distinguishes them from other translators. They stretch the boundaries of the translation proper, their words spilling over into the liminal space of the text. In some cases they hijack the act of translation to serve their own ends. Through their tales of loss, counterfeit and hard labour they cast an occasionally bleak glance at what it means to be a translator. Yet they also pay homage to translation and provide fresh insights that continue to manifest themselves in current works of literature. By engaging with translation as a literary act in its own right, these eminent writers confer greater prestige on what has traditionally been viewed as a subservient art.

Paris on the Brink Mary McAuliffe, 2018-09-13 Paris on the Brink vividly portrays the City of Light during the tumultuous 1930s from the Wall Street Crash of 1929 to war and German Occupation. This was a dangerous and turbulent decade during which workers flexed their economic muscle and their opponents struck back with increasing violence. As the divide between haves and have nots widened, so did the political split between left and right, with animosities exploding into brutal clashes intensified by the paramilitary leagues of the extreme right. Hitler, Stalin and Mussolini escalated the increasingly hazardous international environment while the civil war in Spain added to the instability of the times. Yet throughout the decade Paris remained at the center of cultural creativity. Major figures on the Paris scene such as Gertrude Stein, Ernest Hemingway, Andr  Gide, Marie Curie, Pablo Picasso, Igor Stravinsky and Coco Chanel continued to hold sway, in addition to Josephine Baker, Sylvia Beach, James Joyce, Man Ray and Le Corbusier. Simone de Beauvoir and Jean Paul Sartre could now be seen at their favorite caf s while Jean Renoir, Salvador Dal  and Elsa Schiaparelli came to prominence along with France's first Socialist prime minister, L on Blum. Despite the decade's creativity and glamour, it remained a difficult and dangerous time, and Parisians responded with growing nativism and anti-Semitism while relying on their Maginot Line to protect them from external harm. Through rich illustrations and evocative narrative, Mary McAuliffe brings this extraordinary era to life.

Pablo Picasso, Gertrude Stein Pablo Picasso, Leo Stein, 2008 Pablo Picasso 1881-1973 is the colossus of 20th Century art, legendary for his gargantuan capacities for both consuming life and producing art. Gertrude Stein 1874-1946 was an art critic, one of the first collectors of Cubism and author of *The Autobiography of Alice B. Toklas*.
