Sometimes My Heart Goes Numb Love And Caregiving In A Time Of Aids:

Sometimes My Heart Goes Numb Charles A. Garfield, Cindy Spring, Doris Ober, 1995 Drawing on the real life stories of twenty exemplary caregivers Dr Charles Garfield explains the widely used Shanti caregivers model he originated and shows how to set limits avoid burnout accept gratitude and grapple with issues of life and death when caring for people with HIV AIDS Amazon com

Multiple AIDS-related Loss David Nord, 1997 The aim of this book is to legitimize the pain experienced by many of the survivors of AIDS by normalizing the abnormal experience of survivors It argues that multiple AIDS related loss means not only losing one loved one to AIDS but also has

HIV in World Cultures Gustavo Subero, 2016-04-22 This book analyses the way that HIV AIDS is often narrativised and represented in contemporary world cultures as well as the different strategies of remembrance deployed by different sub cultural groups affected by the illness Through a close study of a variety of cultural texts including cinema literature theatre art and photography amongst others it demonstrates the trajectory that such narratives and representations have undergone since the advent of the discovery of the disease in the 1980s Acknowledging the central yet often overlooked role that cultural products have played in the construction of public opinion towards the condition itself and those who suffer it this ground breaking volume focuses on a variety of narratives as well as strategies of coping with HIV AIDS that have emerged across the globe Bringing together research on the UK North and South America Africa and China it provides rich textual analyses of the ways in which the HIV positive body has been portrayed in contemporary culture with attention to the differences between specific national contexts whilst keeping in view a space of commonality amongst the different experiences reflected in such texts As such it will be of interest to social scientists and scholars of cultural and media studies concerned with cultural production and representations of the body and sickness

The Gay Revolution Lillian Faderman, 2015-09-08 This is the history of the gay and lesbian movement that we've been waiting for The Washington Post The sweeping story of the struggle for gay and lesbian rights based on amazing interviews with politicians military figures and members of the entire LGBT community who face these challenges every day The fight for gay and lesbian civil rights the years of outrageous injustice the early battles the heart breaking defeats and the victories beyond the dreams of the gay rights pioneers is the most important civil rights issue of the present day In the most comprehensive history to date of America's gay rights movement The Economist Lillian Faderman tells this unfinished story through the dramatic accounts of passionate struggles with sweep depth and feeling The Gay Revolution begins in the 1950s when gays and lesbians were criminals psychiatrists saw them as mentally ill churches saw them as sinners and society victimized them with hatred Against this dark backdrop a few brave people began to fight back paving the way for the revolutionary changes of the 1960s and beyond Faderman discusses the protests in the 1960s the counter reaction of the 1970s and early eighties the decimated but united community during the AIDS epidemic and the current hurdles for the right to marriage equality A compelling read of a little known part of our nation's history and of

individuals whose stories range from heart wrenching to inspiring to enraging to motivational Chicago Tribune The Gay Revolution paints a nuanced portrait of the LGBT civil rights movement A defining account this is the most complete and authoritative book of its kind The Journey Toward Complete Recovery Michael Picucci,1998-09-25 Founder of the Institute for Staged Recovery in New York City and creator of Authentic Process Therapy Picucci is an addictions counselor who bases his methods primarily on personal experience In this updated edition of his self published Complete Recovery Picucci describes a Stage Two recovery program for evolving beyond freedom from addictions to holism which encompasses joy bliss love empowerment creativity respect for all life and peace Picucci makes an interesting distinction between recovery from addictions and childhood traumas and recovery of fulfillment wisdom serenity and emotional spiritual and sexual wholeness Using a structure of 12 stations which can be visited and revisited in any order as often as needed he guides readers through six fundamental and six emergent modules of this process for healing the spiritual sexual split and the cultural pain of oppressed minorities and ultimately achieving the shame free presentation of self Picucci says he offers nothing less than a re birthing process through a combination of one on one psychotherapy support groups and spirituality His own life experiences as a gay man once married now HIV positive surviving AIDS cancer a heart attack triple bypass surgery and drug and alcohol addictions give him a uniquely credible perspective on healing and wholeness In his cogent well organized handbook Picucci functions a bit like the gay shamans who had a special place in North American Indian tribes His compassionate acceptance of diversity will inspire many readers to care to take the next step and seek the help they need **Forging Gay Identities** Elizabeth A. Armstrong,2002-12-15 Unlike many social movements the gay and lesbian struggle for visibility and rights has succeeded in combining a unified group identity with the celebration of individual differences Forging Gay Identities explores how this happened tracing the evolution of gay life and organizations in San Francisco from the 1950s to the mid 1990s *Victory Deferred* John-Manuel Andriote,1999-06 John Manuel Andriote chronicles the impact of the disease from the coming out revelry of the 1970s to the post AIDS gay community of the 1990s showing how it has changed both individual lives and national organizations He tells the truly remarkable story of how a health crisis pushed a disjointed jumble of local activists to become a nationally visible and politically powerful civil rights movement a full fledged minority group challenging the authority of some of the nations most powerful institutions Based on hundreds of interviews with those at the forefront of the medical political and cultural responses to the disease Victory Deferred blends personal narratives with institutional histories and organizational politics to show how AIDS forced gay men from their closets and ghettos into the hallways of power to lobby and into the streets to protest **The Experience of a Lifetime** Carolyn North,2006-06 This heartfelt book is about living fully up to the last moment and dying well when the time has come Carolyn North a healer and singer helps four terminally ill friends prepare for death as they decline physically and emerge spiritually The Experience of a Lifetime explores how we can learn to accept our own mortality and discover what it

means to love Loving we may glimpse a many dimensioned world wherein life and death are part of the same glorious Whole

Focus, 1996 **Caring and Competent Caregivers** Robert Moroney, 1998 Chronic health conditions are the leading cause of illness disability and death in the United States today affecting nearly one hundred million citizens These conditions cost the economy more than 470 billion a year in direct medical costs and more than 230 billion in lost productivity While Americans pride themselves on living in a caring country society as a whole has not fully prepared for the many challenges presented by chronic illness This timely book illustrates the caregiving needs to be faced in the next century Written by individuals associated with the National Quality Caregiving Coalition NQCC of the Rosalynn Carter Institute Caring and Competent Caregivers is a foundation book for use by academicians conducting professional training programs diverse health care and social service providers on the front lines providing assistance to others and students entering the field Incorporating philosophy social science research and impressionistic evidence this book provides a basis for education and practice that is both inspirational and practical

The Cultural Creatives Paul H. Ray, Ph.D., Sherry Ruth Anderson, 2001-10-02 ARE YOU A CULTURAL CREATIVE Do you dislike all the emphasis in modern culture on success and making it on getting and spending on wealth and luxury goods Do you care deeply about the destruction of the environment and would pay higher taxes or prices to clean it up and to stop global warming Are you unhappy with both the left and the right in politics and want to find a new way that does not simply steer a middle course In this landmark book sociologist Paul H Ray and psychologist Sherry Ruth Anderson draw upon thirteen years of survey research studies on more than 100 000 Americans They reveal who the Cultural Creatives are and the fascinating story of their emergence over the last generation using vivid examples and engaging personal stories to describe their distinctive values and lifestyles The Cultural Creatives offers a more hopeful future and prepares us all for a transition to a new saner and wiser culture

HIV/AIDS at Year 2000 Vincent J. Lynch, 2000 The author proposes that In order to practice competently all social workers need to have a grounding in HIV issues so they can serve those populations at risk This book provides that grounding Offering cutting edge information about HIV AIDS it shows how the disease affects communities and how social workers work within those communities and with those affected with HIV AIDS It brings together the latest medical psychosocial and values and ethics issues around HIV through vignettes that illustrate the problems and challenges social workers face Dr Lynch and a number of contributors are recognized national leaders in HIV AIDS in social work The book begins by discussing the key medical psychosocial and ethical contexts within which social work with HIV AIDS clients takes place then looks at who in the U S today is most impacted by the disease Taking an ecosystem perspective it examines in particular how the epidemic has ravaged poor communities and communities of color Finally the various roles of the social worker are presented including prevention social advocacy and policy issues treatment mental health issues bereavement and spirituality For social workers related professionals and community leaders working with populations at risk
