Harriot removes the white sugarcoating from the American story placing Black people squarely at the center With incisive wit Harriot speaks hilarious truth to oppressive power subverting conventional historical narratives with little known stories about the experiences of Black Americans From the African Americans who arrived before 1619 to the unenslavable bandit who inspired America s first police force this long overdue corrective provides a revealing look into our past that is as urgent as it is necessary For too long we have refused to acknowledge that American history is white history Not this one This history is Black AF

An Elusive Tradition Eric Rowan,Carolyn Stewart,2002 The period 1870 1950 is often thought of as a dark age in the artistic history of Wales Many observers believed that the lack of a visible national school of painting and sculpture meant that the visual arts in Wales were moribund In An Elusive Tradition Eric Rowan and Carolyn Stewart challenge this view and demonstrate that in fact the visual arts in Wales were more vigorous and varied than was thought at the time An Elusive Tradition comprises a series of fully illustrated studies of relatively neglected aspects of art in Wales It discusses Welsh art in relation to its geographical cultural and international contexts and focuses on the artists and patrons both Welsh and non Welsh who ensured that the arts in Wales continued to flourish including William Burges Frederick Rolfe Theodore Baily David Jones Eric Gill Augustus John J D Innes Baron Howard de Walden the Third Marquess of Bute the Davies sisters and John Quinn
