Sitting Bull Stanley Vestal,2014-12-17 If that is Long Hair I am the one who killed him White Bull the young nephew of Sitting Bull said when Bad Juice pointed out Custer s body immediately after the Battle of the Little Big Horn Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill s Wild West Show as the warrior who killed Custer But this new edition of Stanley Vestal s classic biography of the famous chief emphasizes that Sitting Bull s fame does not rest upon the death of Custer s five troops Had he been twenty miles away shooting antelope that morning he would still remain the greatest of the Sioux The stirring account of the death throes of a mighty nation and its leader is the story of the greatest of the Sioux and his struggle to keep his people free and united The Sioux were formidable warriors as attested to by men who fought against them like General Anson Mills who said They were the best cavalry in the world their like will never be seen again but they were up against an overwhelming tide of soldiers homesteaders and bureaucrats Sitting Bull fought long and hard and He was a statesman one of the most farsighted we have had but statesmanship could not prevail against such odds This powerful biography of Sitting Bull is brought to a new generation of readers in h a new and expanded edition for much new material had been added to the original edition published in 1932 that could not be disclosed while the informants were still living Sitting Bull is a moving account of the epic courage of one man in the face of his inevitable defeat as the last defender of his people s rights *American Frontiers* Gregory H. A Patriot's History of the United States Larry Schweikart,Michael Allen,2014-11-25 Revised and updated this 15th anniversary edition of the 1 New York Times bestseller salutes America's true and proud history Fifteen years ago Professors Larry Schweikart and Michael Allen set out to correct the doctrinaire biases that had distorted the way America's past is taught and they succeeded A Patriot's History of the United States is the definitive objective history of our country presented honestly and fairly Schweikart and Allen don't ignore America's mistakes through the years Instead they put them back in the proper perspective celebrating the strengths of the men and women who cleared the wilderness abolished slavery and rid the world of fascism and communism Now in this revised fifteenth anniversary edition a new generation of readers will learn the truth about America's discovery founding and advancement from Columbus's voyage to Trump's promise to Make America Great Again *Today Is a Good Day to Fight* Mark Felton,2009-04-01 Blood guts dust and hatred the real history of the American West Today is a Good Day to Fight covers the period from the initial penetration of the region by settlers and prospectors in the 1840s until the end of the Indian Wars in the 1890s It explains the history of white Indian conflict from the military point of view showing how the United States used its army to wage terrible wars of conquest upon Native American peoples in order to take the land from them and enrich the growing nation and how the Indians never really stood a chance in trying to defend their homelands Highlighting the fractious and bitter relations between tribes unable and unwilling to unite in time to stave off their common enemy it tries to portray the utter bitterness of the conflict between white and Indian and how both sides resorted to increasingly foul acts of war and slaughter as the conflict progressed A dirty underhanded and scrappy conflict the outrages committed by both sides fuelled bitterness and resentment that still exists in America today
