The Six Messiahs Mark Frost, 2013 The sequel to The List of 7 Ten years have passed since Doyle first met the brilliant Jack Sparks and together they cracked the deadly case of the List of 7 Inspired by his friend Doyle went on to create Sherlock Holmes the character that has since made him a wealthy and celebrated man Now off to America for his first book tour Doyle is joined by his impetuous younger brother and a cryptic Irish priest During their voyage the men are stalked by an otherworldly order of assassins attempting to steal a precious piece of the ship's cargo a priceless book of ancient mysticism The Book of Zohar is the first piece of a lethal puzzle that will draw Doyle across the young nation Doyle and his companions track the paths of six mysterious strangers who are united by a single eerie dream a black tower rising out of a wasteland and a river of blood As their trails converge at the source of this terrifying vision Doyle and company confront an evil so dark and profound that it threatens to obliterate the very fabric of the world

The Messiah in the Old Testament Walter C. Kaiser, 1995 The Old Testament both tells the story of Israel and points to the coming Messiah Kaiser distinguishes between Old Testament passages that describe national Israel's glorious future and those that point to Christ and his kingdom Kaiser's chronological approach traces Israel's developing concept of Messiah through different time periods

The 6 Messiahs Mark Frost, 2006-03 This clever terrifying novel is a classical style slam bang adventure First came the 7 now there are 6 Arthur Conan Doyle is a celebrated author due to the enormously popular exploits of the fictional detective he fashioned after his boldly eccentric sleuthing partner Jack Sparks Together a decade earlier they curtailed the apocalyptic triumph of a dread otherworldly menace And now an even more horrific game is afoot Certain doom awaits Doyle his impetuous younger brother Innes on a book tour across America as do 6 extraordinary personages linked solely by dreams of a black tower a river of blood For each has a leading role to play in the ultimate drama of light versus darkness

Highlighting connections that have been hidden from non-Jewish eyes, Rabbi Jason Sobel will connect the dots between the Old and New Testament, helping you see the Bible with clarity as God intended. Most people, even people of faith, do not understand how the Bible fits together. Too many Christians accept half an inheritance, content to embrace merely the New Testament while Jewish people may often experience the same by embracing only the Old Testament. But God has an intricate plan and purpose for both the Old and the New. In *Mysteries of the Messiah*, Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight. Known for his emphatic declaration but there's more; he guides us in seeing the passion and purpose of the Messiah. *Mysteries of the Messiah* uncovers connections between the Old and New Testaments, connects the dots for readers with details about Jesus, the Torah, and biblical characters. Written with the unique perspective of a rabbi with an evangelical theological degree, no matter how many times you have read the Bible, *Mysteries of the Messiah* will bring fresh perspective and insight. God's Word, written by many people over thousands of years, is not a random selection of people and stories. Rabbi Jason Sobel connects the dots and helps us see with clarity what God intended.
