Eraserhead* *Hellraiser* and many others      *Tales of Uncle Remus (Puffin Modern Classics)* Julius Lester,2006-12-28 Whether he is besting Brer Fox or sneaking into Mr Man s garden Brer Rabbit is always teaching a valuable lesson These classic tales are full of wit humor and creativity and Julius Lester brings an added contemporary sense to these forty eight timeless stories      *Rabbits, for exhibition, pleasure, and market* Ralph O.
