Some Things Come Back:

Where Things Come Back John Corey Whaley, 2011-05-03 Winner of the 2012 Michael L Printz and William C Morris Awards this poignant and hilarious story of loss and redemption explores the process of grief second chances and even the meaning of life Kirkus Reviews In the remarkable bizarre and heart wrenching summer before Cullen Witter's senior year of high school he is forced to examine everything he thinks he understands about his small and painfully dull Arkansas town His cousin overdoses his town becomes absurdly obsessed with the alleged reappearance of an extinct woodpecker and most troubling of all his sensitive gifted fifteen year old brother Gabriel suddenly and inexplicably disappears Meanwhile the crisis of faith spawned by a young missionary's disillusion in Africa prompts a frantic search for meaning that has far reaching consequences As distant as the two stories initially seem they are woven together through masterful plotting and merge in a surprising and harrowing climax This extraordinary tale from a rare literary voice finds wonder in the ordinary and illuminates the hope of second chances

The Comeback Cheryl Casone, 2016-05-03 Myth My kids will suffer if I work full time Reality Your kids will be fine In fact the example you set by going back to work may leave them better off Myth No company will want me since I don't have the skills I used to have Reality Don't sell yourself short You have unique skills and experiences that every company needs What you don't have you can learn Myth Getting back to work is impossible Reality Millions of women have made the comeback You can too Karyn never intended to work full time again after leaving to raise her two children But seven years later when a divorce seemed imminent she went job hunting only to find that getting back was as daunting as climbing Mt Everest With no resume no current contacts and no transferable skills for the jobs she was applying to Karyn didn't even know where to start Countless women face situations like this every day with little or no guidance They're told to lean in and lobby for more sympathetic workplaces but none of that solves the immediate practical problem I need a job Now Fortunately career expert and Fox Business anchor Cheryl Casone has written a comprehensive guide to making the comeback After interviewing hundreds of women who are willing to share both their successes and their mistakes Casone offers a one stop shop for moms at every stage of the process This is the perfect book if you're Pregnant and wondering how to take an extended maternity leave without losing your contacts and momentum Trying to stay connected and relevant in your field while you're away Planning the timing of your comeback Thinking about what to say in interviews about the gaps in your resume Looking for creative alternatives if your former career just isn't possible anymore Struggling with prejudice against working moms The many real life stories in this book including Karyn's prove that with a smart strategy and some determination almost any mom can make a successful comeback In the process she can improve her standard of living her self esteem and probably also the well being of her kids As Casone writes No matter who you are no matter why change comes into your life I hope this book will help you to do what my mom did to stare that change in the face and say with confidence Bring it

Conversations with Todd McFarlane Jake Zawlacki,2024-09-25 Over thirty years after his initial ascent to super stardom Todd McFarlane b 1961 remains one of the most popular and contentious comic artists ever The interviews compiled in this volume offer a nuanced portrait of McFarlane s polarizing character Beginning with his earliest days on Spider Man to the months before the hotly anticipated release of Spawn and ending with his writing ventures decades later the interviews offer compelling perspectives from the renowned creator As the most vocal representative of Image Comics McFarlane alongside Jim Lee Rob Liefeld Erik Larsen Jim Valentino Marc Silvestri and Whilce Portacio was a veritable rock star Eager fans swarmed into lengthy lines around comic book stores and conventions waiting for their chance at a thirty second autograph This book offers a glimpse into the comic book world of the early 1990s a world rampant with variant covers impossibly exaggerated bodies and wild speculation about what would be the next comic to explode in value The volume also includes the momentous public debate between McFarlane and Peter David former collaborator on The Incredible Hulk moderated by the late George Perez at a standing room only event at ComicsFest in 1993 While this world sounds almost inconceivable to the comic book fan of today it was the milieu in which McFarlane rose to stardom and excelled like no other leaving his mark on the medium forever
