McCafferty's beloved New York Times bestselling series now with a new foreword by Rebecca Serle. Life finally seems to be going right for Jessica Darling. She escaped the New Jersey suburbs and attends Columbia University in New York City. She's more into her boyfriend Marcus Flutie than ever, even if he's at a college across the country in California. And she's making new friends who can't quite compete with her beloved bestie Hope, but at least come close. If Jessica thought high school was hard, college brings a whole new set of challenges. She snagged an internship at a Brooklyn literary magazine, but will she ever fit in with the snarky staff? Can she even make it to graduation after her parents cut her off financially? And will her long-distance relationship survive the pursuit by three new and radically different love interests? With the signature wit, cynicism, and candor the series is famous for, *Charmed Thirds* takes readers on an unforgettable journey through Jessica Darling's hilariously complicated college years.
