Something Is Not Quite Right:

Something's Not Quite Right, 2002-01 A collection of thirty three paintings each of which challenges the viewer to find something wrong **Not Quite Right (A Lowcountry Mystery)** Lyla Payne, 2016-04-26 For the living the dead and the people stuck somewhere in between Heron Creek has become a battleground Graciela Harper might be new seeing ghosts fighting curses and just living with her old friends again but there s no doubt she s on the front lines and overwhelmed Leo and Mel have been arrested Amelia teeters on the edge of a deep depression that could cost her her child Beau her boyfriend who might not quite be her boyfriend anymore is breaking her heart None of that will matter if Gracie can t figure out how to break the hundreds year old curse on the male line of her family She knows she needs to focus on that but with the future of one of South Carolina s oldest and most prestigious families hanging in the balance she s tempted to try to save them too What Gracie s about to learn is that she can t do this alone and every single person who has entered her life since her return to Heron Creek will need to pitch in for her to succeed Well that and the fact that she might not be able to save everyone not even herself Not Quite True Lyla Payne, 2015-04-17 With Mayor Beau accused of abuse of power and facing federal indictment a relentless curse after her unborn nephew and a moody uncommunicative spirit in her room reluctant ghost helper Graciela Harper figures she s got enough on her plate The universe as usual figures otherwise On a girls trip to Charleston that s meant to give Beau some space and cheer up her cousin Amelia a second ghost follows Gracie back to Heron Creek As she digs into the mystery behind the Whistling Doctor of Dueller s Alley things at home go from bad to worse Leo s not talking to her Amelia s depression is putting her health at risk and Beau well maybe he s not as innocent as Gracie always believed All that takes a back seat when Gracie s run off the road on her way back from a research trip forcing her to face the possibility that her ghost s secrets might not be about harmless lost love after all In fact he s been the only person aware of certain documents for over two hundred years and if Gracie helps unearth them she might find herself trapped underground permanently **They Don't Come with Instructions** Hollie M. Holt-Woehl, 2018-08-01 In *They Don't Come with Instructions* Hollie M Holt Woehl offers wise companionship for the journey with a developmentally challenged child The mother of a son with an autism diagnosis Holt Woehl recognizes that parenting is never easy Challenges abound as parents help children grow up and find their place in the world But she knows firsthand that adding a developmental challenge makes parenting far more complex Drawing on her own experience and that of nearly forty other parents she surveyed for this book Holt Woehl shares stories information and insights about tending to the pain recognizing the joy and finding ways to keep hope through the ups and downs of this path The book focuses on the challenges of parenting children with Autism Spectrum Disorder ASD Attention Deficit Hyperactivity Disorder ADD ADHD and or Fetal Alcohol Syndrome FAS Not only parents but friends family and members of faith communities who seek to understand what it is like to live with a developmentally challenged child will appreciate Holt Woehl s down to earth and compassionate approach **Inherited**

Time Justine Grønbaek Pors,2025-10-28 This book offers a fresh perspective on work showing how past events ideas practices and values haunt organizations In a contemporary context where organizations are ever more obsessed with growth and transformation the book discovers a politics of time at the heart of questions about power and ethics It develops a non linear approach to the history of education showing what it means to inherit from previous generations and how encounters with ghosts can open possibilities of other alternative futures For academics and students across management education and sociology the book is a crucial resource for understanding contemporary organizations It invites you to find new ways to care for the future of work *Have Mercy on Us All* Fred Vargas,2005-11-08 Concerned Le Guern brings the puzzling notes to the bumbling but brilliant Chief Inspector Jean Baptiste Adamsberg and his straight edged right hand man Adrien Danglard When strange signs that were historically believed to ward off the black death start to appear on the doors of several buildings Adamsberg takes notice and suspects a connection with Le Guern s warnings After a flea bitten corpse with plague like symptoms is found in one of the marked buildings Fred Vargas s inimitable genius chief inspector is under pressure to solve the mystery and restore calm to a panicked Paris But is it a real case of the bubonic scourge or just a sinister trick designed to frighten as the body count grows and the culprit continues to elude the police **BOOK JACKET**

Mathematics for Young Children Marion H. Bird,2022-11-21 For many years increasing stress has been placed on the importance of giving the under sevens a good start in mathematics Originally published in 1991 Mathematics for Young Children shows how children as young as four and five and of all abilities can be encouraged to carry out their own mathematical explorations whilst covering the content of a prescribed curriculum A substantial part of the book is taken up with actual case studies of children working with Marion Bird in a reception classroom fully illustrated with examples of the children s work These case studies are then analysed to show how a prescribed syllabus can be effectively covered through an investigational approach a point which is of paramount importance to teachers concerned with the introduction of the National Curriculum The role of the teacher too is examined carefully in order to identify those parts of a teacher s repertoire which seems to be particularly fruitful in encouraging young children s active mathematical thinking Throughout readers are encouraged to apply and amend ideas to suit their own particular circumstances **EOM: Equal Opportunity Madness**

Michelle Stengel,2017-07-22 In the depths of the cosmos there is madness to be found and there are stories to be told The Elder Gods Cthulhu Nyarlathotep and the like have a taste for fear for madness for flesh But over the years they have grown bored with the taste of the standard straight white male so often portrayed in the tales of the Mythos Like a human being with a hankering for Thai after a steady diet of steak and potatoes the Gods of the Mythos are craving something different An African Igbo head man defends his tribe against eldritch incursion with the help of his own Gods A deeply scarred man gathers strength from Sobek the Egyptian God who claimed him young as he stands against the horrors shoulder to shoulder with a Priestess of Bast A Jewish lesbian rides into town to save it from the Unspeakable with a little help from her girlfriend

and her rich heritage All this and more await you in these pages Welcome to equal opportunity madness **Perfect Secrets** Brenda Joyce, Kathleen Kane, Judith O'Brien, Delia Parr, 1999 Four acclaimed authors deliver romantic and unforgettable tales of scandals deceptions and perfect secrets from the foothills of east Texas to the moss draped riverbanks of Savannah from a small town in upstate New York to the sun baked terrain of the Old West National print ads Joyce has a Web site www.brendadayoyce.com
