**The Gitagovinda as the Song Celestial** , *Song of Love* Jayadeva,1970 Gita Govinda Jayadeva,2017-12-01 Jayadeva s Gitagov nda is a lyrical account of the illicit springtime love affair of Krishna and Radha a god and goddess manifesting on earth as a cowherd and milkmaid for the sake of relishing the sweet miseries and rapturous delights of erotic love The narrative framing their bucolic songs was composed under royal patronage in northeastern India in the twelfth century It was to be performed for connoisseurs of poetry and the erotic arts for aesthetes and voluptuaries who while sensually engaged were at the same time devoted to Krishna as Lord of the Universe The text at once celebrates the vicissitudes of carnal love and the transports of religious devotion merging and reconciling those realms of emotion and experience Erotic and religious sensibilities serve and are served by the pleasures of poetry In the centuries following its composition the courtly text became a vastly popular inspirational hymnal Jayadeva s songs continue to be sung throughout India in fervent devotional adoration of Krishna **Song of Love** Jayadova (Son of Bhajadova.),1979 Love Song of the Dark Lord Jayadeva,1997 This is one of the most important works in Indian literature and a source of religious inspiration in both medieval and contemporary Vaishnavism Dance of Divine Love Graham M. Schweig,2018-06-26 The heart of this book is a dramatic love poem the Rasa Lila which is the ultimate focal point of one of the most treasured Sanskrit texts of India the Bhagavata Purana Judged a literary masterpiece by Indian and Western scholars alike this work of poetic genius and soaring religious vision is one of the world s greatest sacred love stories and as Graham Schweig clearly demonstrates should be regarded as India s Song of Songs The story presents the supreme deity as the youthful and amorous cowherd Krishna who joins his beloved maidens in an enchanting and celebratory dance of divine love Schweig introduces this work of exquisite poetry and profound theology to the Western world in the form of a luminous translation and erudite scholarly treatment His book explores the historical context and literary genre of the work and elucidates the aesthetic and emotional richness of the composition highlighting poignant details of this drama of divine love Schweig illuminates the religious dimensions and ethical nuances of the drama drawing widely from the commentaries and esoteric vision of masters of the Caitanya school of Vaishnavism a prominent devotional Hindu tradition Themes such as transcendence of death through love the yoga of devotion the contrast between worldly love and passionate love for God and the dialectical tension between ethical boundaries and boundless love are presented The final event of the Rasa dance the author concludes presents a dynamic symbol of supreme love that provides the basis for a theological vision of genuine religious pluralism **The Gitagovinda of Jayadeva** Barbara Stoler Miller,2016-01-01 Jayadeva s dramatic lyrical poem Gitagovinda is a unique work in Indian literature and a source of inspiration in both medieval and contemporary Vaisnavism It concentrates on Krsna s love with the Cowherdess Radha Intense earthly passion is the example Jayadeva uses to express the complexities of divine and human love It describes the loves of Krsna and Radha in twelve cantos containing twenty four songs The songs are sung by

Krsna or Radha or Radha's maid and are connected by a brief narrative of descriptive passages. The appropriate musical mode and rhythm for each song are noted in the text. This poem is really a kind of drama of the ragakavya type since it is usually acted. Critical acclaim of the poem has been high but its frank eroticism has led many Indian commentators to interpret the love between Radha and Krsna as an allegory of the human soul's love for God. Learned and popular audiences in India and elsewhere have continued to appreciate the emotional lyricism the poem expresses in its variations on the theme of separated lover's passion.

**The Making of Romantic Love** William M. Reddy, 2024-05-31 In the twelfth century

the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In *The Making of Romantic Love Longing and Sexuality in Europe South Asia and Japan* William M Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900 1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire **Song of**
