Sri Sarada Vijnanagita:

Nectar #17 Babaji Bob Kindler, Lex Hixon, Kyogen Carlson, OP Sharma, John Forman, 2004-09-24 Our small but dedicated staff at Nectar of Nondual Truth is pleased to offer the Autumn issue of this contemporary journal of religious and philosophical teachings to all who value spirituality and its continued existence in this world Each issue is filled with writings of substance created by deep and thoughtful minds steeped in the principles and practices of their chosen tradition Such commitment as rare as it is in present times is the result of long standing study conscious action inner compassion and deep seated meditation Wherever these kinds of qualities are made manifest humanity is reminded of the many blessings being bestowed upon it continually Nectar of Nondual Truth concentrates mainly on the nondual element of religion philosophy and spirituality but maintains a close watch on all other perspectives as well This is because true nondualism is never narrow and exclusive but latitudinous and all encompassing The contents of these pages are a testament to that universal orientation From the seriously sought after humility which Christianity enjoins upon its monastic communities to the duality dissolving mind unifying insight which radical nondual Buddhism epitomizes the avid seeker of Truth perceives the One working among the many in order to reveal to them the One If that revelation of homogenous unity gets expressed via the treasures of religious tradition or instead happens to appear in the serendipitous setting of the spontaneous

Nectar #23 Babaji Bob Kindler, Swami Aseshananda, Lex Hixon, Swami Brahmeshananda, Anam Thubden Rinpoche, DS Lokanath, Annapurna Sarada, 2007-09-09 The focus of this issue being always conceived of with its usual and overall emphasis on Nonduality and Universality falls upon the sacred traditions of Jainism Tibetan Buddhism Tantra and Vedanta with tidbits of all the other religions of the world present and included in revolving fashion As a mention and an invitation the Nectar staff asks for writers associated with Taoism Zoroastrianism American Indian and Western Philosophy to submit articles on their respective faiths and ideologies It seems that in our eight year history of producing and distributing a religious and philosophical publication it has been hardest for us to find authors and practitioners from these four paths to contribute to the journal If you profess these paths or know anyone who does who is capable of writing an article to share please get in touch with us at your earliest convenience We welcome to the present issue of Nectar a follow up article on Jainism a radio interview from the 1970s by Lex Hixon on Divine Mother Transmission an article in the Tibetan Buddhist tradition on destroying delusion by the honorable Anam Thubten Rinpoche and another article by D S Lokanath out of Portland Oregon Additionally we are very gratified to see another of our guru s articles in print transcribed from a host of programs I myself recorded at the Vedanta Society of Oregon when he was still alive In tandem with his discourse I have offered a fresh article called The Illusion of Change designed to complement the nondual message so expertly put forth by him May the guru be pleased

Chandra,Annapurna Sarada,2010-01-17 Nectar of Non Dual Truth and its dedicated staff are both delighted and privileged to bring our revered readership a further offering of Nonduality and Universalism in the noble spirit of interreligious unity and harmony This gift a blessing from the Divine Mother of the Universe presents ingenuous and inestimable installments of dharmic teachings from the sacred traditions of Buddhism Jainism Sufism Taoism and Vedanta with additional articles clips and key quotes about other paths and ways of inner contemplation in accompaniment Of the many and remarkable subjects tenets and axioms that grace the pages of this issue of Nectar perhaps ahimsa nonviolence takes precedence and vies for the lion s share of our attentions and consideration Another important philosophical facet that of time corresponds subsequently for humanity needs more of this graceful quality in order to work out its tendencies towards harmfulness and realize the utter and ultimate futility of all acts of aggression *Nectar #3* Babaji Bob Kindler, Lex Hixon, Swami Sunirmalananda, Swami Ranganathananda, Annapurna Sarada, Rabbi Ariel Stone-Halpern, Rabbi Rami Shapiro, Llewellyn Vaughn Lee, 2001-06-07 This installment of Nectar is dedicated to the auspicious boon and blessing of sacred scripture In Vedic tradition scripture is seen as something revealed rather than written wisdom inherent in Consciousness instead of something created by the mind It is nitya anadi and apaurasheya eternally present and accessible without beginning or end and not ascribable to human authorship Other viewpoints consider that these sacred teachings come from Ishvara God s presence in the universe or that the actual knowledge comes from God while the language is supplied by luminaries Finally one school believes that scripture is only a product of the finest human intellect Whatever the case may be these teachings are very valuable to all who would cross the ocean of birth and death samsara and establish themselves in their undying and immortal essence *Nectar #31* Lex Hixon, Babaji Bob Kindler, Swami Brahmeshananda, Annapurna Sarada, Rabbi Rami Shapiro, Father Bruno Barnhart, John Dobson, Swami Aseshananda, 2016-01-08 It remains somewhat of a mystery even after all the advantages of contemporary times have been lavishly bestowed upon present day humanity that the ills of pervasive suffering still persist on the world scene Of course we know from the Buddha s declaration of His Four Noble Truths that suffering here on Earth will never go away entirely Still unnecessary suffering a type of misery that has viable solutions also remains constant despite the fact that humanity has had plenty of time to apply these readily available stopgaps When looking at this perplexing situation the conscious observer cannot but notice often painfully so that narrowness of mind lies at the root of both the problem of suffering itself and its tardy removal In view of all this when one considers ultimate solutions there is nothing that compares with that of Universality Universal religious outlook universal philosophical perspective universal compassion universal service of mankind a more universal mindset even a more universally based business and politics all would be welcome alternatives to the ponderous and ineffective arsenal of methodical weapons that nations and peoples are presently utilizing to try to stem the tide of pervasive human suffering True religion nowadays has become an obvious caricature of itself and philosophy has turned into a job and a career instead of a means for the revelation

of truth Even altruistic service after the many attempts it has made towards drying up the ocean of human misery has shown us its limitations and its downside **Nectar #15** Babaji Bob Kindler, Swami Aseshananda, Swami Nityasvarupananda, Joyesh Bagchi, Sindhu Bagchi, Professor S Jagadisan, Sumita Roy, Swami Brahmeshananda, Professor Sivaramkrishna, Sharad Chandra, Sudesh Garg, 2004-02-29 The one hundred and fiftieth year since Sri Sarada Devi's physical passing from this earth has come and gone causing a great stir on inner and outer planes of existence and activity And in the interim it has been seen what a profound effect and influence She has exercised on the minds of human beings suffering minds confused minds aspiring minds and even illumined minds Divine Mother's minions whether they be Her demons Her demigods Her devotees or Her divinities all admire Her intensely rally around Her for support and do Her sweet bidding This at least has become obvious at this crucial and pivotal point in time And it is this superlative rallying point called Mother that prompts the Spring issue of Nectar of Nondual Truth and ushers it into existence Though much has been uttered conceived of and accomplished in honor of Her august Name She remains nonetheless illimitable and beggars any and all attempts at description what to speak of ever exhausting Her powers and Her Presence **Footfalls of the Indian Rishis - Volume I** Babaji Bob Kindler, 2023-08-09 The Holy Feet of Illumined Souls on Earth From dreams awake from bonds be free Know the Truth Thou art He thou art She The Rishis of India knowers of Truth in seeking the ultimate welfare and highest good for all of humanity throughout the ages pioneered an unprecedented myriad of religious and philosophical systems These availed the aspiring soul of a copious network of wisdom pathways opening inwards to the Light of Nondual Reality Veda Tantra Sankhya Nyaya Vaishesika Purva Mimamsa Vedanta Yoga Buddhism Patanjala Yoga Sikhism Jainism Vaishnavism Shaivism Shaktism Sourism Ganapatya the list goes on and on This reveals a universal vision the likes of which was never before seen in any country or conceived of by any other race of human beings Here is not only one holy book or merely one divine incarnation or just a single prophet but dozens to hundreds of each all supported maintained and lovingly transmitted by countless luminaries stretching back millennia B C E India therefore stands as an exceptional example before the eyes of the world The main principle which makes her so is realization of and adherence to Truth as demonstrated and elucidated upon in this book It is founded upon the natural acceptance of the presence of God as Existence Itself This Truth was tempered on earth over millennia in the fires of spiritual practice infusing Vedic philosophy and religion with many important keys concerning the attainment of direct spiritual experience The subtitle of this book Charting the Timeless Wisdom of Mother India proves itself through 299 charts all created to transmit the depth and breadth of India's dharmic teachings and replete with thorough and in depth commentaries **Nectar #27** Babaji Bob Kindler, Jagadish Ghosh, Swami Brahmeshananda, Swami Aseshananda, Annapurna Sarada, Lex Hixon, John Francis, Helen Appell, Paravasta Sam Bailey, Michael J Isaacs, 2012-01-15 The current issue of Nectar of Nondual Truth starts our year off with profound thoughts of a religious and spiritual nature There can be no better way to higher health than to purify the mind and intellect daily with

words of a refined philosophical caliber These are precious words indeed coming as they do from a select group of serious individuals all singularly dedicated to their chosen tradition and its dissemination Herein sandwiched between wise and heartfelt literary offerings by life long dedicated writers and practitioners of the Vedanta living and passed lie complementary writings on some of the most respected spiritual traditions of the world all in Nectar like fashion And as usual with Nectar of Nondual Truth the underlying theme which connects all of these beings and their mature perspectives together is that of Universality Just as the Formless Reality called Brahman makes up the unseen but pervasive substratum for all that lies in the diverse realm of name and form so does the eternal tenet of Universality support and weave together all religious traditions When recognition of this great truth dawns on the human mind it is immediately free on so many levels

Nectar #33 Swami Brahmeshananda,Annapurna Sarada,Rabbi Rami Shapiro,Swami Bhuteshananda,Babaji Bob Kindler,Lex Hixon,Llewellyn Vaughn-Lee,Swami Aseshananda,2018-01-01 In an issue dedicated almost entirely to the spiritual artform of meditation Nectar of Nondual Truth explores and presents this most needed and necessary facet of spiritual life through the lighted windows of various religious traditions in conscious operation in today s world Yogic based eight limbed meditation upon everything from objects in matter to the realization of a yogi s conscious Essence is taken up Meditation on the timeless beneficial utterance of divine names in a tradition that also favors Reality as nameless is studied thoroughly by a Rabbi via the Jewish tradition Then even the very breath that utters the divine names is inspected in an article on meditation by a teacher in the Sufi tradition The striking and sobering question asked in several traditions of India that of Who Am I is looked at first hand by an advanced meditator on personal retreat in the Ch an Zen tradition who then also takes his place as an interviewer to question a Japanese Roshi about meditation practice in the Soto Zen tradition Three revered Swamis of the Ramakrishna Order offer up their insights into this superlative examination of meditation and meditator from different perspectives Specifically the very purpose of sitting still and looking within to find the purpose of the entire practice is presented by a long time practitioner and finally an article scrutinizing this most subtle of all yogas from the succinctly nondual position is pondered via the noble Advaita Vedanta perspective Thus does this age old and crucial principle of inmost practice known in Raja Yoga as the singular doorway to Samadhi or Nirvana receive a thorough observation from all angles of sensitive experienced human awareness **Twenty-Four Aspects of Mother Kali** Babaji Bob Kindler,1996-07-04 Eternal salutations to Sri Durga to Sri Kali the boundless ocean of spiritual Wisdom who is the Divine Mother of the Universe This ever present Goddess epitomizes both the bliss of unlimited Awareness and the enthralling play of universal projection She manifests countless beings abiding in an infinite set of worlds seen and unseen gross and subtle hidden and exposed Her existence is confirmed by the holy scriptures for She is perceived intellectually by means of the Six Darshanas Her perpetually flowing streams of eternal spiritual knowledge She is approached and contacted by the devotees through intense sadhana spiritual disciplines prescribed by the guru and She is accessible through contemplation and

meditation Ultimately She is realized as the essence of limitless Consciousness infinite indivisible all pervading and absolute The Twenty Four Aspects of Mother Kali then represent in book form an attempt to remind humanity of their divine parentage of their divine nature of their source of origin It is hoped that those who are still asleep to this supreme verity called the Divine Mother of the Universe will have their inherent spirituality awakened that those who have fallen into complacency or despondency will have their commitment to this non dual Truth of existence rekindled that those who are already abiding in this Truth will further exult in this sublime Essence of pure Being and continue to spread the pure light of Timeless Awareness to all inhabitants sporting consciously or unconsciously in the boundless ocean of the Universal Mother s ineffable Grace
