Some Mothers Son The Screenplay:

Some Mother's Son Terry George, Jim Sheridan, 1996 In 1980 and 1981 imprisoned Irish Nationalists embarked on a hunger strike to protest Margaret Thatcher's British government Empowered by their belief that they were prisoners of war rather than convicted criminals the young men refused to wear prisoners uniforms and began a hunger strike to protest their status both in prison and in terror stricken Northern Ireland Led by Bobby Sands who was elected to Parliament while on strike in jail and supported by the firepower of the IRA the prisoners endured a grueling test of faith and will *Some Mother's Son* tells their story through the shared experience of two mothers one a strident nationalist the other a pacifist who must come to terms with the political beliefs that may take their sons lives *TLA Film and Video Guide* David Bleiler, 1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of international cinema from over 50 countries Over 9 000 films reviewed Up to date information on video availability and pricing Appendices with award listings TLA Bests and recommended films □□□□□□□□□□, 1997 *Ireland* Richard B Finnegan, 2018-02-20 This book examines a number of different interpretations and explanations in the context of historical change as the Irish grappled with the questions of political independence economic autonomy the decline of provincialism the rise of pluralism and the unsolved conundrum of Irish nationhood *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection □□□□□□, 1997 Rethinking Occupied Ireland Jessica Scarlata, 2014-02-11 Imprisonment is a central trope of Irish nationalism often deployed to portray the injustice of an Ireland occupied by foreign rule Irish nationalism celebrates people jailed for resistance to British forces While such a celebratory history resists colonialist images of Irish brutality it also generates nationalist amnesia and nostalgia *Rethinking Occupied Ireland* takes this history as its point of departure arguing that the potent visual language generated to represent national heroes facilitates a narrow conceptualization of occupation and resistance Irish cinema has long offered a double critique against both colonialist and

nationalist historiography Through a study of incarceration in film Scarlata critiques state of emergency discourses and reveals the global relevance of Irish history to questions of terrorism security and sexual and gender transgression in an ever lengthening list of crimes against the nation The films included in this book ranging from 1980 to 2010 explore Irish history from the perspective of those marginalized within or ejected from Irish and British national narratives providing an ideal occasion to interrogate the legacy of colonialism and post anticolonial nationalism Examining Ireland s past in relation to its present these films become a mode of postcolonial historiography and Scarlata argues they are an important component in the reevaluation of what constitutes political cinema and political resistance
