*Kitty's Class Day and Other Stories* Louisa May Alcott, 2016-01-15 I Once upon a time there raged in a certain city one of those fashionable epidemics which occasionally attack our youthful population It wasn't the music mania nor gymnastic convulsions nor that wide spread malady croquet Neither was it one of the new dances which like a tarantula bite set every one a twirling nor stage madness nor yet that American lecturing influenza which yearly sweeps over the land No it was a new disease called the Art fever and it attacked the young women of the community with great violence Nothing but time could cure it and it ran its course to the dismay amusement or edification of the beholders for its victims did all manner of queer things in their delirium They begged potteries for clay drove Italian plaster corks out of their wits with unexecutable orders got neuralgia and rheumatism sketching perched on fences and trees like artistic hens and caused a rise in the price of bread paper and charcoal by their ardor in crayoning They covered canvas with the expedition of scene painters had classes lectures receptions and exhibitions made models of each other and rendered their walls hideous with bad likenesses of all their friends Their conversation ceased to be intelligible to the uninitiated and they prattled prettily of chiaro oscuro French sauce refraction of the angle of the eye seventh spinus process depth and juiciness of color tender touch and a good

tone Even in dress the artistic disorder was visible some cast aside crinoline altogether and stalked about with a severe simplicity of outline worthy of Flaxman Others flushed themselves with scarlet that no landscape which they adorned should be without some touch of Turner s favorite tint *The Big Fat Indian Wedding and other stories* MYSORE PRABHAKAR,2023-07-19 The Big Fat Indian Wedding and other stories by Mysore Prabhakar is a heart warming collection of stories and anecdotes covering everyday life in India With a touch of Wodehousian humour and a keen sense of observation and empathy he explores the moments and memories that make up life in India where the individual family and community come together to form a rich tapestry The charms of Old Bengaluru come alive in his easy narrative style while recollections of his life in the military will keep you engrossed and well entertained **Burning Embers and Other Stories of Marriage, Work, and Family** Charlie Close,2009 *Four Letter Word* Joshua Knelman,Rosalind Porter,2008-01-08 An original compilation of short fiction created in the form of a series of love letters by forty celebrated writers includes contributions from Jonathan Lethem A L Kennedy Jan Morris Douglas Coupland Margaret Atwood and Ursula K Le Guin **Listen** Michel Faber,2023-11-28 I m not here to change your mind about Dusty Springfield or Shostakovich or Tupac Shakur or synthpop I m here to change your mind about your mind There are countless books on music with much analysis given to musicians bands eras and or genres But rarely does a book delve into what s going on inside us when we listen Michel Faber explores two big questions how do we listen to music and why do we listen to music To answer these questions he considers a range of factors which includes age illness the notion of cool commerce the dichotomy between good and bad taste and much more From the award winning author of *The Crimson Petal and the White* and *Under the Skin* this idiosyncratic and philosophical book reflects Michel Faber s lifelong obsession with music of all kinds Listen will change your relationship with the heard world *Canadian Books in Print. Author and Title Index*,1975 *O-So-Ge-To, the Hopi Maiden* Ella Blake Stone,1907 *Writing Animals* Timothy C. Baker,2019-01-07 This book surveys a broad range of contemporary texts to show how representations of human animal relations challenge the anthropocentric nature of fiction By looking at the relation between language and suffering in twenty first century fiction and drawing on a wide range of theoretical approaches Baker suggests new opportunities for exploring the centrality of nonhuman animals in recent fiction writing animal lives leads to new narrative structures and forms of expression These novels destabilise assumptions about the nature of pain and vulnerability the burden of literary inheritance the challenge of writing the Anthropocene and the relation between text and image Including both well known authors and emerging talents from J M Coetzee and Karen Joy Fowler to Sarah Hall Alexis Wright and Max Porter and texts from experimental fiction to work for children *Writing Animals* offers an original perspective on both contemporary fiction and the field of literary animal studies **Undying** Michel Faber,2016-07-07 How can you say goodbye to the love of your life In *Undying* Michel Faber honours the memory of his wife who died after a six year battle with cancer Bright tragic and candid these poems are an exceptional chronicle of what it

means to find the love of your life And what it is like to have to say goodbye All I can do in what remains of my brief time is mention to whoever cares to listen that a woman once existed who was kind and beautiful and brave and I will not forget how the world was altered beyond recognition when we met

**The Book of Strange New Things** Michel Faber, 2014-10-28 A monumental genre defying novel that David Mitchell calls Michel Faber's second masterpiece The Book of Strange New Things is a masterwork from a writer in full command of his many talents It begins with Peter a devoted man of faith as he is called to the mission of a lifetime one that takes him galaxies away from his wife Bea Peter becomes immersed in the mysteries of an astonishing new environment overseen by an enigmatic corporation known only as USIC His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings his Bible is their book of strange new things But Peter is rattled when Bea's letters from home become increasingly desperate typhoons and earthquakes are devastating whole countries and governments are crumbling Bea's faith once the guiding light of their lives begins to falter Suddenly a separation measured by an otherworldly distance and defined both by one newly discovered world and another in a state of collapse is threatened by an ever widening gulf that is much less quantifiable While Peter is reconciling the needs of his congregation with the desires of his strange employer Bea is struggling for survival Their trials lay bare a profound meditation on faith love tested beyond endurance and our responsibility to those closest to us Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success The Book of Strange New Things is extraordinary mesmerizing and replete with emotional complexity and genuine pathos
