many of us struggle with connection and self acceptance We rely on our keyboards and screens and masks that hide who we really are even from ourselves Rather than having character we become characters Rather than being grateful for what we have we feel entitled to all of it and more With this mindset it is easy to fool ourselves into thinking that we are fine the way we are and that they are the problem abdicating any responsibility for our failures or failings and remaining stuck in situations and circumstances that hurt ourselves and everyone around us Whether we re facing the rock bottom of homelessness and drug addiction or simply strained relationships with friends and loved ones an examination of our self defeating beliefs and habits can make a world of difference The Spiritual Life Finding Freedom From Homelessness Hunger and Heroin takes readers on a journey from the depths of despair and dejection to the rejuvenation of a life worth living all through an inward focus that helps nurture and develop a healthier outward look **Pattern Makers' Journal** ,1909
