St Louis Rams:

On Every Play Eleven Men Believed St Louis Post Dispatch,2000 The eleven men who lined up on every play for the St Louis Rams knew something the rest of the world did not Something the fans thought would take a miracle Something the sportscasters and odds makers doubted Something the other NFL teams at least at the beginning of the season considered impossible But the players and coaches of the 1999 2000 St Louis Rams shared one common mission to win the Super Bowl They showed up for work every day they did their jobs and did them well They believed in something almost no one else did Themselves They worked through adversity and trusted in their teammates to step up when it counted most Week in and week out the Rams executed their plan with workmanlike precision and an air of quiet confidence that made it seem as if they knew all along that this was where they d end up The St Louis Rams were unlikely heroes Nobody on this team set out to be a superstar There was no one player trying to win the game by himself for himself Just eleven men on every play lining up on either side of the ball ready to do their job Which is why the 1999 2000 St Louis Rams like no other sports franchise in recent memory displayed the power of a team Because when eleven men believe in themselves Believe in each other And believe the impossible is possible The history can be rewritten Old scores are settled Dreams are made real And a football team considered to be castoffs can become the champions of the world Jacket **The History of the St. Louis Rams**
