

A movie poster for the film 'Sisters in Arms'. The top half features two Black women in military uniforms. The woman on the left is in profile, looking down, while the woman on the right looks forward with a determined expression. They are wearing olive green berets and collared uniforms with green buttons. The background is a blue sky with several military aircraft flying. The bottom half of the poster is a large, aged, yellowish-brown envelope with a red and blue striped flap. The title 'Sisters in Arms' is written in a large, red, cursive font across the envelope. A circular postmark with the word 'PARIS' is visible on the right side of the envelope, and some faint, illegible text is on the left.

Sisters in Arms Erica Ruppert, 2021-07-23 Michelle de la Fortuna's research brought her back to the lonely Massachusetts coast and to the house of the reclusive Sisters of Providence For more than sixty years the Sisters have stood watch here first against the terrible pandemic that devastated their town and then against a more insidious threat from the depths of the sea Drawn into the mystery by the last remaining member of the Sisterhood Michelle begins to unravel the connections between the legends the Sisters and her own family history Generational horror with a great Occult Seventies feel Erica Ruppert weaves the sea myth and isolation into a novella rich with creepy atmosphere and deft characterization Recommended Scott R. Jones author of *Stonefish* and *Shout Kill Revel Repeat* At its core this is a story about family lore ghosts and the old haunting absence caused by an untimely death The narrative from there is adorned with a woman out to solve the mystery of her own ancestry a town hollowed out by a pandemic in the early 1900s and monsters from the sea Ruppert manages to give readers a story that while similar to all the trappings of *Innsmouth* feels new and distinct *Sisters in Arms* is a reminder of how long death sits with the living how the past always seems to catch up when we suspect it the least and of how powerless we are against it S. L. Edwards author of *The Death of an Author* *Sisters In Arms* Nicola Tyrer, 2008-09-18 The remarkable true story of the Queen Alexandra frontline nurses in the Second World War The amazing

experiences of the Queen Alexandra nurses in the Second World War form one of the greatest adventure stories of modern times and incredibly remain largely untold Thousands of middle class girls barely out of school were plucked from sheltered backgrounds subjected to training regimes unimaginably tough by today's standards and sent forth to share the harsh conditions of the fighting services They had to deal with the most appalling suffering yet most found reserves of inner strength that carried them through episodes of unrelieved horror Over 200 nurses died torpedoed in hospital ships bombed in field hospitals or murdered in Japanese prison camps Dozens won medals for gallantry From the beaches of Dunkirk to Singapore and D Day they saw it all Whether tending burned pilots from the Battle of Britain or improvising medical treatment in Japanese death camps their dedication was second to none This is their story *Sisters-in-Arms* Leah Cutter, Richard Freeborn, Joslyn Chase, Teal James Glenn, E. Crang, 2020-09-03 During the Second World War some 600 000 women were absorbed into the Women's Auxiliary Air Force the Auxiliary Territorial Service and the Women's Royal Naval Service These women performed important military functions for the armed forces both at home and overseas and the jobs they undertook ranged from cooking typing and telephony to stripping down torpedoes overhauling aircraft engines and operating the fire control instruments in anti aircraft gun batteries In this wide ranging study which draws on a multitude of sources and

combines organisational history with the personal experiences of servicewomen Jeremy Crang traces the wartime history of the WAAF ATS and WRNS and the integration of women into the British armed forces Servicewomen came to play such an integral wartime role that the military authorities established permanent regular post war women s services and in so doing opened up for the first time a military career for women Sisters in Arms John Witmer,2011-03-01 The story of three sisters all Wisconsin National Guard members going off to war together brought local media attention when Michelle Witmer became the first female National Guard member to be killed in action the story brought National attention When her parents went public with their request to have their surviving daughters taken out of harm s way the story went round the world Using the letters emails and phone calls received during their deployment John Witmer describes his daughters experiences in Iraq and provides insight not only into the lives of female soldiers but into the lives of families who wait for soldiers Sisters in Arms illuminates the changing roles of women in the military while sharing the deeply personal story of a family s struggle to come to terms with profound loss **Sisters in Arms** Meredith Goncalves,2012 Sisters in Arms Catherine Jones,1998 Three girls from entirely different backgrounds attend Sandhurst military college From the start they form bonds of friendship that take them through life until a long buried secret emerges to tear them apart Sisters in Arms ,1955 Sisters in arms Meta Bison,2001 *Sisters in Arms* Catherine Stevens,Kate Stevens,1992-01-01 **Sisters in Arms** Carmen Teresa Stein-McCormick,2011 *Catholic Women's Rhetoric in the United States* Elizabethada A. the war the contribution of the women of the British ATA to the war effort was recognized and praised both from official quarters and in the press By contrast the American WASPs were first glamorized and made into Hollywood stars and then subjected to a slander campaign What accounts for this dramatic difference in the treatment of women pilots doing essentially the same job This book seeks to answer these questions The women who participated in the ATA and WASP have been allowed to speak for themselves The story these women have to tell is exciting and intriguing **Sisters In Arms**

Andrea McKie,2020-03-23 There is always a story worth telling or remembering just as there is always a story that changed the life of the woman embedded in it We are these women with voices that no longer welcome silence as a coat of protection we are these women speaking without the request for permission we speak our stories out loud If ever you have known great pain then you have also known great joy It is impossible to completely celebrate or mourn what experience has never taught We are Sisters in Arms and these words written like simple words on a page are our undressing Our words reflect who we are individually and what we have become collectively To share our stories is to reach out to you and have you reach back knowing we have connected empowered and changed The best of who we are will always be the best we see in each other These are our sister s stories My Sister Your Sister Arm in Arm with Adolescent Girls Emily A.
