St Mark:

St. Mark's and the Social Gospel Ellen Blue, 2011-12-15 The impact of St Mark's Community Center and United Methodist Church on the city of New Orleans is immense Their stories are dramatic reflections of the times But these stories are more than mere reflections because St Mark's changed the picture leading the way into different understandings of what urban diversity could and should mean This book looks at the contributions of St Mark's in particular the important role played by women especially deaconesses as the church confronted social issues through the rise of the social gospel movement and into the modern civil rights era Ellen Blue uses St Mark's as a microcosm to tell a larger overlooked story about women in the Methodist Church and the sources of reform One of the few volumes on women's history within the church this book challenges the dominant narrative of the social gospel movement and its past St Mark's and the Social Gospel begins by examining the period between 1895 and World War I chronicling the center's development from its early beginnings as a settlement house that served immigrants and documenting the early social gospel activities of Methodist women in New Orleans Part II explores the efforts of subsequent generations of women to further gender and racial equality between the 1920s and 1960 Major topics addressed in this section include an examination of the deaconesses training in Christian Socialist economic theory and the church's response to the Brown decision The third part focuses on the church's direct involvement in the school desegregation crisis of 1960 including an account of the pastor who broke the white boycott of a desegregated elementary school by taking his daughter back to class there Part IV offers a brief look at the history of St Mark's since 1965 Shedding new light on an often neglected subject St Mark's and the Social Gospel will be welcomed by scholars of religious history local history social history and women's studies *Report of Harrison et al., vs. St. Mark's Church, Philadelphia* Anonymous, 2025-07-29 Reprint of the original first published in 1877 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *A Statement of Truths, in Reply to the Incumbent of St. Mark's "Statement of Facts"* Prince Crawford, 1838 *Parish Annals: a Sermon Giving Historical Notices of St. Mark's Church in the Bowery, N.Y.
