Some Kind Of Pride

**Eleanor Jupp, Jessica Pykett, Fiona M.
Smith**

Some Kind Of Pride:

Some Kind of Pride Maria Testa, 2003 Eleven year old Ruth DiMarco is on her way to achieving her dream of becoming a major league baseball player and she is soon to be interviewed by a national sports magazine But a comment by her father makes Ruth wonder if her talent is wasted on a girl

Philosophy for Girls Melissa Shew, Kimberly Garchar, 2020-09-18 Could you name ten women philosophers Could you name three Most people couldn't For thousands of years women have been relegated to the margins of philosophy their contributions too often absorbed into their male counterparts work smothered or simply made impossible to pursue This volume aims to redress the imbalance in gender parity that persists well into the 21st century by offering a range of essays written exclusively by women and directed toward girls and young women interested in philosophy and analytical thinking Divided into four sections that correspond to major fields in philosophy metaphysics epistemology social and political philosophy and ethics the essays explore a wide range of topics that will interest young readers and entice them to learn more Philosophy for Girls gives a tour of the diverse landscape of philosophy inspiring a new generation of women philosophers

Recovering Christian Character Robert C. Roberts, 2022-03-17 Discipleship guidance from the writings of Kierkegaard Genuine Christian character often runs counter to prevailing notions of Christianity as much in today's era of nationalistic religiosity as in the staid Christendom of Søren Kierkegaard's time Kierkegaard responded to the hypocrisy around him by becoming a missionary of sorts in the Western world Through his writing he exposed the illusions of conventional wisdom while advancing a compelling vision of the true Christian life that would give rise to essential virtues like faith hope love patience gratitude and humility What might Kierkegaard say to us today about recovering a genuine Christian character amid manifold corruptions of the gospel Robert C Roberts guides the reader through Kierkegaard's thought about character clarifying while never unduly simplifying to show how Kierkegaard's prescient psychological insights can be applied in the lives of twenty first century Christians interested in personal formation Taking on a Kierkegaardian voice of his own Roberts powerfully illustrates how virtue arises not from the mastery of individual ethical principles but from the continuity of one's soul with the heart of God

A Student's Notes on Genesis Eleanor Rupp, 2016-04-08 Curious about ancient stories once a part of our culture that schools fail to teach today Our Supreme Court gave guidelines so classes could read them so why don't they Are schools fearful that teachers will present the stories for religious purposes Shouldn't students know of Eve and her fatal choice of pride's poison a poison that took her life sent one son to the grave and condemned her firstborn to wander the earth Shouldn't they know of Lamech drunk on that same poison singing self-exalting songs of brutality and leading the world into a violence that could be cleansed only by raging floods Also for their great comfort shouldn't students know of Jacob's sons so much like Cain yet united by a brother who laid aside pride's call for revenge even pride's call for personal justice This book leads public school students through the first part of the world's hidden away bestseller marking out a path through the legal thickets and pits of the Bible into the

hearts of the ancient people who had the same joys sorrows failures and hopes that all of us have even today A Student's Notes on Genesis is for curious minded students and for public school teachers who know that education should include the world's bestseller

Arthur Miller's Century Stephen Marino, 2017-06-20 Arthur Miller was one of the major American dramatists of the twentieth century clearly ranking with other truly great American playwrights including Eugene O'Neill Tennessee Williams and Edward Albee The centennial of Miller's birth in New York City on October 17 1915 was celebrated around the world with a panoply of staged productions theatrical events media documentaries and academic conferences Miller earned his reputation during a career of more than seventy years in which he achieved critical success in the 1940s and 1950s with the dramas *All My Sons* *Death of a Salesman* *The Crucible* and *A View from the Bridge* He was also notable for his refusal to name names at his appearance before the House Un-American Activities Committee his marriage to the film actress Marilyn Monroe and his spell as president of the literary organization International PEN Arthur Miller was not only a literary giant but also one of the more significant political cultural and social figures of his time He was a man of conviction and integrity who frequently took stands popular and unpopular on the ethical issues that engaged societies throughout the world This collection includes eclectic essays from Miller scholars who provide detailed discussions of text and performance of Miller as a political and cultural figure and of his connection to other playwrights The contributions explore the trajectory of Miller's career his most famous and frequently produced works such as *Death of a Salesman* and *The Crucible* the dramas of his later career and his fiction The collection appeals to a broad American and international audience and a cross section of readers including undergraduates graduates emerging scholars drama and theatre specialists as well as theatre goers who flock to revivals of Miller's plays

The Christian in complete armour; or a treatise on the Saints' war with the devil, etc William GURNALL, 1845

Dying to Self and Detachment James Kellenberger, 2016-04-29 Exploring the religious category of dying to self this book aims to resolve contemporary issues that relate to detachment Beginning with an examination of humility in its general notion and as a religious virtue that detachment presupposes Kellenberger draws on a range of ancient medieval modern and contemporary sources that address the main characteristics of detachment including the work of Meister Eckhart St Teresa and Simone Weil as well as writers as varied as Gregory of Nyssa Rabi al Adawiyya Søren Kierkegaard Andrew Newberg John Hick and Keiji Nishitani Kellenberger explores the key issues that arise for detachment including the place of the individual's will in detachment the relationship of detachment to desire to attachment to persons and to self love and self respect and issues of contemporary secular detachment such as inducement via chemicals This book heeds the relevance of the religious virtue of detachment for those living in the twenty-first century

The Kingdom of the Unselfish John Lord Peck, 1889

If I Be Lifted Up Samuel M. Shoemaker, 2007-01-16 These sermons represent an attempt to approach the central meaning of the Cross along several confessedly incomplete avenues of approach I think of them as a little circle of converging but incompleting radii all pointing toward and therefore in a sense

defining but none of them finally touching the real heart of the meaning of the Cross Were any of us able at last to do this we should unlock the mystery of life itself Even Dr Moberly in his great book Atonement and Personality begins by saying Atonement is a reality much too fundamental to human consciousness to be capable of any ready explanation Our explanations at their best are still always partial explanations It is always more than our understanding of it And so it is that one does not hesitate to add his own convictions to the many words that are written and said about the meaning of the Cross of Christ from the Foreword

Virtues and Their Vices Kevin Timpe, Craig A. Boyd, 2014-02-07 Virtues and Their Vices is the only extant contemporary comprehensive treatment of specific virtues and where applicable their competing vices Each of the essays written exclusively for this volume not only locates discussion of that virtue in its historical context but also advances the discussion and debate concerning the understanding and role of the virtues Each of the first four sections focuses on a particular historically important class of virtues the cardinal virtues the capital vices or seven deadly sins and the corrective virtues intellectual virtues and the theological virtues The final section discusses the role virtue theory and the virtues themselves play in a number of disciplines ranging from theology and political theory to neurobiology and feminism The treatment of the virtues in this present volume is sensitive to the historical heritage of the virtues including their theological heritage without paying undue attention to the historical and theological issues Virtues and Their Vices engages contemporary philosophical scholarship as well as relevant scholarship from related disciplines throughout It is a unique and compelling addition to the philosophical treatment of the virtues as well as their import in a wide spectrum of disciplines

I Love the Beach, Poetry, Long Walks, Night Runs, Riding My Bike, Sunsets and Smelling My Own Feet...

Edwin Estuya, 2011-03-30 this is a summary of his daily thoughts which he wrote every night He loves the beach poetry long walks night runs riding his bike sunsets and smelling his own feet though this is not a perfect commercial grade book this is a story of a persons life a true story of his wanderings his convictions his passions his dreams his frustrations his love yes these thoughts come from his heart this is his story of his road to greatness if theres ever one for him a true story to tell the whole world and the ones left behind

[The Pennsylvania-German](#) Philip Columbus Croll, Henry Addison Schuler, Howard Wiegner Kriebel, 1911

The Christian in Complete Armour: or, A Treatise on the Saints' War with the Devil, Wherein a Discovery is Made of the Policy, Power, Wickedness, and Stratagems Made Use of by that Enemy of God and his People William Gurnall, 2024-04-27 Reprint of the original first published in 1845

The Routledge Handbook of Philosophy of Humility Mark Alfano, Michael P. Lynch, Alessandra Tanesini, 2020-06-15 Humility is a vital aspect of political discussion social media and self help whilst recent empirical research has linked humility to improved well being open mindedness and increased accuracy in assessing persuasive messages It is also a topic central to research and discussion in philosophy applied ethics and religious studies The Routledge Handbook of Philosophy of Humility is the first collection to present a comprehensive overview of the philosophy of humility whilst also covering important interdisciplinary topics

Comprising 41 chapters by an international team of contributors the Handbook is divided into seven parts Theories of humility The ethics of humility The politics of humility Humility in religious thought The epistemology of humility The psychology of humility Humility applications to the social world Essential reading for students and researchers in ethics epistemology political philosophy and philosophy of mind and psychology this Handbook will also be extremely useful for those in related disciplines such as psychology religious studies and law *The Church of England magazine [afterw.] The Church of England and Lambeth magazine* ,1862 **The Christian in Complete Armour** William Gurnall,1862 **A Thunderous Voice** Chris Martin,2010-07 Much of what has been portrayed concerning John the Baptist and his message of repentance is that he was a wild man a loose canon who lived in caves never combed his hair or brushed his teeth and would yell at the top of his lungs Repent you sinners In *A Thunderous Voice* author Chris Martin uncovers the truth about John and discusses how John s message of repentance is different from warnings of hellfire and brimstone preached on street corners and even some pulpits around the world Repentance is a gift that God has granted us for the forgiveness of sins and is not some type of guilt ridden man made condemnation *A Thunderous Voice* is an insightful look into the reality that repentance goes hand in hand with a heart attitude an action and a blessing from God Understanding true repentance will ultimately change the way believers think about and respond to God s grace and mercy so that we can all walk in the freedom that Christ purchased on the cross for his children This new and profound truth will empower anyone searching for hope and reconciliation enriching the lives of those who desire to shout with *A Thunderous Voice* to God *The Fireside Dickens* Charles Dickens,1883 **A Cyclopedia of the Best Thoughts of Charles Dickens** Charles Dickens,1873 Emotional States Eleanor Jupp,Jessica Pykett,Fiona M. Smith,2016-10-14 What is the political allure value and currency of emotions within contemporary cultures of governance What does it mean to govern more humanely Since the emergence of an emotional turn in human geography over the last decade the notion that our emotions matter in understanding an array of social practices spatial formations and aspects of everyday life is no longer seen as controversial This book brings recent developments in emotional geography into dialogue with social policy concerns and contemporary issues of governance It sets the intellectual scene for research into the geographical dimensions of the emotionalized states of the citizen policy maker and public service worker and highlights new research on the emotional forms of governance which now characterise public life An international range of empirical field studies are used to examine issues of regulation modification governance and potential manipulation of emotional affects professional and personal identities and political technologies Contributors provide analysis of the role of emotional entanglements in policy strategy policy implementation service delivery citizenship and participation as well as considering the emotional nature of the research process itself It will be of interest to researchers and students within social policy human geography politics and related disciplines

Right here, we have countless books **Some Kind Of Pride** and collections to check out. We additionally have the funds for variant types and as well as type of the books to browse. The satisfactory book, fiction, history, novel, scientific research, as skillfully as various supplementary sorts of books are readily easy to get to here.

As this Some Kind Of Pride, it ends occurring brute one of the favored books Some Kind Of Pride collections that we have. This is why you remain in the best website to see the amazing book to have.
